Forward-looking statement

This Annual Report includes forward-looking statements to help investors understand our prospects and make informed decisions. These statements use terms like 'anticipates,' 'estimates,' 'expects,' and similar words to discuss future performance based on management's plans and assumptions. While we strive to be prudent, we cannot guarantee these statements will be realised due to risks, uncertainties, and potential inaccuracies. Actual results may differ significantly. We do not commit to updating these statements publicly

“There is a tide in the affairs of men
Which, taken at the flood, leads on to fortune;
Omitted, all the voyage of their life
Is bound in shallows and in miseries.
On such a full sea are we now afloat;
And we must take the current when it serves,
Or lose our ventures.”

William Shakespeare, *Julius Caesar*

RIGHT PLACE. RIGHT MOMENT.

Mumbai is at an inflection point.

India's financial capital gets its second international airport in a year.

This is expected to shift the centre of gravity of growth – jobs, livelihoods, lifestyle and real estate – towards Navi Mumbai, the location of this second airport.

This will provide a focused and leading Navi Mumbai real estate company like Arihant Superstructures with an unprecedented opportunity.

This could translate into a multi-year growth runway for the Company, likely to generate an unprecedented demand for new homes and differentiated lifestyles.

In turn, this growth could translate into a disproportionate opportunity to enhance stakeholder value in a sustainable way.

CORPORATE SNAPSHOT

Arihant Superstructures Limited.

The Company has been a leading real estate company for more than 30 years.

The Company has been largely focused on opportunities coming out of Navi Mumbai in the Mumbai Metropolitan Region.

The Company has specialised around a balanced portfolio across the luxury, mid-income and affordable residential segments.

The Company has capitalised on the planned urban infrastructure of this rapidly growing Mumbai extension.

The Company is addressing the needs of differentiated residential lifestyles, emerging as a real estate benchmark in Greater Mumbai.

Our mission

To construct the most efficient spaces for our customers while leaving the least ecological footprint

Our vision

To nurture the best talent and be a 'Built to Last' Company

Our policy

To share wealth with all the stake holders and contribute to the well-being of society at large

Our legacy

As the founder and promoter of Arihant Superstructures Ltd (ASL) Mr. Ashok Chhajjer brings over two decades of diverse and invaluable experience to the table. His journey in the real estate industry began in 1994 when he established the Company's existence in Navi Mumbai. Under his leadership, ASL has grown to become a prominent player in the Navi Mumbai real estate sector.

Our footprint

The Company enjoys a significant presence in key regions, including Mumbai's MMR area (Badlapur, Shil Road and Taloja in Navi Mumbai, as well as Vashi, Panvel, Karjat and Khopoli) and Jodhpur. This expansive footprint has empowered the Company to broadbase its presence across different micro-markets leading to business sustainability.

Our human resource

The Company comprises professionals and specialists across competencies. The Company comprised a workforce of 587 employees as of March 31, 2024; the average employee age was 30 during the year under review.

Our listing

The Company is listed on the National Stock Exchange of India Limited and BSE Limited, where its equity shares are traded. The market capitalisation of the Company was Rs.13,533.4 million as of March 31, 2024.

Our rewards and recognition

2018

Affordable Housing Project of the Year 2018 award by MCHI-CREDAI

Iconic Award by Radio City for Arihant Aspire, Panvel

IGBC Pre-certificated Platinum Rating for Aspire Project

2019

Developer of the Year – Affordable Housing awarded by Zee Business

2021

Business Excellence Award by Adsync and Zee Business for Affordable Housing Project of the Year 2021

2022

Industry's Number One Promoter – 2022 presented by Herald Global Real Estate Development

Best Developer for Green Buildings - 2021 awarded by CIA World

2023

Excellence in Modern Edge Technology by Bharat 24 Year 2023

ET Edge - Best Realty Brands 2024

How we have grown across the years

2010

Shaktiman Construction was renamed Arihant Superstructures Ltd. Ashok Chhajjer and family became the principal shareholders and promoters, following a net worth infusion of Rs. 25 lakh.

2011

Initiated a shift towards affordable housing, aligning with the Central Government's Housing for All initiative; focused on opportunities in Jodhpur and Navi Mumbai; 85% portfolio was dedicated to affordable housing.

2012

Increased the paid-up capital from Rs. 25 lakh in 2010 to Rs. 40 crores through rights and preferential equity issues; acquired multiple projects across Navi Mumbai; surpassed the 10 million sq.ft. reality development milestone

2014

Adopted Standard Operating Procedures for its 'Factory of Homes' approach, having delivered 4 million sq.ft. to actual user customers. This move countered sectoral speculative practices among most real estate developers.

2016

Introduced designer residential products targeted at the higher income groups, including the tallest tower in Navi Mumbai — a 53-floored structure named Arihant Clan Alishaan. This was part of the Company's Marquee product line, featuring 1,000 apartments developed around an asset-light model.

2018

Launched the Company's single largest project called Arihant Aspire, spanning 3 million sq.ft. Project close to the upcoming Navi Mumbai airport in Panvel, a prime location addressing the residential needs of the middle-income category.

2021

Reduced debt by Rs. 91 crores in a single fiscal year following disinvestment of land parcels in Jodhpur.

2022

Commenced the first redevelopment project in Vashi comprising premium housing development (Arihant Advika).

2023

Increased land parcel to 200 acres with a projected sales value of around Rs. 10,000 crore, catalysed by the construction of the Navi Mumbai airport.

2024

Launched 362 villas at World Villas, featuring Club 10 Gymkhana and a 5-star hotel in collaboration with Indian Hotels. This coincided with the opening of the Atal Setu sea link, which connects South Mumbai to World Villas in 60 minutes, cementing Aриhant's position as the leading Navi Mumbai NMR real estate developer

2025

Anticipates business development growth of 30% CAGR through new launches (Aриhant Adarsh, Aриhant Avanti Palace, World Villas, and Aриhant 7 Anaika) and new phases of ongoing projects. Graduated several projects (Aриhant 5 Anaika, Aриhant 6 Anaika, Aриhant Aarohi, Aриhant Aalishan, Aриhant Aspire, Aриhant Aaradhya (Phase 1), and Aриhant Anmol) towards completion, culminating in the handover of 2,500 apartments

2026

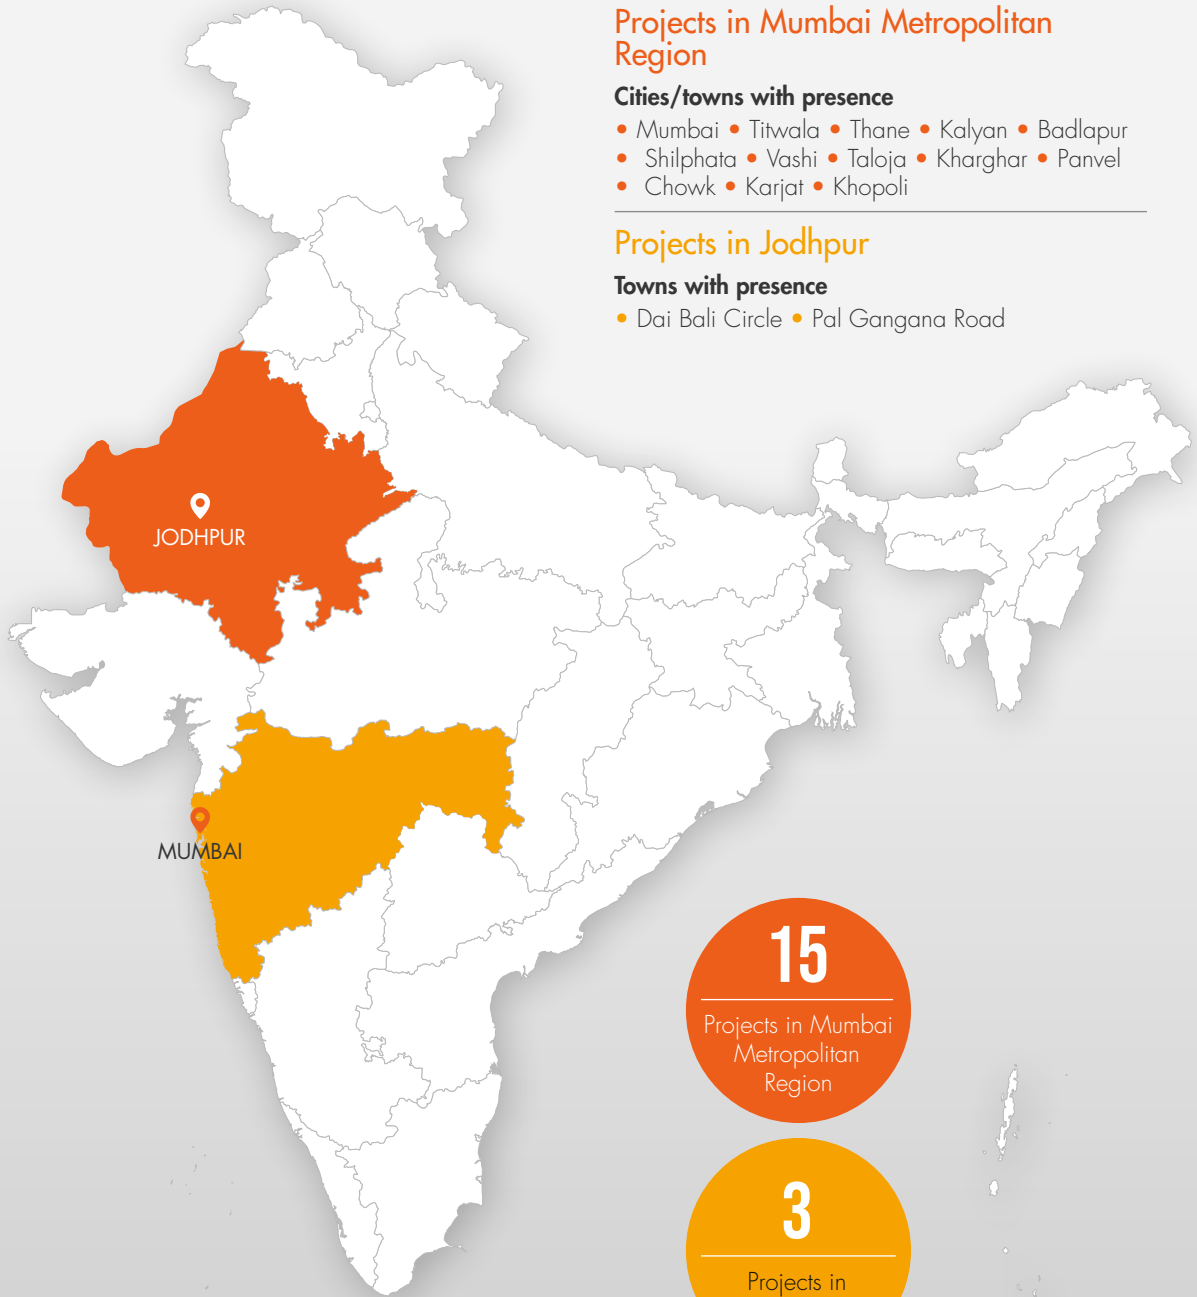

Positioned to embark on projects valued between Rs. 10,000 crore and Rs. 20,000 crore

2028

The annuity income derived from the hospitality hotel in Gymkhana will strengthen the Balance Sheet

Financial outcomes

Five principal messages of this Annual Report

1

The Company reported yet another year of significant outperformance, growing faster than the sector and economy

2

The Company has created a significant pipeline of pre-sales and projects to sustain growth across the foreseeable future

3

The Company addresses a direct multi-year growth runway on account of the proposed commissioning of a new airport in Navi Mumbai

4

The Company is attractively placed to capitalise on the transformation of Navi Mumbai on account of its market leadership

5

The Company has positioned itself as an attractive proxy of the one of the fastest growing urban real estate markets in India

Four realities you need to remember

1

India is the fastest growing major global economy

2

Mumbai is the undisputed financial capital and nerve centre of India

3

Navi Mumbai represents the most attractive real estate proxy of Greater Mumbai

4

Arihant Superstructures has been the longstanding leader of the real estate market in Navi Mumbai

Our Navi Mumbai credentials

Largest real estate developer in Navi Mumbai

30+ years of focused Navi Mumbai experience

10.5 million sq.ft. of Navi Mumbai projects delivered until FY 2023-24

5.5 million sq.ft. of projects under construction

Large eco-system of trade intermediaries and joint development partners focused on Navi Mumbai

Presence in 11 Navi Mumbai micro-markets

**Our Navi
Mumbai
aspirations**

5.5

Lakh+ sq.ft. of Navi
Mumbai projects under

% of revenues to be
derived from villa
homes

Mumbai 3.0 represents an inflection point in the growth and sustainability of Navi Mumbai

*What is good for Navi Mumbai will be
good for Mumbai and India - and Aриhant
Superstructures*

Overview

The principal message that I seek to communicate is that Navi Mumbai – often dismissed as a distant cousin of Mumbai’s real estate – is now at an inflection point in its existence. Navi Mumbai’s real estate is at a point of take-off where it is no longer considered as an adjunct of larger real estate stories transpiring in Mumbai or Pune but as a compelling story in itself.

Navi Mumbai game-changers

The big transformation in Navi Mumbai is on account of unprecedented urban infrastructure building up within and around Navi Mumbai that makes it compelling in its own right.

The first game changer in Navi Mumbai will be the Navi Mumbai International Airport. This significant infrastructure project is aimed at improving air travel capacity, accessibility and connectivity in the Mumbai Metropolitan Region. This airport is expected to address around 60 million passengers annually once fully operational. This will be more than an airport: it is being designed to provide state-of-the-art amenities, including passenger terminals, cargo facilities, and sophisticated air traffic management systems. The airport will be connected to Navi Mumbai and Mumbai via road networks, including dedicated expressways. Additionally, a metro link is being planned to improve accessibility.

This airport is expected to catalyse significant employment opportunities during operations, contributing to local and regional economic growth. The airport is expected to attract investment in logistics, cargo handling, and ancillary services, boosting economic activity in the region. This airport is expected to deepen the role of Navi Mumbai as a vital urban and economic hub in India.

The second project is the Atal Setu (Belapur-CBD Belapur Bridge), a significant cable-stayed bridge in Navi Mumbai, India. The Atal Setu was constructed to improve road connectivity between the Central and Navi Mumbai. The bridge has significantly enhanced the

transport infrastructure of Navi Mumbai, easing the movement of vehicles and pedestrians. It is expected to facilitate better connectivity to Belapur, Kharghar, and the proposed Navi Mumbai International Airport.

The third project is the Reliance Industrial Park in Navi Mumbai, designed to promote commerce and industry. The industrial park is aimed at accommodating various industrial activities, including manufacturing, logistics, and warehousing. The Reliance Industrial Park plays a significant role in boosting the local economy by attracting investments and job opportunities, catalysing the economic development of Navi Mumbai.

The fourth is Mumbai 3.0, a framework for the urban development of the metropolis including Navi Mumbai.

The coming together of these realities indicates that Navi Mumbai is at the cusp of dramatic growth and a tipping point in its existence.

Capitalising on change

Arihant Superstructures is attractively placed to capitalise on this inflection point. The Company addresses a multi-year growth runway that is expected to transform its personality, visibility and profitability.

The Company has been a dedicated real estate developer focused on Navi Mumbai for nearly 30 years.

The Company has never been a generic real estate company; it is credited for having developed some of the most iconic residential properties in Navi

Mumbai viz Arihant Aspire and Arihant Aalishan, among others.

The Company is positioned to transform Navi Mumbai’s residential landscape through the offering of residential villas, even as Navi Mumbai itself embarks on a decisive structural transformation.

By blending premium with its traditional affordable housing offering, the Company has created the ground for being ready with the right offerings at the right time.

Our fundamental proposition

At Arihant Superstructures, we believe that the residential customer of the future will be increasingly discerning.

The customer will need to live in larger homes. Besides, the customer will seek to live in properties that are horizontally spacious, gravitating from traditionally boxed apartments to villas.

This need will be marked in Mumbai, a city that has conventionally lived in dense neighbourhoods with no exposure to large open and green spaces.

The Company reported pre-sales of Rs. 970 crore in FY 2023-24 compared with Rs. 773 crore in the previous year. Collections improved from Rs. 483 crore to Rs. 503 crore during the last two years; this was at an attractive Rs. 130 crore in the last quarter of the last financial year.

The Company will offer the largest plotted space real estate offering in Navi Mumbai, attracting those seeking to make the switch from Mumbai to Navi Mumbai in exchange for a significantly better life.

The plotted offering is also positioned to attract all those concerned about the deteriorating air quality of Mumbai. By the virtue of being better planned, Navi Mumbai has larger carbon sinks than Mumbai; the villa offering will offer yet another carbon sink.

The plotted offering intends to address the needs of those who seek a first home and are not daunted by the prospect of traveling an hour each way to work (which is a reality for most in Mumbai anyway) following the commissioning of better arterial road and rail networks from Navi Mumbai.

The plotted offering will come with a complement of hospitality and standout gymnasium infrastructure (12 acres).

The plotted offering will rebalance the Company's revenue mix in line with its stated brand direction. Across the foreseeable future, the Company will moderate the proportion of revenues from affordable housing homes to a third and increase the proportion of revenues from mid-level apartments and generate a third of revenues from premium homes. This blend will empower the Company to deepen its presence in existing segments that assure volumes and move the Company into new customer segments that enhance value. This rebalanced mix is expected to sustain the Company's profitable growth across the coming years.

Credible financial base

The Company has performed credibly in the last few years, validating the robustness of its business model.

Revenues grew by 30% and EBITDA increased by 44% during the year under review.

The Company reported pre-sales of Rs. 970 crore in FY 2023-24 compared with Rs. 773 crore in the previous year. Collections improved from Rs. 483 crore to Rs. 503 crore during the last two years; this was at an attractive Rs. 130 crore in the last quarter of the last financial year.

The Company's return on capital employed strengthened from 13.8% to 15.1% during the year under review.

Optimism

At Arihant Superstructures, we are attractively placed to take the business ahead.

The Company possesses the widest residential options – Rs. 20 lakh to Rs. 3 crore - within Navi Mumbai.

The Company intends to make two launches during the current financial year.

The proportion of premium homes within this mix by value is expected to increase from 10% to 20%, strengthening margins.

By the virtue of possessing a large operating headroom coupled with a transforming Navi Mumbai personality, we believe we are attractively placed to enhance stakeholder in a sustainable way across the foreseeable future.

Ashok B Chhajjar

Chairman and Managing Director

How we transformed in the last few years

At Arihant Superstructures, we have been responsiveness to changing markets and customer preferences.

The Company has strengthened its competitiveness through a coming together of various realities.

MANAGEMENT OVERVIEW

Strengthening our brand equity as a villa-driven company

Overview

India is experiencing unprecedented optimism that the country will outpace others in growth, strengthening its position as the third-largest economy by the end of this decade.

This economic expansion is expected to have a significant impact on the real estate development sector, which typically serves as an early indicator of national economic growth or recovery. As an individual, planner, consumer and observer, this perspective is relevant to me.

The growth outlook for most companies in our sector – real estate development

– would be about more property development. This ‘more of the same’ approach not only appears boringly routine but also runs the threat of missing a larger opportunity.

In our mind, the larger opportunity comprises a daring to attempt the different. Nowhere is this need more apparent than in the real estate sector, where most properties are predominantly marketed around largely similar concepts. As a result, there is an emphasis on size and location over scope and style.

In this context, the role of design will begin to play a more central role. Properties designed with a meticulous

attention to lifestyle amenities and facilities could sell faster — not just due to aesthetic appeal, but because of their promise to enhance the overall holistic living experience. The selection and combination of amenities in these properties will extend beyond the simple packing of everything within a limited space; they will need to focus on the right mix of elements that contribute to a differentiated lifestyle proposition. The significance of design in what is likely to be the largest non-impulse purchase in one's life cannot be overstated; design will encompass not only how properties look but also what they offer to their residents.

This represents a significant, lasting opportunity within India's real estate development sector. As India modernises and transforms, it will require not only more living space but also next-generation homes—residences that will retain their relevance for decades and will not need to be changed with each new prosperity phase. What makes this opportunity compelling is that these multi-generational homes will be in higher demand than the industry's current capacity to deliver. Priced more effectively than traditional offerings, these homes empower builders to move beyond conventional cost-plus models and evolve into profitable growth companies.

At Arihant Superstructures, we have positioned ourselves to build multi-generational homes. This requires a distinct approach: while we may construct fewer properties, we will prioritise quality. We may launch fewer projects than our competitors, we seek to achieve faster sales. Our Profit & Loss account may be smaller than some of the largest players in the industry, we will focus on sustaining high profitability. Although we may operate in only one urban pocket (Navi Mumbai), we seek to be nationally respected for our strategic clarity and project implementation discipline.

So, what is this hallmark? The properties that Arihant Superstructures will curate — this term better reflects our business than 'build' or 'construct' — will be spacious, green, themed, and uncommoditised. The Company is not in business to build rows of indistinguishable structures resembling typical townships; the

Company will create havens. This clarity of purpose allows us to define what we will not do: construct large generic towers to maximise available space, build cookie-cutter homes, or create gated communities where neighbours remain strangers.

At Arihant Superstructures, we observe that this trend has already occurred in several countries, where affluent families have moved from dense urban living to suburbs for a more tranquil lifestyle. Their homes are larger, gardens more spacious, and they enjoy proximity to nature. Modern India is moving in this direction, aided by improved urban road connectivity and enhanced broadband access, which is contributing to decongestion.

In this context, we see a niche emerging within the gated lifestyle proposition: a blend of bungalows within exclusive gated facilities that strike a balance—neither too large to feel impersonal nor too small to feel insignificant.

We have consciously chosen to 'own' this niche in Greater Mumbai. We prefer not to be recalled generically as a real estate company; instead, we aspire to be recognised as curators of lifestyle homes. This unique positioning will necessitate a design-first approach, enabling us to collaborate with a range of residential lifestyle options while being selective based on location, customer segments, and pricing.

We come with a design-driven pedigree. Over the last decade, we have distinguished our properties through various innovative initiatives.

At Arihant Superstructures, our design-led strategy is reinforced at multiple levels. For one, we operate with moderate debt, freeing us from the pressure to compromise our principles for the sake of faster, substandard development. Although the full impact of our properties will only be realised upon completion and delivery, the Company reported an EBITDA margin of 22.37% in the last financial year, complemented by an RoCE of 15%. We ended the year with a cash balance of Rs. 15 crore. These figures demonstrate that a differentiated business model is not merely theoretical; it can indeed yield superior results.

At Arihant Superstructures, this design-intensive approach will be supported at various levels. The Company will moderate debt. The Company will increase the villa proportion of revenues, strengthening margins and capital efficiency. Besides, the Company will enhance the relevance of its business model through environmental sustainability, good governance, transparency, credible Board of Directors, service orientation, and ethical engagement with all stakeholders.

We believe we possess the platform, long-term commitment, and strategic clarity to build a company that enhances respect across all stakeholders and across time.

CHIEF FINANCIAL OFFICER'S
PERFORMANCE OVERVIEW

How we are prepared to climb into the next orbit

Arihant Superstructures reported a year of industry outperformance during the year under review

Big picture

The overarching message is that the Company continued to strengthen its business through a combination of scale at one end and increased capital efficiency at the other, enhancing overall profitability. During the year under review, the Company achieved its targeted turnover of Rs. 500 crore and targeted PAT margin of 10%. The Company finished the year under review with growth across every front – strategic, operational and financial – that helped enhance value for all stakeholders. This growth was achieved in the face of challenges: competitive intensity, high interest rate environment, diverse

investment assets, and an appreciating stock market. A mix of robust competitive strengths by the Company - capital efficiency, funding access, business development, market access and deliveries – helped the Company achieve these targets in a challenging environment.

Counter-challenges

At the beginning of FY 2023-24, the priority was to ensure the Company remained on track to achieve its 5x journey backed by adequate resources. The Company countered the challenges with the following initiatives:

One, the Company ensured it possessed adequate talent; it doubled team strength to 587, plugging vacant positions; it included a woman Independent Director.

Two, the Company selectively sourced borrowings, driving 30% growth. The Company replaced high debt with lower priced alternatives, mobilising over Rs. 125 crores (net).

Three, the Company launched projects through four quarters of FY 2023-24, upgrading its project portfolio development mix and aligning it with growing Mumbai Metropolitan Region demand.

Profitable growth

During the last decade, the Company scaled its business profitably, validating its resilience. The Company reported

31% revenue growth (compared with the Indian GDP growth of around 8%), a 44% increase in EBITDA and a 62% PAT increase. The profitable growth is the outcome of a growing efficiency

across all functions, enhancing capital efficiency. The capacity of the Company to report profitable growth represents the robustness of the business model.

Year	FY22	FY23	FY24
Revenue growth %	22	18	31
EBITDA growth %	42	12	44

Capital efficiency

At Arihant Superstructures, our Holy Grail is the enhanced return that we generate from every rupee invested in the business. Capital efficiency increased during the year under review, largely on account of the Company shrinking process flows

without compromising quality, making it possible to utilise the same employed capital across a larger number of projects or a larger number of apartments. The result is that Return on Capital Employed increased 130 bps to 15%; RoE strengthened from 17% to 21%.

The Company continued to generate a return superior to what risk partners (shareholders) would have been able to generate if they had invested in alternative asset classes.

Year	FY22	FY23	FY24
Business reinvestment (Rs crore)	20	17	21

Pre-sale revenues

Your company reported 25% revenue growth during the year under review, emphasising the success of its terrain presence, brand, channel distribution, product conceptualisation, delivery capability and marketing. The

Company enhanced revenues across each home format and location. As a strategy, the Company enhanced the premium proportion of real estate offerings (through villa sales). This broadbasing represents adequate de-risking, underlining the capacity of the Company to address a customer's need

for enhanced life quality. The Company reported record pre-sales during the year under review; the 25% growth over the previous year was higher than the organised real estate industry growth of 10%. The Company generated Rs 71 crore in cash profit during the year under review.

Year	FY22	FY23	FY24
Pre-sales (Rs. crore)	496	773	970

Revenue mix by apartment type

At Arihant Superstructures, there is a growing focus on marketing increasingly premium (outside the 'affordable housing' category). This change has been inspired by a shift in the market where a larger

number of buyers seek larger and more premium homes. This is an extension of the mindset of the Indian consumer seeking to borrow to be able to live better. This trend is also influenced by the optimism of Indians earning more across the foreseeable future.

This trend has reflected visibly in the proportion of revenues generated by the Company from its plotted development, a trend likely to grow. The Company's premium offerings have become sharper through the years, creating a distinctive market traction.

Building the business

At the Company, there was a continuing focus on liquidating unsold home inventory from projects launched in the past, coupled with new launches. This ensured a balance between what could

be realised in the moment and how the business could be seeded for the future. The launch of new projects was influenced by the conclusion of joint venture agreements and the timing of municipal clearances, which caused pre-sale revenues to be lumpy.

As a strategic direction, the Company is committed to accelerate the launch of large residential projects in Navi Mumbai. The accelerated launch is the result of the Company being preferred for joint ventures arising out of a large deal flow.

Year	FY22	FY23	FY24
Number of real estate launches	4	5	6
Saleable area of projects (million sq.ft.)	1.3	2.0	2.3

Joint development

At Arihant Superstructures, we generally enter joint development ventures with partners where the latter provides the land and the Company brings to the partnership table the full value of its brand, marketing, project development, legal, compliance and sales capabilities. This symbiotic engagement has proved profitable for the Company, liberating it from sizable investments in land on the one hand and the need to mobilise debt for land purchases on the other. This single change in the strategic mix has enabled the Company to restructure its Balance Sheet across the last decade, extending its focus from land ownership, land banking and land cost arbitrage to land conversion efficiency ('factory of homes').

Shrinking processes

An important element of enhanced capital efficiency is the capability to complete projects quicker. This ability is the outcome of an increased introduction of SOPs, increased mechanisation, digitalised process flows, transparent information dashboards, and supervisory checks (no rework). Besides, the Company has responded with a graded payables cycle – every 30 days for labourers, every 30 days for sizable contractors and every 30 days for resource material providers. This customised approach has helped protect the interests of supply chain partners, ensuring a timely delivery of services and materials that has helped either protect or shrink completion schedules. The Company also moderated the process tenure between registrations

and construction, accelerating revenue inflows. The ability to compress projects within shorter tenures has represented the basis of enhanced capital efficiency at the Company.

Liquidity

The success of the Company in a capital-intensive business is reflected in its liquidity. This liquidity is the outcome of various initiatives directed to accelerate business velocity and cash flows. Some of the initiatives that have catalysed liquidity comprise the following: marketing to serious home owners (as opposed to speculative traders), accelerated construction up to the RCC level that has helped catalyse instalments and inflows; timely collections discipline synced with construction progress; sustained investment in construction that

has helped sustain inflows, staggered initial payment to land owners coupled with sales-linked remuneration and a sales mobilisation structure where a majority of the proceeds are realised in the early part of the construction phase (marked by a relatively low expenditure). Besides, the improved liquidity with the Company has helped it calibrate the

flow of new launches in exchange for seeking higher realisations as part of a responsible price discovery process (catalysing liquidity in turn). The decline in debt and interest outflow has helped enhance liquidity.

The Company worked with an under-borrowed Balance Sheet, marked by

adequate cash in hand, healthy interest cover, attractively low gearing and modest Net debt/EBITDA. The Company focused on strengthening collections and terms of trade, leveraging cash in hand to generate raw material discounts and addressing fresh capital expenditure needs (lower incremental debt).

As on March 31	FY22	FY23	FY24
Cash and cash equivalents (Rs. crore)	14	8	15

Collection

The Company has consistently focused on accelerating the inflow of collections – partly by completing project portions

before the deadline stipulated by RERA, technology-driven alerts on instalments payable, repeated reminders to buyers and the imposition of penal fees should payment deadlines be breached. The

Company deepened the application of Net Promoter Score that measured and enhanced customer satisfaction. The result is that the Company's collection effectiveness has progressively grown.

As on March 31	FY22	FY23	FY24
Collections (Rs. crore)	416	483	503

Debt management

The Company's total debt stood at Rs. 477.4 crore versus Rs. 331.9 crore in the previous year. Net worth strengthened

from Rs. 245.6 crore to Rs. 323.4 crore; gearing improved from 0.63 in 2022-23 to 0.55 in 2023-24 as the Company grew net worth and moderated long-term debt to address business expansion. By

the virtue of investing in projects with traction that generate an attractive return, the Company is confident of staying net cash positive.

Year	FY22	FY23	FY24
Debt:equity ratio	1.4	0.63	0.55

Way forward

The Company seeks to acquire attractive land parcels at competitive prices and make developments based on the population matrix. Furthermore, the Company will focus on generating a lower cost of capital and resources, generating, higher margins in its earnings.

The Company will continue to implement its tried and tested steps of 'sell and build' model and thus, carry out the necessary steps to build as per the needs of the market and addressing resource planning needs.

The Company enjoyed a strong financial position at the end of the fiscal year under review. The Company's net worth

stood at Rs. 323.4 crore as on March 31, 2024, with Rs. 15.05 crore in net cash. This enviable position implies relative de-risking in an unpredictable world; it provides patient capital to take the Company ahead.

Dhiraj Jopat
 Chief Financial Officer

Navi Mumbai represents one of the most attractive economic opportunities in India

Arihant Superstructures is attractively placed to capitalise

Overview

Navi Mumbai is not just another extension of a metropolis seeking to evolve into a large city; it holds the key to the sustainable growth of the financial capital of the world's fifth largest economy.

Navi Mumbai represents the most convenient extension of Mumbai.

Mumbai is among the more expensive global cities in terms of real estate, and cost of living. Rather than continue investing in prohibitively parcels and keep going vertical, there is a growing case for extending out of Mumbai into contiguous urban clusters.

Navi Mumbai represents a seamless extension of Mumbai. Besides, it is all that Mumbai is not – spacious, affordable living

costs, clean air and multi-modally connected.

The growing presence of IT and financial services has enhanced its appeal as an urban centre. The coming of educational institutions, healthcare facilities, and shopping complexes, has enhanced life quality. Besides, Navi Mumbai is a planned urban cluster.

Navi Mumbai at the cusp of a dramatic transformation following the proposed creation of the international airport in Navi Mumbai, increased road connectivity from this airport to Mumbai and the real estate ripple effect in the vicinity.

Arihant Superstructures is attractively placed to capitalise on this transformation.

The Company is largely focused on the real estate growth coming

out of Navi Mumbai; 90% of the Company's real estate presence is in Navi Mumbai.

The Company has been building residential real estate in Navi Mumbai for 30 years, graduating into a specialist.

The Company has been responsible for creating residential landmarks in Navi Mumbai, carving out a distinctive brand.

The Company has singularly focused on the residential segment, deepening its understanding of customer needs.

The Company is making a unique offering of residential options – plotted development – that is likely to draw longstanding Mumbai residents into Navi Mumbai for a differentiated lifestyle experience.

What makes Navi Mumbai increasingly attractive

Location

Connected to Mumbai through the Atal Setu, the Sion-Panvel Highway, and railway lines.

Proximity

Represents an extension of Mumbai; travelling distance of around an hour from Navi Mumbai to downtown Mumbai.

Planned

Navi Mumbai is a planned city, comprising wide roads, public transportation, open green spaces and essential amenities like schools, hospitals, and shopping centers.

Livelihoods

Navi Mumbai comprises business districts and IT parks, catalysing job creation and economic development.

Affordable

Navi Mumbai is relatively affordable when compared with Mumbai, an attractive option for first-time homebuyers.

Development

The proposed commissioning of the Navi Mumbai International Airport, metro rail projects, and road improvements could enhance importance, connectivity and real estate development.

The constituents of Navi Mumbai

Vashi: Commercial and residential hub known for shopping malls, good schools, and easy access to public transport.

Nerul: Comprises residential complexes; home to educational institutions, parks and IT companies.

Belapur: Central business district of Navi Mumbai, featuring business centers, offices, and commercial spaces, along with residential areas.

Kharghar: Lush greenery and planned development. Comprises a golf course. Growing residential and commercial area.

Panvel: Significant suburb with robust connectivity (rail and road). Proximate to Navi Mumbai International Airport.

Airoli: Proximate to Mumbai suburbs. Comprises residential projects and IT parks.

Map not to scale

Digha: Residential and commercial hub. High affordability makes it attractive.

Kalamboli: Comprises residential township developments. Gateway to the Mumbai-Pune Expressway.

Mansarovar: Marked by budget-friendly housing options.

Taloja: Comprises industrial and residential projects. Proximate to the Mumbai-Pune Expressway.

Ulwe: Located near the upcoming International Airport.

Navi Mumbai Airport Influence Notified Area (NAINA): Proximate to Navi Mumbai International Airport. Comprises new townships and residential projects.

The transformation of Navi Mumbai into an aerotropolis represents a new beginning

This single development is likely to catalyse the brand of Arihant Superstructures

Overview

An aerotropolis—a city or urban area designed around an airport, with a focus on air travel as a major mode of transportation for people and goods—is one of the most important urban developments in decades. This development has generated unmistakable triggers related to urban growth direction. The growing importance of an aerotropolis reflects a shift in how cities view the role of airports in economic development, connectivity, and urban planning, positioning them as critical components of modern infrastructure and globalisation.

Arihant Superstructures’s relevance

The Company is attractively placed to capitalise on the transformation of Navi Mumbai into an aerotropolis. The Company has grown its business in Navi Mumbai. It is engaged in the commercialisation of land parcels within 15 kms of the under-commissioning airport in Navi Mumbai. This coming together of a longstanding brand, existing exposure and proposed Navi Mumbai developments make the Company an attractive proxy of the growth of one of India’s most attractive aerotropolis developments.

Connectivity

As globalisation increases, there is a growing need to travel and transfer (people and products). An aerotropolis facilitates the creation of eco-systems that facilitate timely connections to international markets.

Eco-system

An aerotropolis drives local and regional economic growth, attracting businesses that depend on air transport (logistics, manufacturing, and corporate offices) coupled with infrastructure investments (transportation, hotels, commercial spaces, and residential areas).

New face

An aerotropolis is being built with sustainability in mind, comprising energy-efficient buildings, green spaces, and sustainable transport options with a lower environment impact.

Urbanisation

An aerotropolis addresses urban population needs through spaces that blend residential, commercial, and recreational areas in proximity to air travel.

An aerotropolis catalyses economic development

Jobs: An airport widens job opportunities in construction, operation, and support services.

Connectivity: An airport enhances domestic and international connectivity, making it easier for people and goods to move in and out of the region and contributing to economic growth.

Real estate: An airport increases demand for residential and commercial properties, which could result in higher real estate values.

Hub: An airport is likely to attract logistics companies, freight services, and other industries, resulting in the creation of logistics parks and industrial zones

Tourism: Enhanced air connectivity could enhance Navi Mumbai accessibility to domestic and international tourists, enhancing investments in hotels, restaurants, and other lifestyle attractions.

Infrastructure: The coming of an airport could attract investments in infrastructure (roads, public transport systems, utility services, schools, hospitals, and other civic amenities).

OUR STRENGTHS

What makes Arihant Superstructures a consistent outperformer

Brand trust

A trusted multi-decade brand built around customer focus, environmental sustainability and quality.

Pedigree

Experienced promoters and senior management team leading to informed long-term sustainability

Proprietary

Integrated competencies have helped the Company retain senior talent and double employee strength across five years.

Integrated

In-house design, engineering, and project implementation have helped optimise construction speed, schedule and outcomes

Asset-light

16% ongoing projects are based around asset-lightness following joint ventures

Choice

Broad-based pricing provides a wide choice for prospective customers.

Eco-system

Enduring relationships with partners, communities, suppliers, and customers.

Competitive

The average land acquisition cost of the saleable area is among the lowest in the industry (less than Rs. 400 per sq.ft.).

Trust

Proven track record of generating free cash flows and efficiently deploying it into a value-accretive project portfolio with effective debt management.

How we deepened our people-driven approach

At Arihant Superstructures, work-life balance is a key priority

Employees avail 'happy leave' and possess the flexibility to choose their days off, considering the monthly allowance of four Sundays and two Saturdays. While maintaining attendance discipline is essential, there is flexibility in working hours.

Overview

At Arihant Superstructures, human resources plays a pivotal role by ensuring that the right talent is recruited, developed, and retained, fostering innovation, productivity, and engagement.

By aligning human resource strategies with business goals, the HR function has helped build a motivated workforce equipped to address the Company's aspirations while maintaining the highest standards of project execution excellence. Besides, the HR initiatives contribute to a positive work environment, ensuring compliance and promoting the professional growth of employees.

Our goal

To promptly deliver the right talent, maintain employee motivation in a positive work environment, and recognise efforts through regular performance appraisals, we aspire to achieve the Great Place to Work certification.

Our priorities

- Successfully implement the attendance module, recruitment, and performance management system as part of the new HRMS.
- Foster a culture of regular employee performance evaluations, providing feedback for necessary improvements.

Big numbers

587

Number of employees as of March 31, 2024

Retention rate, FY 2022-23

- Organise training programs based on employee needs, discussing measures to enhance skill development in terms of both scope and intensity. At the time of performance appraisals, job-specific skills are assessed by the appraiser and any identified gaps are addressed through targeted training initiatives.

Our HR practices

- Utilising recruitment strategies through LinkedIn, Naukri job portal, consultants and employee referrals.
- Organising employee engagement activities such as festival celebrations, departmental outings and birthday acknowledgments.
- Conducting annual performance assessments with salary increments every July.
- Implementing employee-friendly policies.

Initiatives taken, FY 2023-24

HRMS: The Company introduced a new HRMS software, currently in the testing and implementation phase.

Rewards and recognition: A Rewards and Recognition program was conducted to honour the Sales teams for their outstanding performance.

Celebrations: The Company organised Holi celebrations, which were enthusiastically participated in by the employees.

Open-door policy: An open-door policy is in place, empowering employees to

freely engage with their leaders when needed.

Learning: The Company is exploring the adoption of e-learning platforms to provide employees with learning opportunities based on their specific needs.

These initiatives not only helped improve the morale of employees but also helped adopt a defined path in line with the Company's vision and mission.

Hiring

Our recruitment focuses on the sales and engineering departments. Other departments, such as support services including Accounts, HR, and Administration, are staffed as needed to fill vacancies caused by employee exits.

Workforce evaluation: The recruitment process follows defined standards, where each functional head evaluates manpower needs and submits a formal request to the management for approval, including a job description and justification.

Shortlisting: Once approved, the HR department sources candidates through job portals, social media, and internal databases.

Interviewing, selection and hiring: Suitable candidates are interviewed, selected, and offered positions with compensation based on both internal structures and market conditions.

The hiring process at Arihant Superstructures

Our rewards and recognition approach

At Arihant Superstructures, employees are encouraged to perform at their best, and those who go above and beyond, demonstrating initiative and a willingness to take on additional challenges, are rewarded and provided growth opportunities.

Our equal opportunity recruitment policy

We employ individuals irrespective of their religious backgrounds; we maintain a policy of gender equality. Some 22% of our workforce comprises women; we prioritise the hiring of women whenever necessary.

EXCELLENCE DRIVER

How we strengthened our customer engagement in FY 2023-24

Overview

Customer relationship management (CRM) is vital at Arihant Superstructures as it builds lasting relationships with clients, ensuring satisfaction and loyalty. In a competitive industry, CRM helps the Company understand customer needs, address concerns promptly, and deliver personalised experiences.

The Company maintains open communication and trust with customers, enhancing customer retention, driving repeat business, building a positive brand reputation, and contributing to the Company's long-term success.

Our competitive strengths

The strength of our customer relationship management lies in post-booking support, which spans from the initial booking to the eventual possession of property, typically over a few years. During this time, clients rely on the CRM team for updates on construction progress and assistance with payment concerns, allowing the Company to track interactions and strengthen relationships.

Providing excellent customer service fosters loyalty and builds lasting relationships. Key to this process are strong listening skills and patience, especially when handling irate customers, particularly during delays caused by unforeseen events.

Challenges and how we mitigated them

During the year under review, the Company launched several projects, including Arihant Aspire Galenia, Catalina Towers and Arihant Adarsh. Most bookings during this period were in the form of Expression of Interest, where clients paid only a token amount. Unit confirmations were made after the EOI was converted into a booking. This phase witnessed a large volume of bulk bookings and numerous calls to multiple

relationship managers, which led to challenges for clients in understanding the subsequent payment details and milestones.

A welcome email was sent from the sales site office, providing clients with the contact details of their respective relationship managers. This proactive communication helped resolve the initial challenges, ensuring clients received official updates immediately after booking their unit. As a result, transparency improved.

Highlights, FY 2023-24

The Company increased its annual revenue by 10% through new customer acquisition and by another 10% through customer retention.

The Company encouraged collaborations between customer-facing departments, extending beyond silos and enabling effective customer service.

Outlook, FY 2024-25

The Company seeks to strengthen its customer relationship management by adopting new tools and continually enhancing customer service, reinforcing its brand image in the real estate sector.

Case study

Arihant Aakarshan: Providing 360-degree support to our clients

In the Arihant Aakarshan project, many clients booked units, and the respective registrations were completed with Arihant covering the stamp duty. However, due to unforeseen circumstances, the Company was unable to proceed with the project. In this situation, the CRM team played a crucial role in assisting the clients with transferring to other projects. Moreover, Arihant contributed to covering the stamp duty for these clients in the new project. Besides, for clients who faced difficulties in closing their previous loans taken for the Aakarshan units, Arihant provided assistance in loan closures, with the amounts adjusted in prospective milestones of the new projects.

EXCELLENCE DRIVER

How we strengthened our engineering process

■

14
Projects under operation/execution, FY 2023-24

■

Overview

The engineering function is critical to the success of Arihant Superstructures, as it drives the core of the Company's real estate projects from conception to completion. This department is responsible for ensuring technical excellence, structural integrity, and innovative design of each project, meeting both regulatory standards and client expectations. Their expertise directly impacts the quality, sustainability and safety of the developments, ultimately contributing to the Company's reputation for delivering high-quality, reliable real estate solutions.

Our strengths

The Company possesses the capability to manage large-scale projects.

■ ■

The Company possesses a skilled team and competent consultants.

■ ■

The Company benefits from a strategic presence in the MMRDA region.

■ ■

Challenges we faced and how we mitigated them

The Company faced a number of challenges with respect to its engineering function during the year under review. However, with the help of deriving priorities of various work fronts and improved fund allocations on a need basis, it was able to mitigate the same.

Unavailability of labour

The Company faced a shortage of skilled and unskilled manpower.

Mitigation: The Company appointed new vendors to the existing pool and brought aboard departmental manpower for the support and execution of assignments, which were missing in original contracts.

Uncertain weather

The Company encountered difficult weather conditions, affecting its operations.

Mitigation: These weather conditions will be mitigated with the help of a plan to avoid time losses in FY 2024-25.

Design changes

The Company faced mandatory design changes in projects due to weather conditions.

Mitigation: The Company implemented design changes promptly to avoid prospective operational delays.

Disputes

The Company faced disputes with contiguous land owners.

Mitigation: These disputes were settled with the help of joint meetings and settlements.

Raw material management

Government irregularities and changes in the management of raw materials from quarries posed a challenge to the Company's operations.

Mitigation: The Company sourced raw materials from new vendors or suppliers in proximity to raw material sources to ensure steady supply.

Material shortage

Shortage of materials and price increase was anticipated to affect the business.

Mitigation: The Company renegotiated rates with vendors; the price increase was minimised with the help of increased work volume.

Highlights, FY 2023-24

The Company developed strategic approaches for every high-rise project.

The Company mobilised a dedicated, capable and efficient engineering team.

The Company enhanced construction timelines by increasing worker productivity.

The Company recovered delays on certain projects through continuous monitoring.

Outlook, FY 2024-25

Moving forward, the Company will aim to identify opportunities to match the right talent with the right roles, harnessing the potential of young individuals and providing them with opportunities to excel in their areas of expertise. Besides, it will organise training programs to enhance skills of the engineering department. Furthermore, decentralisation will be implemented to improve efficiency across various departments.

Results of our effective engineering practices

Modular and prefabricated construction

- Faster construction timelines
- Enhanced construction quality and uniformity
- Lower labour demands
- Increased construction efficiency
- Minimised waste

Dedicated land surveyors for high-rise projects

- Greater dimensional accuracy
- Enhanced precision

Use of sustainable materials and practices

- Use of eco-friendly materials and practices such as recycled concrete, fly ash blocks, Aerocon blocks, sustainable and recycled steel.

EXCELLENCE DRIVER

How we strengthened our procurement discipline

Overview

Procurement plays a crucial role at Arihant Superstructures, influencing the quality, cost-efficiency and timely projects delivery. By sourcing the right materials at competitive prices and ensuring timely supply, the procurement team helps in maintaining project budgets and schedules.

Effective procurement also ensures the utilisation of quality materials, which is essential for building durable and sustainable structures. Moreover, strategic supplier relationships and efficient procurement practices enable the Company to mitigate risks related to material shortages and price fluctuations, supporting the successful execution of Arihant's real estate projects.

Challenges we faced and how we mitigated them

The Company encountered challenges related to indents, which included incorrect product codes, inaccurate material descriptions, mismatched GST percentages, and indents lacking timelines or due dates. Moreover, there was insufficient material planning from sites, leading to nearly every material request being treated as urgent. Furthermore, many vendors did not send invoices with the materials to the site, instead sending them to the office, which delayed billing, increased paperwork, and raised vendor costs for delivering invoices to the office.

The Company collaborated with the ERP team and instructed site store in-charges and project managers to undergo ERP training. The site project managers were directed to plan material requisitions in advance, ensuring that due dates were included in all indents and prioritising purchase order creation based on material needs. Vendors were instructed

to provide invoices at the site along with delivery challans so that the store in-charges could bring the complete set, including gate passes, to streamline the billing process and reduce time and extra effort.

Highlights, FY 2023-24

The Company launched new sites such as Advika, Avanti and World Villa

The Company prioritised new sales lounges, sample flats, show flats and experience centres.

The Company executed new show flats in record time during the year under review.

Our cost reduction initiatives

The two key initiatives taken by the Company to reduce costs of procurement included the following:

The Company identified new vendors who can supply materials at lower prices while maintaining or improving quality standards.

The Company created comparative price reports to evaluate current prices of similar products, ensuring that the materials were procured at the most competitive rates. This approach facilitates stronger negotiations with vendors.

The strengths of our procurement function

There are three components that comprise the foundation of our procurement strength: People, teamwork and negotiations.

The procurement head provides support in communication and renegotiation to successfully close deals.

Regular follow-ups and daily communication with the team are made to ensure smooth process flow and consistent progress.

Vendors are reminded about timely deliveries, which helps to ensure that materials arrive on schedule, hence, supporting the project completion targets.

Strong relationships are maintained with vendors, which allows us to secure fair deals at the best rates for our required products.

Our commitment to quality and the timely delivery of materials

Tests were conducted for materials such as steel, RMC and plywood.

Site visits ensured the quality of blocks, bricks, plywood and other materials.

Store in-charges were instructed to inspect and verify the quality of materials upon arrival and report issues to the procurement head.

In cases where the materials were damaged, they were rejected and replaced. Furthermore, timely delivery was maintained through regular follow-ups with vendors.

Key highlights

#1

The Company reduced the cost of Emcer Tiles through negotiations

#2

The Company switched from a local flooring tile vendor to a branded tile vendor, marked by better quality and lower price for all our major sites

Outlook, FY 2024-25

The Company intends to extend its core strengths into FY 2024-25. It will seek to maintain its consistency and improve efficiency through continuous efforts to minimise material costs and find new suppliers. The Company will upgrade its end-to-end software for faster turnarounds.

EXCELLENCE DRIVER

How we deepened our marketing capability

Overview

Marketing is essential to the success of Arihant Superstructures, as it drives brand visibility, attracts potential buyers and positions the Company competitively. Through strategic marketing, including digital campaigns, brand promotions and customer engagement, Arihant showcases projects, highlighting its commitment to quality, and timeliness. Effective marketing accelerates sales and enhances brand recognition ensuring sustained demand for its offerings.

Strengths

Knowledge: Well-rounded understanding of the target audience, competitors and local market trends.

Brand: Ability to craft an effective corporate and project brand identity.

Communication: Skill in conveying property value proposition to buyers.

Campaign: Designing effective marketing campaigns for the target audience comprising conventional and digital channels.

Relationships: Building and maintaining connections with the media, influencers, and trade partners.

Priorities

At Arihant Superstructures, we strengthened the following priorities:

Generating leads and sales: Driving inquiries and conversions through various marketing channels.

Brand building and reputation management: Strengthening brand image and ensuring a positive reputation.

Customer acquisition and retention:

Attracting new customers and building long-term relationships.

Market research: Staying updated with market trends and customer preferences.

Digital marketing optimisation:

Enhancing the return on investment (ROI) from digital marketing efforts.

Sales team support: Supplying effective marketing materials and resources to the sales team.

Challenges and how we mitigated them

Rising input costs

The increasing cost of construction materials, labour and overhead expenses increased property prices, impacting demand.

Mitigation: The Company identified specific buyer segments and customising the marketing messages helped mitigate economic uncertainty.

Changing consumer preferences

The pandemic boosted the demand for larger homes, remote working and smart home features, requiring marketing efforts to adapt to these shifting preferences.

Mitigation: The Company implemented clear and competitive pricing strategies, paired with open communication regarding cost escalations, which fostered trust among buyers.

Intense competition

The real estate market in Mumbai is competitive, with numerous developers competing for a limited pool of buyers.

Mitigation: The Company introduced projects featuring home offices, such as the O factor, and smart home integrations to align with the evolving consumer preferences.

Regulatory hurdles

Complex and frequently changing real estate regulations create challenges in both project execution and marketing strategies.

Mitigation: The Company invested in comprehensive digital marketing campaigns, including SEO, social media and content marketing, considering it essential.

Digital transformation

Although digital marketing became essential, many builders faced difficulties in keeping pace with the rapidly evolving digital landscape.

Mitigation: Effective CRM systems helped in nurturing leads and converting them into customers. The Company leveraged data analytics to decode consumer preferences, optimising marketing.

12

%, share of Arihant Superstructures in Navi Mumbai's real estate market

Highlights, FY 2023-24

During the year under review, the Company made significant progress with its marketing function.

The Company promoted the Sports City project, which revolved around a sports theme and engaged the community through activities and gifts aimed at enhancing their sports skills.

The Company successfully established the tallest tower in Taloja, positioning it as a neighbourhood landmark.

The Company launched Club 10 Gymkhana in Chowk-Karjat, supported by a broad out-of-home advertising campaign across Mumbai. The advertisements were placed in prime urban locations and proximate to the airport.

Transformation of the marketing function

Digital transformation

Increased reliance on digital channels:

The Company transitioned from traditional marketing methods such as print, TV and radio to digital platforms such as social media, websites and search engines.

Data-driven decision making: The Company utilised analytics to gain insights into customer behaviour, preferences and market trends, resulting in more targeted and impactful campaigns.

Customer centricity

Personalised marketing: The Company customised marketing offers and messages based on individual customer preferences and behaviour.

Enhanced customer experience: The Company emphasised customer satisfaction throughout the purchase process (initial inquiry to post-purchase support).

Building customer relationships: The Company cultivated long-term connections through loyalty programs, after-sales services, and community engagement.

Sustainability and ESG integration

Green marketing: The Company focused on eco-friendly characteristics of properties, promoting sustainable practices.

Social responsibility campaigns: The Company participated in community development projects, demonstrating the Company's dedication to corporate social responsibility.

Transparent communication: The Company provided clear information about the Company's sustainability initiatives and environmental impact.

Outlook, FY 2024-25

The Company seeks to enhance Navi Mumbai and Mumbai Metropolitan Region market share function through the following strategies:

Strengthening customer understanding

Improved customer profiling: Develop detailed customer segments to customise marketing efforts.

Customer journey analysis: Map the entire customer journey to identify key touchpoints and areas for enhancement.

Feedback systems: Establish regular surveys and feedback channels to gain insights into customer needs and preferences.

Upgrading technology

Artificial intelligence and machine learning: Leverage AI-driven tools for predictive analytics, customer segmentation, and personalised marketing strategies.

Virtual and augmented reality: Elevate property experiences using captivating technologies.

Data analytics: Utilise data to assess performance of marketing campaigns and optimise investments in the marketing function.

Building the brand

Brand storytelling: Build compelling narratives around the brand and projects.

Brand consistency: Communicate a unified brand message across all channels.

Public relations: Establish strong relationships with media and influencers in order to improve brand visibility.

Widening the digital footprint

SEO and content marketing: Enhance website visibility and attract organic traffic.

Social media optimisation: Improve customer engagement and reach a wide audience through effective social media campaigns.

Video marketing: Create engaging video content showcasing the Company's properties and related lifestyles.

Customer-centric approach

Personalised marketing: Craft customised messages and offers based on consumer preferences.

After-sales service: Offer outstanding customer support to establish loyalty.

Referral programs: Motivate satisfied customers to refer friends and family.

Measurement and optimisation

Key performance indicators (KPIs): Monitor relevant metrics to evaluate success of the marketing efforts.

A/B testing: Test various marketing strategies to determine the most effective approach.

Ongoing optimisation: Continuously assess the performance and implementation of improvements as needed.

Case study

Positioning Arihant's Sports City as a hub for active living in Taloja

Reality

Arihant's Sports City in Taloja entered a competitive real estate market where young professionals and families sought more than homes; they wanted a lifestyle centered on health and wellness. The challenge was to differentiate Sports City as a unique, sports-centric community that aligned with these aspirations.

Challenges

To stand out, the project needed to convey its unique value of 'sports-inspired living' and forge an emotional connection with fitness-conscious buyers. A specialised strategy was necessary to appeal directly to this target audience.

Outcomes

Rebranding and positioning: Sports City was repositioned as a destination for 'sports-inspired

living,' highlighting amenities like swimming pools, gyms, tennis courts and sports arenas. The branding consistently emphasised wellness and active living.

Digital marketing strategy: A comprehensive digital campaign included a microsite and active social media channels. Content like fitness tips, athlete interviews and virtual tours drove engagement and strengthened the project's online presence.

Results

- Sales growth
- Enhanced brand image
- Community development
- Positive word-of-mouth

Through strategic rebranding and digital outreach, Arihant positioned Sports City as a premier residential option in Taloja, offering not just homes, but an active lifestyle.

Our robust architecture and design framework

Overview

At Arihant Superstructures, architecture and design are fundamental to crafting distinctive living spaces that not only meet functional needs but also inspire and elevate the lifestyles of their residents. By prioritising innovative design and architecture, Arihant Superstructures

ensures that projects stand out in a competitive real estate market, offering more than just homes - aesthetic, sustainable, and efficient environments. These elements are critical in building brand value, enhancing customer satisfaction, and creating communities that reflect modern living while being in harmony with the environment.

Club 10 Gymkhana, hotel and world villas: Our standout project

The success of this project was driven by its rapid development, as it was conceptualised and approved within just eight months from start to finish.

Outlook, FY 2024-25

The Company intends to develop and design products which are into green building parameters for enhanced sustainability.

Our key competitive strengths

Challenges and counter-initiatives

The Company encountered a number of challenges, including the need to design several new projects from scratch, both in terms of layout and interior design.

To manage these challenges, the Company hired several freelancers and

expanded its internal team. Moreover, the Company partnered with multiple architectural firms for specialised tasks, helping in the distribution of workload. In parallel, our in-house teams worked efficiently to accelerate task completion and enhance overall productivity.

Highlights, FY 2023-24

The Company undertook the design of new projects including a gymkhana, hotel, and villas. Moreover, the Sports City, Arihant Adarsh, was an innovative concept, with five of six acres dedicated to open-air amenities.

The Company incorporated a diverse range of architectural styles, creating various products under modern and classical design approaches.

For the classical designs, the Company drew inspiration from Italian, Greek, Vitruvian and French architecture, bringing a sense of freshness and innovation to its offerings.

ESG resides at the core of our personality

Overview

Arihant's strategy is rooted in an Environment-Social-Governance (ESG) framework that drives sustainability. Our 'Go Green' vision is focused on enhancing operational safety, reinforcing environmental integrity and promoting responsible business practices.

Environment: The Company is engaged in conserving natural resources by minimizing virgin paper cum plastic

use in favour of recycled materials. It helps maintain ecological harmony by integrating sustainable choices across operations. The environmental initiatives emphasise resource efficiency, waste recycling, reduced dependence on finite fossil fuels, climate resilience and carbon footprint mitigation.

Social: The social aspect empowers people, nurturing the organisational culture, promoting customer relationships

and deepening corporate social responsibility.

Governance: The governance aspect comprises strategic clarity, ethical standards, balanced Board composition and alignment with UNSDG principles.

By integrating environmental, social and governance priorities, Arihant has created a robust platform for sustainable, long-term growth in the real estate industry.

Our environment commitment

Arihant is compliant with all relevant environmental, occupational health and safety laws and strives to exceed these standards whenever possible. The Company consistently focuses on reducing its carbon footprint, conserving water, minimizing waste and decreasing reliance on non-renewable resources. The Company's dedication to sustainability extends across the entire supply chain, from procurement to delivery and is reflected in our interactions with customers, suppliers, local communities and government entities.

Key environmental highlights, FY 2023-24

- Installed sewage treatment plants to recycle water for secondary uses like flushing and garden irrigation.
- Established a water treatment facility for safe drinking water.
- Implemented rainwater harvesting pits across projects to collect and store rainwater.
- Introduced drought-resistant horticultural species within our complexes to conserve water.
- Incorporated environmentally hazardous fly ash in concrete formulation; utilised AAC blocks containing fly ash for construction.
- Designed homes to maximise natural lighting and ventilation, reducing the need for artificial lighting and cooling.
- Installed organic waste composters across all projects.
- Deepened responsible solid waste management practices.

Our social commitment

As a leading real estate company, Arihant recognises the profound impact its operations have on communities and strives to enhance the quality of life in the regions it serves. The Company's initiatives include developing affordable housing projects that do not compromise on quality, thus supporting lower-income families in securing comfortable and sustainable living conditions.

Enhancing the work culture: The Company prioritises activities suitable to enhance employee work culture, including conducting activities such as festival celebrations, departmental outings and birthday acknowledgments. The Company also carries out annual performance assessments with salary increments released every July. The result of these initiatives was a 78.34% retention rate of the workforce in FY 2023-24, and a 31.61% increase in the overall workforce from 446 in FY 2022-23 to 587 in FY 2023-24. The Company also prioritises diversity

and inclusion with 22% of the workforce being comprised of women.

Contributing to the communities: Arihant engages in community development programs that focus on education, health, and safety, ensuring that its projects contribute positively to the socio-economic fabric of the community. The Company made investments in its CSR activities during the year under review, indicating a strong CSR focus of the Company.

Creating a safe workplace: Arihant prioritises workplace safety, ensuring that employees receive regular training and are kept up-to-date with the latest safety practices. The Company employs best-in-class systems and procedures, which are routinely audited by external agencies. Our holistic approach to safety is designed to make us a model organisation that all stakeholders are proud to be associated with.

Key safety highlights, FY 2023-24

- Conducted on-the-job safety training for all workers and employees.
- Implemented a digitalised work permit system to enhance operational safety.
- Launched a campaign focused on reporting and addressing near-miss incidents.
- Actively sought safety suggestions and feedback from the workforce.
- The dedicated P&M team was responsible for maintaining equipment safety and well-being.
- Installed water sprinklers on all sites to control dust.
- Implemented facility management services to maintain hygienic conditions.
- Adopted energy-efficient lighting and low VOC (volatile organic compound) paints and adhesives to promote a healthier environment.

Our governance commitment

At Arihant, we are committed to building a company that earns the trust of all stakeholders. This trust is built on a strong governance framework that defines how the Company is managed and grown. By maintaining transparency, we have attracted like-minded stakeholders and elevated our governance standards. Our governance practices include rules, processes and guidelines that enhance operational predictability.

Arihant's governance framework

To maximise long-term value creation, Arihant has invested in a comprehensive governance framework.

- Implemented an Internal Controls Framework (ICF) addressing function and activity risks and mitigating them through effective controls.
- Established a robust risk management framework to identify key risks impacting the Company, with continuous monitoring and reporting ensuring control effectiveness.

- Adopted robust policies for integrity in business operations, asset protection, timely preparation of financial information, accurate accounting records and fraud prevention and detection.

Board structure and committees

Effective Board leadership: Arihant's governance practices are driven by a Board composed of experienced professionals with diverse knowledge and competencies. The Board has delegated specific responsibilities to focused committees that report after each meeting.

Diverse Board composition: The Board comprises an optimal mix of Executive, Non-Executive and Independent Directors, with 50% of the Board being Independent Directors with experience in real estate, risk management and governance. Most Independent Directors attended all Board and Committee meetings during the year. The Company

established statutory and non-statutory committees at the Board level to address specific business issues.

Audit and compliance

At Arihant, we believe that business predictability stems from a strong review system. We have enhanced our audit and compliance processes to ensure the credibility of our financial reporting. We adopt a conservative stance on accounting treatments requiring interpretation, ensuring our reported figures are a faithful reflection of actual conditions. The Company is implementing a compliance tool to automate the tracking and management of regulatory requirements at both state and national levels.

Detailed presentations are made to institutional investors and financial analysts on the Company's unaudited quarterly and audited annual financial results. Additionally, operational updates are published after each quarter.

Our esteemed Board of Directors

Executive Directors

Ashok Chhajer

Chairman and Managing Director

With over 26 years in the real estate industry and previous experience spanning the textile, oil refinery, and real estate sectors, Mr. Chhajer brings a wealth of expertise to his role at Arihant. At Arihant, he oversees corporate strategy, project design, and land acquisition functions. He works relentlessly to ensure transparency, uphold corporate governance and manage stakeholder relationships.

Nimesh Shah

Whole-Time Director

A civil engineer with over 20 years of experience in construction and related fields, Mr. Shah is actively involved in all aspects of engineering, including planning and execution, project estimation, contracts, and site organisation. Previously a government-registered contractor in Maharashtra, he has collaborated with various entities in the real estate sector.

Parth Chhajer

Whole-Time Director

Mr. Chhajer worked briefly with the prominent capital markets group CLSA as part of its India Equity Research Team before joining ASL in 2018. In his current role, he is responsible for product development, marketing and sales strategy while being actively involved in the finance function. He holds a Bachelor of Science in Economics from Pennsylvania State University, USA.

Independent Directors

R.N. Bhardwaj

Independent Director

A former Chairman and Managing Director of the Life Insurance Corporation of India, Mr. Bhardwaj possesses extensive experience in economics and the BFSI sector. He served as a former Member of the Securities Appellate Tribunal under the Government of India and the Ministry of Finance.

Mr. Pramod Deshpande

Independent Director

Mr. Deshpande commenced his career at the semi-government Corporation of Maharashtra, in MIDC in 1984. Throughout his tenure, he served in various departments, including Architecture and Planning and worked in SEZ, DMICDC, and other divisions. He retired from MIDC as an Associate Architect, a Class I officer, in December 2016.

Mrs. Namrata Thakker

Independent Director

She is a co-founder of several companies, including CapSavvy, HappySoul, and Cap70 Angels. With over 25 years of experience across 40 different industries, she is also the founder of Entrepreneur Excel. Her focus lies in mentorship and making meaningful contributions to society and the environment in every possible way.

Management discussion and analysis

Global economy overview

Global economic growth declined from 3.5% in 2022 to an estimated 3.1% in 2023. A disproportionate share of global growth in 2023-24 is expected to come from Asia, despite the weaker-than-expected recovery in China, sustained weakness in USA, higher energy costs in Europe, weak global consumer sentiment on account of the Ukraine-Russia war, and the Red Sea crisis resulting in higher logistics costs. A tightening monetary policy translated into increased policy rates and interest rates for new loans.

Growth in advanced economies is expected to slow from 2.6% in 2022 to

1.5% in 2023 and 1.4% in 2024 as policy tightening takes effect. Emerging market and developing economies are projected to report a modest growth decline from 4.1% in 2022 to 4.0% in 2023 and 2024. Global inflation is expected to decline steadily from 8.7% in 2022 to 6.9% in 2023 and 5.8% in 2024, due to a tighter monetary policy aided by relatively lower international commodity prices. Core inflation decline is expected to be more gradual; inflation is not expected to return to target until 2025 in most cases. The US Federal Reserve approved a much-anticipated interest rate hike that took the benchmark borrowing costs to their highest in more than 22 years.

Global trade in goods was expected to have declined nearly US\$2 trillion in 2023; trade in services was expected to have expanded US\$500 billion. The cost of Brent crude oil averaged \$83 per barrel in 2023, down from \$101 per barrel in 2022, with crude oil from Russia finding destinations outside the European Union and global crude oil demand falling short of expectations.

Global equity markets ended 2023 on a high note, with major global equity benchmarks delivering double-digit returns. This outperformance was led by a decline in global inflation, slide in the dollar index, declining crude and higher expectations of rate cuts by the US Fed and other Central banks.

Regional growth (%)	2023	2022
World output	3.1	3.5
Advanced economies	1.69	2.5
Emerging and developing economies	4.1	3.8

(Source: UNCTAD, IMF)

Performance of major economies, 2023

United States Reported GDP growth of 2.5% in 2023 compared to 1.9% in 2022	China GDP growth was 5.2% in 2023 compared to 3% in 2022	United Kingdom GDP grew by 0.4% in 2023 compared to 4.3% in 2022	Japan GDP grew 1.9% in 2023 unchanged from a preliminary 1.9% in 2022	Germany GDP contracted by 0.3% in 2023 compared to a growth of 1.8% in 2022

Outlook

Asia is expected to continue to account for the bulk of global growth in 2024-25. Inflation is expected to ease

gradually as cost pressures moderate; headline inflation in G20 countries is expected to decline. The global economy has demonstrated resilience amid high

inflation and monetary tightening, growth around previous levels for the next two years.

(Source: World Bank)

Indian economy overview

The Indian economy was estimated to grow 7.8% in the 2023-24 fiscal against 7.2% in 2022-23 mainly on account of the improved performance in the mining and quarrying, manufacturing and certain segments of the services sector. India retained its position as the fifth largest economy. The Indian rupee displayed relative resilience compared to the previous year; the rupee opened at Rs. 82.66 against the US dollar on

the first trading day of 2023 and on 27 December was Rs. 83.35 versus the greenback, a depreciation of 0.8%.

In the 11 months of FY 2023-24, the CPI inflation averaged 5.4% with rural inflation exceeding urban inflation. Lower production and erratic weather led to a spike in food inflation. In contrast, core inflation averaged at 4.5%, a sharp decline from 6.2% in FY 2022-23. The softening of global commodity prices led to a moderation in core inflation.

The nation's foreign exchange reserves achieved a historic milestone, reaching \$645.6 billion. The credit quality of Indian companies remained strong between October 2023 and March 2024 following deleveraged Balance Sheets, sustained domestic demand and government-led capital expenditure. Rating upgrades continued to surpass rating downgrades in H2 FY 2023-24. UPI transactions in India posted a record 56% rise in volume and 43% rise in value in FY 2023-24.

Growth of the Indian economy

Growth of the Indian economy quarter by quarter, FY 2023-24

	Q1 FY24	Q2 FY24	Q3 FY24	Q4 FY24
Real GDP growth (%)	8.2	8.1	8.4	7.8

(Source: Budget FY24; Economy Projections, RBI projections, Deccan Herald)

The FY 2023-24 growth in the economy was the highest since FY 2016-17, excluding the 9.7% post covid rebound in gross domestic product (GDP) in FY 2021-22 from the 5.8% contraction in FY 2020-21.

India's monsoon for 2023 hit a five-year low. August was the driest month in a century. From June to September, the country received only 94% of its long-term average rainfall. Despite this reality, wheat production was expected to touch a record 114 million tonnes in the 2023-24 crop year on account of higher coverage. Rice production was expected to decline to reach 106 million metric tons (MMT) compared with 132 million metric tonnes in the previous year. Total kharif pulses production for 2023-24 was estimated at 71.18 lakh metric tonnes, lower than the previous year due to climatic conditions.

As per the first advance estimates of national income released by the National Statistical Office (NSO), the manufacturing sector output was estimated to grow 6.5% in 2023-24 compared to 1.3% in 2022-23. The Indian mining sector growth was estimated at 8.1% in 2023-24 compared to 4.1% in 2022-23. Financial services,

real estate and professional services were estimated to record a growth of 8.9% in 2023-24 compared to 7.1% in FY 2022-23.

Real GDP or GDP at constant prices in 2023-24 was estimated at Rs. 171.79 lakh crore as against the provisional GDP estimate of 2022-23 of Rs. 160.06 lakh crore (released on 31st May, 2023). Growth in real GDP during 2023-24 was estimated at 7.3% compared to 7.2% in 2022-23. Nominal GDP or GDP at current prices in 2023-24 was estimated at Rs. 296.58 lakh crore against the provisional 2022-23 GDP estimate of Rs. 272.41 lakh crore. The gross non-performing asset ratio for scheduled commercial banks dropped to 3.2% as of September 2023, following a decline from 3.9% at the end of March 2023.

India's exports of goods and services were expected to touch \$900 billion in 2023-24 compared to \$770 billion in the previous year despite global headwinds. Merchandise exports were expected to expand between \$495 billion and \$500 billion, while services exports were expected to touch \$400 billion during the year. India's net direct tax collection increased 19% to Rs. 14.71

lakh crore by January 2024. The gross collection was 24.58% higher than the gross collection for the corresponding period of the previous year. Gross GST collection of Rs. 20.2 lakh crore represented an 11.7% increase; average monthly collection was Rs. 1,68,000 crore, surpassing the previous year's average of Rs. 1,50,000 crore.

The agriculture sector was expected to see a growth of 1.8% in 2023-24, lower than the 4% expansion recorded in 2022-23. Trade, hotel, transport, communication and services related to broadcasting segment are estimated to grow at 6.3% in 2023-24, a contraction from 14% in 2022-23. The Indian automobile segment was expected to close FY 2023-24 with a growth of 6-9%, despite global supply chain disruptions and rising ownership costs.

The construction sector was expected to grow 10.7% year-on-year from 10% in 2023-23. Public administration, defence and other services were estimated to grow by 7.7% in 2023-24 compared to 7.2% in FY 2022-23. The growth in gross value added (GVA) at basic prices was pegged at 6.9%, down from 7% in 2022-23.

India reached a pivotal phase in its S-curve, characterised by acceleration in urbanisation, industrialisation, household incomes and energy consumption. India emerged as the fifth largest economy with a GDP of US\$3.6 trillion and nominal per capita income of Rs. 123,945 in 2023-24.

India's Nifty 50 index grew 30% in FY 2023-24 and India's stock market emerged as the world's fourth largest with

a market capitalisation of US\$4 trillion. Foreign investment in Indian government bonds jumped in the last three months of 2023. India was ranked 63 among 190 economies in the ease of doing business, according to the latest World Bank annual ratings. India's unemployment declined to a low of 3.2% in 2023 from 6.1% in 2018.

Outlook

India withstood global headwinds in 2023 and is likely to remain the world's fastest-growing major economy on the back of growing demand, moderate inflation, stable interest rates and robust foreign exchange reserves. The Indian economy is anticipated to surpass \$4 trillion in 2024-25.

Union Budget FY 2024-25

The Interim Union Budget 2024-25 retained its focus on capital expenditure spending, comprising investments in infrastructure, solar energy, tourism, medical ecosystem and technology. In

2024-25, the top 13 ministries in terms of allocations accounted for 54% of the estimated total expenditure. Of these, the Ministry of Defence reported the highest allocation at Rs. 6,21,541 crore, accounting for 13% of the total budgeted expenditure of the central government.

Other ministries with high allocation included Road transport and highways (5.8%), Railways (5.4%) and Consumer Affairs, food and public distribution (4.5%).

Indian real estate sector overview

The Indian real estate market reached a size of US\$ 280.4 billion in 2023 and it is further anticipated to grow at a compound annual growth rate (CAGR) of 8.03% from 2024 to 2032, reaching a market size of US\$ 562.0 billion by 2032. This growth can be attributed to the escalating demand for residential properties driven by rapid urbanisation and rising disposable incomes. Additionally, the increasing need for modern office spaces and the emerging trend of urban and semi-urban lodging are significant growth-inducing factors.

In 2023, the Indian real estate market experienced an unprecedented surge, setting new records and attracting significant investor interest. Inflows reached \$5.1 billion, with land acquisitions making up 40%. Domestic developers led the way, capturing 42% of overall investments. This dynamic market now offers vast opportunities for both domestic and international investors.

As of the fiscal year 2019-2020, NRIs accounted for approximately 10% of total real estate market investments. This figure has since increased to about 15% last year and is projected to reach 20% by the end of 2025.

The Union Budget has been crucial in shaping the real estate industry's direction. The sector has benefited from the growing demand for affordable housing through the expansion of the Affordable Housing Program, increased PMAY allocation and higher income tax deduction limits for home loan interest. These measures have provided a significant boost to the industry.

Government initiatives for the Indian estate sector

Smart Cities mission: For the fiscal year 2025, the smart cities mission has been allocated a substantial budget of Rs. 2,400 crore. This significant investment is aimed at accelerating the development of smart cities across India, enhancing infrastructure, and implementing innovative solutions to improve urban living standards.

AMRUT: It received a substantial allocation of Rs. 8,000 crore for 2023-24. The total indicative outlay for AMRUT 2.0 is a significant Rs. 2,99,000 crore. This comprehensive funding includes

a central share of Rs. 76,760 crore, which will be disbursed over five years, from FY 2021-22 to FY 2025-26.

This substantial investment underscores the commitment to transforming urban infrastructure and enhancing the quality of life in cities across India.

MoHUA: The Ministry of Housing and Urban Affairs (MoHUA) has been allocated Rs. 82,576.57 crore for 2024-25, representing a 19.2% increase from the revised estimate of Rs. 69,270.72 crore for 2023-24.

The Pradhan Mantri Awas Yojana: The government has announced plans to provide three crore additional houses in both rural and urban areas, with

allocations currently being made. Under PM Awas Yojana Urban 2.0, an investment of Rs. 10 lakh crore will address the housing needs of 1 crore urban poor and middle-class families. This plan includes central assistance of Rs. 2.2 lakh crore over the next five years and provisions for interest subsidies to ensure affordable loan rates.

Capital expenditure: The government has allocated Rs. 11.11 lakh crore for capital expenditure, representing 3.4% of GDP, which will be directed towards infrastructure development. This funding will support new power projects and transportation networks for 2024-25.

Residential real estate sector overview

The residential real estate sales in 2023 reached their highest since 2013, with a 33% annual growth. A total of 4.1 lakh units were sold in the top eight cities. In 2023, new supply reached an all-time high with 5.2 lakh units launched, compared to 4.3 lakh units in 2022.

In 2023, the Mumbai region led in sales with 86,871 units, showing a 2% growth. Kolkata experienced the highest percentage increase in home sales at

16%, followed by Ahmedabad with a 15% increase and Pune with a 13% rise. The residential real estate market is expected to see a significant influx of new launches, with an estimated 280,000 to 290,000 units in 2024.

Hyderabad witnessed the highest residential price surge among major Indian cities, with an 11% year-on-year increase. Mumbai, Bengaluru, and Kolkata followed with a 7% increase each. NCR and Pune experienced price rises of 6% and 5%, respectively. Chennai and Ahmedabad recorded

more modest increases, with residential prices rising by 4% each for the year 2023.

Real estate in Tier II and III cities is poised for significant growth, driven by the government's renewed focus on infrastructure development and enhanced connectivity. Projects such as highways, airports, and metro systems are expected to stimulate substantial real estate growth in these emerging markets.

Item No. 05: To consider and approve the matter of raising funds through issuance of securities up to Rs. 1200 Cr.

To consider and, if thought fit, to pass the following resolution as a Special Resolution:

"RESOLVED THAT, pursuant to provisions of Sections 23, 42, 62 and 71, read with provisions of Section 180 and other applicable provisions, if any, of the Companies Act 2013, and the applicable rules framed thereunder (including the Companies

(Prospectus and Allotment of Securities) Rules, 2014 and the Companies (Share Capital and Debentures) Rules, 2014), including any amendment(s) or statutory modification(s) or reenactment(s) thereof for the time being in force ("Companies Act") read with the provisions of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended from time to time, and will include any further revisions or amendments as applicable from time to time ("SEBI ICDR Regulations"), the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time ("SEBI Listing Regulations"), the Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021 and the provisions of the Foreign Exchange Management Act, 1999 and the regulations made thereunder including the Foreign Exchange Management (Non-debt Instruments) Rules, 2019, the Consolidated FDI Policy issued by the Department for Promotion of Industry and Internal Trade, Ministry of Commerce and Industry, Government of India from time to time, each as amended, the Issue of Foreign Currency Convertible Bonds and Ordinary Shares (Through Depository Receipt Mechanism) Scheme, 1993 or the Depository Receipt Scheme, 2014 as amended from time to time ("FEMA Regulations") and such other statutes, notifications, clarifications, circulars, rules, regulations, as may be applicable and relevant or guidelines promulgated or issued from time to time by the Ministry of Finance, Ministry of Corporate Affairs ("MCA"), Government of India ("GOI"), the Reserve Bank of India ("RBI"), Real Estate Regulatory Authority ("RERA"), the Securities and Exchange Board of India ("SEBI"), the stock exchanges where the Equity Shares of the Company are listed ("Stock Exchanges"), Registrar of Companies, Mumbai ("ROC") and any other appropriate authorities, institutions or bodies in India or abroad, as may be applicable and in accordance with the enabling provisions of the Memorandum and Articles of Association of the Company and the listing agreements entered into by the Company with each of the Stock Exchanges and subject to such approvals, consents, permissions and sanctions, if any, required from the GOI, RBI, RERA, MCA, SEBI, ROC, Stock Exchanges and any other appropriate authorities, institutions or bodies in India or abroad, as may be necessary and in supersession of any previous resolutions passed in this regard, and subject to such terms, conditions or modifications as may be prescribed or imposed by any of them while granting any such approval, consent, permission, and/or sanction, which may be agreed to/ accepted by the Board of Directors (hereinafter referred to as the "Board" which term shall deem to include any committee thereof, constituted or to be constituted to exercise its powers conferred by this resolution), consent of the Members be and is hereby accorded to the Company in its absolute discretion, to create, offer, issue and allot (including with provisions for reservation on firm and/or competitive basis, of such part of issue and for such categories of persons including employees of the Company as may be permitted), with or without a green shoe option, either in India or in the course of international offering(s) in one or more foreign markets, such number of Equity Shares, Global Depository\

Receipts ("GDRs"), American Depository Receipts ("ADRs"), Foreign Currency Convertible Bonds ("FCCBs"), non-convertible debentures with or without warrants, preference shares whether or not convertible into Equity Shares, other financial instruments convertible into Equity Shares (including warrants or otherwise, in registered or bearer form), any security convertible into Equity Shares with or without voting/special rights, securities linked to Equity Shares and/or securities with or without detachable warrants with right exercisable by the warrant holders to convert or subscribe to Equity Shares, including the issue and allotment of Equity Shares pursuant to a green shoe option, if any (all of which are hereinafter collectively referred to as "Securities") or any combination of Securities, up to Rs. 1200 Crores (Rupees One Thousand Two Hundred Crores only) or equivalent thereof in one or more foreign currencies and/or Indian rupees, inclusive of such premium as may be fixed on such Securities by offering the Securities in one or more countries through one or more of the permissible modes including but not limited to preferential issue, private placement and Qualified Institutional Placement ("QIP"), Follow on Public Offer ("FPO") or a combination thereof at such time or times, at such price or prices, at a discount or premium to market price or prices in such manner and on such terms and conditions as may be mentioned in the prospectus and/or offer document and/or placement document and/or private placement offer letter (along with the application form) and/or such other documents/ writings/ circulars/ memoranda to be issued by the Company in respect of the proposed issue, as permitted under applicable laws and regulations, in such manner, in one or more tranches, whether Indian rupee denominated or denominated in foreign currency, to residents and/or non-residents and/or Indian and/or multilateral financial institutions/banks and/or incorporated bodies and/or individuals and/or trustees and/or stabilizing agent or otherwise, Qualified Institutional Buyers as defined under the SEBI ICDR Regulations ("QIBs") including resident and/or Non-resident/foreign investors (whether institutions and/or incorporated bodies and/or trusts or otherwise), Foreign Portfolio Investors ("FPI's"), Companies/Mutual Funds/Pension Funds/Venture Capital Funds/Banks, alternative investment funds, insurance companies, to all or any other category of investors who are authorized to invest in the Securities of the Company as per extant regulations/guidelines or any combination of the above (whether or not such investors are Members of the Company, to all or any of them, jointly and/or severally), as may be deemed appropriate by the Shareholders at its absolute discretion including the discretion to determine the categories of investors to whom the offer, issue and allotment shall be made to the exclusion of other categories of investors at the time of such offer, issue and allotment considering the prevailing market conditions and other relevant factors and wherever necessary in consultation with book running lead manager(s) and/or underwriter(s) and/or other advisor(s) appointed by the Company and the terms of the issuance as may be permitted by SEBI, the Stock Exchanges, RBI, MCA, GOI, ROC, RERA or any other concerned governmental / statutory / regulatory authority in India or abroad, together with any amendments and modifications thereto, either in foreign currency or equivalent Indian Rupees inclusive of such premium as may be determined by the Board, in any convertible foreign currency, as the Board at

its absolute discretion may deem fit and appropriate, and as may be permitted under applicable law from time to time ("Issue")."

"RESOLVED FURTHER THAT, in pursuance of the aforesaid resolution, the Securities to be created, offered, issued, and allotted shall be subject to the provisions of the Memorandum and Articles of Association of the Company, as updated and the Equity Shares, as may be created, offered, issued and allotted under the Issue or allotted upon conversion of the equity linked instruments issued by the Company shall rank pari-passu with the existing Equity Shares of the Company in all respects including dividend with the existing Equity Shares of the Company.

"RESOLVED FURTHER THAT, without prejudice to the generality of the above, subject to applicable laws and subject to approval, consents, permissions, if any, of any governmental body, authority or regulatory institution including any conditions as may be prescribed in granting such approval or permissions by such governmental authority or regulatory institution, the aforesaid Securities may have such features and attributes or any terms or combination of terms that provide for the tradability and transferability thereof in accordance with the applicable laws & prevailing practices in the capital markets including but not limited to the terms and conditions for issue of additional securities and the Board subject to applicable laws, regulations and guidelines be and is hereby authorized in its absolute discretion in such manner as it may deem fit, to dispose of such securities that are not subscribed, without seeking further approval of the members in this regard.

"RESOLVED FURTHER THAT, the issue and allotment of securities, if any, made to NRIs, FPIs and/or other eligible foreign investors pursuant to this resolution shall be subject to the limits and conditions prescribed under the Foreign Exchange Management Act, 1999 as may be applicable but within the overall limits as set forth thereunder.

"RESOLVED FURTHER THAT, the approval of the Shareholders of the Company be and is hereby accorded to issue and allot such number of Equity Shares as may be required to be issued and allotted under the Issue or to be allotted upon conversion of any Securities or as may be necessary in accordance with the terms of the Issue.

"RESOLVED FURTHER THAT, the approval of the Shareholders of the Company be and is hereby accorded to open one or more bank accounts in the name of the Company, as may be required, subject to requisite approvals, if any, and to give such instructions including closure thereof as may be required and deemed appropriate by the Board."

"RESOLVED FURTHER THAT, for the purpose of giving effect to the above resolutions, the Board (or committee appointed by it thereof) be and is hereby authorized to do all such acts, deeds, matters and things including but not limited to finalization and approval of the preliminary as well as final offer document(s), determining the form and manner of the issue, including the class of investors to whom the Securities are to be issued and allotted, the date of opening and closing of the Issue, number of Securities to be allotted, issue price, face value, premium amount on issue/conversion of the Securities, if any, rate of interest, redemption

period, listings on one or more stock exchanges, execution of various transaction documents, creation of mortgage/ charge in accordance with Section 180(1)(a) of the Companies Act, 2013, in respect of any Securities as may be required either on pari-passu basis or otherwise, approve and finalize the bid cum application form and confirmation of allocation notes, seek any consents and approvals as may be required, provide such declarations, affidavits, certificates, consents and/or authorities as required from time to time, finalize utilization of the proceeds of the Issue, give instructions or directions and/or settle all questions, difficulties or doubts that may arise at any stage from time to time, and give effect to such modifications, changes, variations, alterations, deletions, additions as regards the terms and conditions as may be required by the SEBI, the Stock Exchanges, the MCA, the book running lead manager(s), or other authorities or intermediaries involved in or concerned with the Issue and as the Board may in its absolute discretion deem fit and to settle all questions, difficulties or doubts that may arise in regard to the issue, offer or allotment of Securities and utilization of the issue proceeds as it may in its absolute discretion deem fit without being required to seek any further consent or approval of the Shareholders or otherwise to the end and intent that the Shareholders shall be deemed to have given their approval thereto expressly by the authority of this resolution, and all actions taken by the Board to exercise its powers, in connection with any matter(s) referred to or contemplated in any of the foregoing resolutions be and are hereby approved, ratified and confirmed in all respects.”

“RESOLVED FURTHER THAT, the Board be and is hereby authorized to do such acts, deeds and matters as may be necessary and also to delegate all or any of the powers conferred on them by or under this resolution to any Director(s), committee(s), executive(s), officer(s) or representatives(s) of the Company or to any other person to do all such acts, deeds, matters and things and also to execute such documents, writings etc., as it may consider appropriate in order to give effect to this Resolution, Exchanges, the MCA, the book running lead manager(s), or other authorities or intermediaries involved in or concerned with the Issue and as the Board may in its absolute discretion deem fit and to settle all questions, difficulties or doubts that may arise in regard to the issue, offer or allotment of Securities and utilization of the issue proceeds as it may in its absolute discretion deem fit without being required to seek any further consent or approval of the Members or otherwise to the end and intent that the Members shall be deemed to have given their approval thereto expressly by the authority of this resolution, and all actions taken by the Members to exercise its powers, in connection with any matter(s)

referred to or contemplated in any of the foregoing resolutions be and are hereby approved, ratified and confirmed in all respects.”

“RESOLVED FURTHER THAT, the Board be and is hereby authorized to engage/appoint the Book Running Lead Manager, Legal Advisors, Underwriters, Guarantors, Depositories, Custodians, Registrars, Stabilizing Agent, Trustees, Bankers, Advisors and all such agencies as may be involved or concerned in such offerings of Securities and to remunerate them by way of commission, brokerage, fees, costs, charges or the like and also to enter into and execute all such arrangements, agreements, memoranda, documents, certificates, declarations, undertakings, applications etc. with such agencies and to seek the listing of such Securities on one or more national and/or international stock exchange(s).

Item No. 06: To approve the proposed Material Related Party Transactions for the Financial Year 2024-25:

To consider and, if thought fit, to pass the following resolution as an **Ordinary Resolution**:

“RESOLVED THAT, pursuant to the Regulation 23 and other applicable provisions if any of SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015 (“SEBI LODR Regulations”), and other applicable provisions, if any, of the Companies Act, 2013, (including any statutory modification(s) or re-enactment(s) thereof and any rules thereunder for the time being in force), and subject to such other approvals, sanctions, consents and permissions as may be deemed necessary and pursuant to the approval of the Audit Committee and Board of Directors of the Company the consent of the Shareholders be and is hereby accorded to the Board of Directors of the Company, (which term shall be deemed to include any Committee constituted / to be constituted / empowered by the Board from time to time to exercise its powers conferred by this resolution) to enter into arrangements / transactions/ contracts (whether by way of an individual transaction or transactions taken together or series of transactions whether in tranches or otherwise) between the Company and related parties under Regulation 2(1)(zb) of the SEBI LODR Regulations (‘Related Party’), as detailed in the table forming part of the Explanatory Statement annexed herewith, on such terms and conditions as may be agreed between the Company/ its Subsidiaries and Related Party;”

“RESOLVED FURTHER THAT the Board be and is hereby authorised, to do and perform all such acts, deeds, matters and things, as may be necessary, including finalising the terms and conditions, methods and modes in respect thereof

and finalising and executing necessary documents, including contract(s), scheme(s), agreement(s) and such other documents, file applications and make representations in respect thereof and seek approval from relevant authorities, including Governmental/regulatory authorities, as

applicable, in this regard and deal with any matters, take necessary steps as the Board may, in its absolute discretion deem necessary, desirable or expedient, to give effect to this resolution and to settle any question that may arise in this regard and incidental thereto;

“RESOLVED FURTHER THAT the Board, be and is hereby authorised to delegate all or any of the powers herein conferred, to any Director(s), Chief Financial Officer, or any other Officer(s)/ Authorised Representative(s) of the Company, to do all such acts, deeds, matters and things and take such steps, as may be considered necessary or expedient, to give effect to the aforesaid resolution(s);

“RESOLVED FURTHER THAT all actions taken by the Board or any person so authorized by the Board, in connection with any matter referred to or contemplated in any of the foregoing resolutions, be and are hereby approved, ratified and confirmed in all respects without any further reference to the Members.

Notes:

1. Explanatory Statement

The Explanatory Statement pursuant to Section 102 and other applicable provisions of the Companies Act, 2013 ('Act') in respect of special business of this Notice proposed to be transacted at the AGM and relevant information of this Notice, as required under Regulation of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI LODR Regulations') and Secretarial Standard-2 on General Meetings issued by the Institute of Company Secretaries of India ('SS-2'), are annexed hereto.

2. Convening of Annual General Meeting through Video Conferencing / Other Audio Visual Means facility

In accordance with General Circular Nos. 14/2020, 17/2020, 20/2020, 22/2020, 33/2020, 02/2021, 19/2021, 21/2021, 2/2022, 10/2022, 11/2022 and 09/2023 dated April 08, 2020, April 13, 2020, May 05, 2020, June 15, 2020, September 28, 2020, January 13, 2021, December 08, 2021, December 14, 2021, May 05, 2022, December 28, 2022 and September 25, 2023 respectively, issued by the Ministry of Corporate (collectively referred to as 'MCA Circulars'), the Securities and Exchange Board of India ('SEBI') Circular Nos. SEBI/HO/CFD/CMD1/ CIR/P/2020/79 dated May 12, 2020 and SEBI/HO/CFD/ CMD2/CIR/P/2021/11 dated January 15, 2021, Circular No. SEBI/HO/CFD/ CMD2/CIR/P/2022/62 dated May 13, 2022, Circular No. SEBI/HO/CFD/PoD-2/CIR/P/2023/4 dated January 05, 2023 and Circular No. SEBI/HO/CFD/CFD-PoD-2/P/CIR/2023/167 dated 7 October 2023, as amended from time to time (collectively referred to as 'SEBI Circulars') and in compliance with the provisions of the Companies Act, 2013 ('Act') and SEBI LODR Regulations, the 41st Annual General Meeting of the Company ('AGM' or 'Meeting') is being conducted through Video Conferencing ('VC') / Other Audio Visual Means ('OAVM') facility, which does not require physical presence of the Members at a common venue. Hence, the Members are requested to attend and participate at the ensuing AGM through VC / OAVM facility being provided by the Company through National Securities Depository Limited ('NSDL'). The deemed venue for the AGM shall be the Registered Office of the Company.

3. Dispatch of Notice and Annual Report through electronic means and inspection of documents

In terms of Section 101 and 136 of the Act, read with Rules made thereunder and Regulation 36 of the SEBI LODR Regulations, as amended from time to time, the listed companies may send the Annual Report and the Notice of AGM by electronic mode. Pursuant to the said provisions of the Act read with MCA Circulars and SEBI Circular, electronic copy of the Notice of 41st AGM along with the Annual Report for the Financial Year 2023-24 is being sent

to all the Members whose e-mail addresses are registered with the Company/ RTA/ Depository Participant(s). Members may note that the Notice and Annual Report 2023-24 will also be available on the Company's website www.asl.net.in, website of the stock exchanges i.e. BSE Limited (www.bseindia.com) and on website of the e-voting platform i.e. NSDL (<https://www.evoting.nsdl.com>).

Members may note that relevant documents referred to in the Notice and other documents as required under applicable laws shall be made available for inspection in accordance with applicable statutory requirement based on request received by the Company at cfo@asl.net.in

For Members who have not received the Notice of 41st AGM along with the Annual Report for Financial Year 2023-24 due to change/ non-registration of their e-mail address with the Company/ RTA/ Depository Participant(s), they may request for the said Notice and Annual Report, by sending an email at cfo@asl.net.in. Post receipt of such request and verification of details of the Member, the Member would be provided a soft copy of the said Notice and Annual Report. It is clarified that for registration of email address, the Members are however requested to follow due procedure for registering their e-mail address with the Company/ RTA in respect of physical holdings and with the Depository Participant(s) in respect of electronic holdings. Those Members who have already registered their e-mail addresses are requested to keep their e-mail addresses valid with their Depository Participant(s)/ RTA/ Company to enable servicing of notices/ documents/ Annual Reports electronically to their email address.

The Members who have not received any communication regarding this AGM for any reason whatsoever, and are eligible to vote, are also entitled to vote, may obtain the User ID and password or instructions for remote e-voting by contacting the Company at cfo@asl.net.in or NSDL at evoting@nsdl.com.

The date to determine eligible shareholders for sending Notice is 26th August 2024. Any person becoming Member of the Company after the dispatch of Notice of the AGM may obtain the user ID and password by referring to the e-voting instructions attached to this Notice and also available on the Company's website www.asl.net.in and the website of NSDL www.evoting.nsdl.com. Alternatively, Member may send a request providing their email address, mobile number and self-attested PAN copy via email to cfo@asl.net.in for obtaining the Notice of 41st AGM and Annual Report.

4. Quorum

The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Act. The Members can join the AGM in the VC/ OAVM mode 15 minutes before the scheduled time of the commencement of the AGM. The Company may close the window for joining the VC/ OAVM

facility 15 minute after the scheduled time of start of the AGM. The facility of participation at the AGM through VC/ OAVM will be made available on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee and Auditors, who are allowed to attend the AGM without restriction as provided in the MCA Circulars

5. Scrutinizer

The Board of Directors, at its Meeting held on Friday August 09, 2024, has appointed Ms. Rachana Shanbhag (Membership No FCS 8227/ CP 9297), RHS & Associates, as the Scrutinizer to scrutinize the remote e-voting and e-voting at the AGM in a fair and transparent manner. The Scrutinizer will submit the report to the Chairman of the Meeting/ Company Secretary/ Whole-Time Director & Chief Executive Officer of the Company after completion of the scrutiny of the remote e-voting and e-voting at the AGM. The results will be announced by the Chairman of the Meeting/ Company Secretary/ Whole Time Director & Chief Executive Officer of the Company within 2 (two) working days from the conclusion of the AGM and will be posted on the Company's website and will also be posted on the website of NSDL at www.evoting.nsdl.com. The results shall also be intimated to the Stock Exchange where the securities of the Company are listed

6. Registrar and Share Transfer Agent and Investor Services Department

The Company's Registrar and Share Transfer ("RTA") is Adroit Corporate Services Private Limited. In addition to the RTA, our Company is happy to assist in case of any difficulties being experienced by the Members in their interaction with the RTA. For any communication, the Members may send an e-mail to the cfo@asl.net.in.

7. Registers

Electronic copies of all the documents referred to in the accompanying Notice of the AGM and the Explanatory Statement shall be made available for inspection. During the 41st AGM, Members may access the scanned copy of the Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Act. The Register of Contracts and Arrangements in which Directors are interested maintained under Section 189 of the Act. Members desiring inspection of statutory registers and other relevant documents may send their request in writing to the Company at cfo@asl.net.in

8. Dividend

Pursuant to the Income-tax Act, 1961, dividend income is taxable in the hands of the Members and the Company is required to deduct tax at source from such dividend at the prescribed rates. A separate communication providing

detailed information and instructions with respect to tax on the Final Dividend for the financial year ended 31st March, 2024 is being sent to the Members. The said communication will also be made available on the Company's corporate website www.asl.net.in.

Unclaimed dividend and the shares in respect of which dividend entitlements remain unclaimed for seven consecutive years will be due for transfer to the Investor Education and Protection Fund of the Central Government, pursuant to Section 124 of the Act read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund Rules, 2016). Members are requested to claim the said dividend, details of which are available on the Company's corporate website at www.asl.net.in

9. Electronic voting

In compliance with provisions of Sections 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014 ("Rules"), Regulation 44 of the SEBI LODR Regulations, and SS-2, the Company is providing remote e-voting facility to enable the Members to cast their votes electronically on the matters included in this Notice. For this purpose, the Company has engaged the services of NSDL to provide e-voting facility to enable the Members to cast their votes electronically. The facility of casting votes by a Member using remote e-voting system as well as e-voting at the AGM will be provided by NSDL.

Members are requested to follow the procedure stated in the "Instructions for E-voting Section" of this Notice for casting of votes electronically. The cut-off date for determining the Members eligible to vote on Resolutions proposed to be considered at the Meeting is 13th September 2024. The remote e-voting period will commence on September 17, 2024 at 9:00a.m. (IST) and end on September 19 2024 at 5:00 p.m. (IST). The remote e-voting will not be allowed beyond the aforesaid date and time. The remote e-voting module shall be disabled thereafter. However, Members shall be able to vote during the Annual General Meeting.

The Resolutions set out in this Notice shall be deemed to have been passed on the date of the AGM, if approved by the requisite majority. Only those Members whose names are appearing on the Register of Members/ List of Beneficial Owners as on the cut-off date i.e. 13th September, 2024, shall be entitled to cast their vote through remote e-voting or voting through VC/ OAVM at the AGM, as the case may be. A person who is not a Member on the cut-off date should treat this Notice for information purpose. Only Members who have cast their vote by remote e-voting prior to the AGM, may also attend and participate in the proceedings of the AGM through VC/OAVM but shall not be entitled to cast their votes again. The Members can opt for only one mode of voting remote e-voting or e-voting through VC/ OAVM at the AGM. In case of voting by both the modes, vote cast through remote e-voting will be considered as final and e-voting through VC/ OAVM at AGM will not be considered. Members must note that voting by show of hands will not be available at the Meeting in terms of the aforesaid provisions.

10. Proxy(ies)

Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC/ OAVM facility, the requirement of physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for this AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice. However, the Body Corporates are entitled to appoint authorised representatives to attend the AGM through VC/ OAVM and participate there at and cast their votes through e-voting.

11. Corporate Representations

Corporate Shareholders (i.e. other than individuals, HUFs, NRIs, etc.)/ Institutional shareholders are required to send a scanned copy (PDF/ JPG Format) of their respective Board or governing body Resolution/ Authorization etc., authorizing their representative to attend the AGM through VC/OAVM on their behalf and to vote through remote e-voting. The said Resolution/ Authorization shall be sent to the Scrutinizer by e-mail on its registered e-mail address to office@csdakamat.com with a copy marked to cfo@asl.net.in. Institutional shareholders (i.e. other than individuals, HUFs, NRIs etc.) can also upload their Board Resolution/ Power of Attorney/ Authority Letter, etc. by clicking on "Upload Board Resolution/ Authority Letter" displayed under "e-Voting" tab in their login.

12. Voting Rights

Voting rights shall be reckoned in proportion to the paid-up equity shares registered in the name of the Member as on the cut-off date i.e. 13th September, 2024.

13. Joint Holders

In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company as on the cutoff date will be entitled to vote at the AGM.

14. Route Map

As the AGM is being held through VC/ OAVM, without the physical presence of the Members in terms of MCA Circulars, the route map is not annexed to this Notice.

15. Shares related

a) Members may please note that as per the SEBI Circular dated March 16, 2023, SEBI has mandated the submission of PAN, KYC details and nomination by holders of physical securities by October 01, 2023, and linking PAN with Aadhaar by June 30, 2023. Member are requested to intimate changes, if any, pertaining to their name, postal address, e-mail address, telephone/mobile numbers, Permanent Account Number (PAN), mandates, nominations, power of attorney, bank details such as, name of the bank and branch details, bank account number, MICR Code, IFSC Code, etc.

i. For shares held in electronic form: to their Depository Participants (DPs)

ii. For shares held in physical form: to the Company/ Registrar and Transfer Agents (RTA) in prescribed Form ISR-1 and other forms pursuant to SEBI Circular No. SEBI/ HO/MIRSD/MIRSD-PoD-1/P/ CIR/2023/37 dated March 16, 2023. In the absence of any of the required documents in a folio, on or after October 01, 2023, the folio shall be frozen by the RTA.

b) Members may please note that SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2022/8 dated January 25, 2022, as amended, has mandated the listed companies to issue securities in dematerialized form only while processing service requests viz. Issue of duplicate securities certificate; claim from unclaimed suspense account; renewal/ exchange of securities certificate; endorsement; sub-division/splitting of securities certificate; consolidation of securities certificates/ folios; transmission and transposition.

Accordingly, Members are requested to make service requests by submitting a duly filled and signed Form on the website of the Company's Registrar and Transfer Agents.

It may be noted that any service request can be processed only after the folio is KYC Compliant.

c) SEBI vide its Notification dated January 24, 2022 has amended Regulation 40 of the SEBI LODR Regulations which has mandated that all requests for transfer of securities including transmission and transposition requests be processed only in dematerialized form. In view of the same and to eliminate all risks associated with physical shares and avail various benefits of dematerialisation, Members are advised to dematerialise the shares held by them in physical form. Members can contact the Company or RTA, for assistance in this regard.

d) Members holding shares in physical form, in identical order of names, in more than one folio are requested to send to the Company or RTA, the details of such folios together with the share certificates along with the requisite KYC Documents for consolidating their holdings in one folio. Requests for consolidation of share certificates shall be processed in dematerialized form.

e) As per the provisions of Section 72 of the Act and SEBI Circular, the facility for making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH- 13. If a Member desires to opt out or cancel the earlier nomination and record a fresh nomination, he/ she may submit the same in Form ISR-3 or SH-14 as the case may be. The said forms can be downloaded from the Company's website. Members are requested to submit the said details to their DP in case the shares are held by them in dematerialized form and to RTA in case the shares are held in physical form.

THE INSTRUCTIONS FOR MEMBERS FOR REMOTE E-VOTING AND JOINING GENERAL MEETING ARE AS UNDER:-

The remote e-voting period begins on Tuesday 17th September 2024 and ends on Thursday 19th September 2024 the remote e-voting module shall be disabled by NSDL for voting thereafter. The Members, whose names appear in the Register of Members / Beneficial Owners as on the record date (cut-off date) i.e. 13th September 2024, may cast their vote electronically. The voting right of shareholders shall be in proportion to their share in the paid-up equity share capital of the Company as on the cut-off date, being 13th September 2024

How do I vote electronically using NSDL e-Voting system?

The way to vote electronically on NSDL e-Voting system consists of "Two Steps" which are mentioned below:

Step 1: Access to NSDL e-Voting system

A) Login method for e-Voting for Individual shareholders holding securities in demat mode

Helpdesk for Individual Shareholders holding securities in demat mode for any technical issues related to login through Depository i.e. NSDL and CDSL.

Login type	Helpdesk details
Individual Shareholders holding securities in demat mode with NSDL	Members facing any technical issue in login can contact NSDL helpdesk by sending a request at evoting@nsdl.com or call at 022 - 4886 7000
Individual Shareholders holding securities in demat mode with CDSL	Members facing any technical issue in login can contact CDSL helpdesk by sending a request at helpdesk.evoting@cdslindia.com or contact at toll free no. 1800-21-09911

B) Login Method for shareholders other than Individual shareholders holding securities in demat mode and shareholders holding securities in physical mode.

How to Log-in to NSDL e-Voting website?

- Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.
- Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholder/Member' section.
- A new screen will open. You will have to enter your User ID, your Password/OTP and a Verification Code as shown on the screen.

Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.

- Your User ID details are given below :

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.
b) For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary ID For example if your Beneficiary ID is 12***** then your user ID is 12*****.
c) For Members holding shares in Physical Form.	EVEN Number followed by Folio Number registered with the company For example if folio number is 001*** and EVEN is 130439 then user ID is 101456001***

5. Password details for shareholders other than Individual shareholders are given below:

- a) If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.
- b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.

c) How to retrieve your 'initial password'?

- (i) If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
- (ii) If your email ID is not registered, please follow steps mentioned below in process for those shareholders whose email ids are not registered

6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:

- a) Click on "Forgot User Details/Password?"(If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsd.com.
- b) Physical User Reset Password?" (If you are holding shares in physical mode) option available on www.evoting.nsd.com.
- c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.com mentioning your demat account number/folio number, your PAN, your name and your registered address etc.

d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.

7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.
8. Now, you will have to click on "Login" button.
9. After you click on the "Login" button, Home page of e-Voting will open.

Step 2: Cast your vote electronically on NSDL e-Voting system.

How to cast your vote electronically on NSDL e-Voting system?

1. After successful login at Step 1, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle.
2. Select "EVEN" of company for which you wish to cast your vote during the remote e-Voting period.
3. Now you are ready for e-Voting as the Voting page opens.
4. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.
5. Upon confirmation, the message "Vote cast successfully" will be displayed.
6. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
7. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Guidelines for shareholders

1. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to rhs@csdakamat.com with a copy marked to evoting@nsdl.com. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) can also upload their Board Resolution / Power of Attorney / Authority Letter etc. by clicking on "Upload Board Resolution / Authority Letter" displayed under "e-Voting" tab in their login.

2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the "Forgot User Details/Password?" or "Physical User Reset Password?" option available on www.evoting.nsdl.com to reset the password.
3. In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of www.evoting.nsdl.com or call on : 022 - 4886 7000 or send a request to Mr. Sanjeev Yadav at evoting@nsdl.com

Process for those shareholders whose email ids are not registered with the depositories for procuring user id and password and registration of e mail ids for e-voting for the resolutions set out in this notice:

1. In case shares are held in physical mode please provide Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (Self-attested scanned copy of PAN card), AADHAR (Self-attested scanned copy of Aadhar Card) by email to evoting@nsdl.co.in and cfo@asl.net.in
2. In case shares are held in demat mode, please provide DPID-CLID (16 digit DPID + CLID or 16 digit beneficiary ID), Name, client master or copy of Consolidated Account statement, PAN (self-attested scanned copy of PAN card), AADHAR (self-attested scanned copy of Aadhar Card) to evoting@nsdl.co.in and cfo@asl.net.in. If you are an Individual shareholders holding securities in demat mode, you are requested to refer to the login method explained at step 1 (A) i.e. Login method for e-Voting for Individual shareholders holding securities in demat mode.
3. Alternatively shareholder/members may send a request to evoting@nsdl.com for procuring user id and password for e-voting by providing above mentioned documents.
4. In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed

to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are required to update their mobile number and email ID correctly in their demat account in order to access e-Voting facility.

The members who have registered themselves as a speaker will only be allowed to express their views/ask questions during the AGM. The Company reserves the right to restrict the number of speakers depending on the availability of time for the AGM.

For and on behalf of the Board of Directors
Arihant Superstructures Limited

Place: Navi Mumbai
Date: 9th August, 2024

Ashokkumar B Chhajer
Chairman & Managing Director
DIN: 01965094

Explanatory Statement to the Annual General Meeting Notice

(Under Section 102 of Companies Act, 2013)

Item No. 04:

On the recommendation of the Nomination and Remuneration Committee, the Board of Directors has appointed Dr. Vijay Satbir Singh (DIN: 06507508) as an Independent Director on its Board Meeting dated 15th May, 2024 for a further period of 1st (First) term 5 (Five) years till 14th May 2029.

The said appointment is in line with the Nomination & Remuneration Policy of the Company.

Dr. Vijay Satbir Singh possesses the requisite knowledge and vast experience in Private Limited Company and firms and hence considering his qualifications & expertise; it is recommended for the appointment of Dr. Vijay Satbir Singh (DIN: 06507508) as an Independent Director of the Company for a 1st (First) term of 5 (Five) years. The Nomination and Remuneration Committee and the Board of Directors is of the opinion that the appointment of Dr. Vijay Satbir Singh for a 1st term shall be beneficial to the interests of the company and its stakeholders.

The Board of Directors recommends resolution for the appointment of Dr. Vijay Satbir Singh (DIN: 06507508) as an Independent Director for a term of 5 (five) years as mentioned above for approval of the shareholders as an Ordinary Resolution.

None of the Directors, Key Managerial Personnel or their relatives are deemed to be interested in this Resolution, except Dr. Vijay Satbir Singh (DIN: 06507508).

The statement of additional information required to be disclosed as per Regulation 36(3) of SEBI Listing Regulations and Secretarial Standard 2 issued by ICSI is attached at the end of this Explanatory Statement and must be read as the part of this Notice.

Item No. 05:

Pursuant to the Provision of Section 23, 42, 62 and 71 and other applicable provisions of the Companies Act, 2013 and applicable Regulations of Securities and Exchange Board of India and subject to all other concerned authorities approvals, the Board of Directors had approved the matter of raising funds through issue of Securities up to the amount of Rs. 1200 Crores in the Board Meeting held on 15th May, 2024.

As per SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018 and provision of the Section 62 of the Companies Act, 2013 read with rule 13 (2) (e) of Companies (Share Capital and Debentures) Rules, 2014 such an enabling resolution is valid for a period of 12 months from the date of passing of Resolution.

The Board is seeking an enabling resolution for raising capital by way of public or private placement including QIP to strengthen the capital base of the Company, implementation of Ongoing

Projects, acquisition of land parcels, working capital requirement, general corporate purposes' repayment of existing indebtedness of the Company, expansion of the existing business of the Company and investment in its subsidiaries.

The fund raising may be through a mix of equity/equity linked instruments, as may be deemed appropriate. Shareholders' approval is sought for the issue of Equity Shares or such other securities linked to or convertible into Equity Shares or depository receipts of the Company. Shareholders' approval is sought for issuing any such instrument as the Board may deem appropriate to parties who may or may not be an existing shareholder of the Company. Whilst no specific instrument has been identified at this stage, in the event the Company issues any equity linked instrument, the issue will be structured in a manner such that the additional equity share capital/securities that may be issued pursuant to the above resolution would not be more than Rs. 1200 Crores (Rupees One Thousand Two Hundred Crores Only) including premium. The equity shares, if any, allotted on issue/conversion of Securities shall rank in all respects pari-passu with the existing Equity Shares of the Company.

The Company may issue securities by way of a QIP in terms of Chapter VIII of the SEBI Regulations. The resolution proposed is an enabling resolution and the exact price, proportion and timing of the issue of the securities will be decided by the Board or a Committee constituted by the Board for this purpose, based on an analysis of the specific requirements after consulting all concerned. Therefore, the proposal seeks to confer upon the Board/the committee of the Board the absolute discretion to determine the terms of issue in consultation with the Lead Manager to the issue.

As per Chapter VIII of the SEBI Regulations, an issue of securities on QIP basis shall be made at a price not less than the average of the weekly high and low of the closing prices of the related shares quoted on the stock exchanges during the two weeks preceding the 'relevant date'. The Board/ the Committee of the Board may, at its absolute discretion, issue securities at a discount of not more than five percent or such other discount as may be permitted under applicable regulations to the 'floor price' as determined in terms of the SEBI Regulations subject to provisions of Section 53 of the Companies Act, 2013.

As the pricing of the offer cannot be decided except at a later stage, it is not possible to state the price of securities to be issued. However, the same would be in accordance with the provisions of the SEBI Regulations, the Companies Act, 2013, or any other guidelines/regulations/consents as may be applicable or required.

In case of issue of convertible bonds and/or equity shares through depository receipts, the price will be determined on the basis of the current market price and other relevant guidelines.

The "relevant date" for the above purpose, shall be:

- i. In case of allotment of equity shares, the date of meeting in which the Board/Committee decides to open the proposed issue;
- ii. In case of allotment of eligible convertible securities, either the date of the meeting in which the Board/Committee decides to open the issue of such convertible securities or the date on which the holders of such convertible securities become entitled to apply for the equity shares, as may be determined by the Board.

The Stock Exchanges for this purpose are the BSE Limited and National Stock Exchange of India Limited.

In case of QIP issuance the proposed special resolution shall be valid for a period of 12 months from the date of shareholders' approval, before which the Company is required to complete the allotments under the authority of said resolution.

The Board recommends the resolution for approval of the shareholders as a Special Resolution.

None of the Directors and Key Managerial Personnel(s) of the Company or their relatives are directly or indirectly concerned or interested in this Resolution.

Item No. 06:

Pursuant to Regulation 23 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI LODR Regulations"), all Related Party Transactions shall require prior approval of the Audit Committee of the Company. Pursuant to the SEBI (Listing Obligations and Disclosure Requirements) (Sixth Amendment) Regulations, 2021, effective April 01, 2022, all 'Material Related Party Transaction' and subsequent material modifications as defined by the Audit Committee in this regard, with an aggregate value exceeding INR 1,000 crore or 10% of annual consolidated turnover of the Company as per the last audited financial statements of the Company, whichever is lower, shall require prior approval of the Members of the Company. The said limits are applicable, even if the transactions are in the ordinary course of business of the concerned company and at an arm's length basis.

The definition of 'Related Party Transactions' under Regulation 2(1)(zc) of the SEBI LODR Regulations also includes those between the subsidiary of a listed entity on the one hand and related party on the other hand.

Sr. No.	Nature of Transaction	Pricing Mechanism	Justifications for Arm's length Price	Maximum Amount of Transactions on Group level (in Rs. Crores)	Related Party and relationship
1.	Sale, purchase or supply of goods or materials	Market price at arm's length	Same rates as applicable to unrelated parties	50	As defined and covered under section 184, 185, 186, 188 and other applicable provisions, if any, of the Companies Act, 2013
2.	Selling or otherwise disposing of. Or buying of property	Market price at arm's length	Same rates as applicable to unrelated parties	500	As defined and covered under section 184, 185, 186, 188 and other applicable provisions, if any, of the Companies Act, 2013
3.	Leasing of property	Market price at arm's length	Same rates as applicable to unrelated parties	50	As defined and covered under section 184, 185, 186, 188 and other applicable provisions, if any, of the Companies Act, 2013
4.	Availing or rendering of any services	Market price at arm's length	Same rates as applicable to unrelated parties	50	As defined and covered under section 184, 185, 186, 188 and other applicable provisions, if any, of the Companies Act, 2013
5.	Giving Loan, Guarantee and Securities	Market price at arm's length	Same rates as applicable to unrelated parties	1000	As defined and covered under section 184, 185, 186, 188 and other applicable provisions, if any, of the Companies Act, 2013
6.	Loans and advances given by Directors of the company	Market price at arm's length	Same rates as applicable to unrelated parties	500	As defined and covered under section 184, 185, 186, 188 and other applicable provisions, if any, of the Companies Act, 2013
7.	Personal Guarantee given by directors of the company	Market price at arm's length	Same rates as applicable to unrelated parties	2000	As defined and covered under section 184, 185, 186, 188 and other applicable provisions, if any, of the Companies Act, 2013

Table A

Details of Related Party

Sr. No.	Name of Related Party	Relationship
1.	Arihant Aashiyana Private Limited	Subsidiary Company
2.	Arihant Abode Limited	Subsidiary Company
3.	Arihant Vatika Realty Private Limited	Subsidiary Company
4.	Arihant Gruhnirman Private Limited	Subsidiary Company
5.	Dwellcons Private Limited	Group Company (Entity in which Directors have significant influences).
6.	Amoghvarsh Houses Pvt. Ltd. (earlier known as Arihant Technoinfra Pvt Ltd)	Group Company (Entity in which Directors have significant influences)
7.	Adinath Realty Private Limited	Group Company (Entity in which Directors have significant influences)
8.	Arihant Paradise Realty Private Limited	Group Company (Entity in which Directors have significant influences)

*Relatives means:

1. As per section 2(77) of Companies Act, 2013 “relative” with reference to any person, means anyone who is related to another, if
 - I. They are members of HUF;
 - II. They are husband and wife; or
 - III. One person is related to the other in such manner as may be prescribed.

2. As per Companies (Specification of definitions details) Rules, 2014

A person shall be deemed to be relative of another, if he or she is related to another in the following manner, namely:-

- I. Father (includes step-father)
- II. Mother (includes step-mother)
- III. Son (includes step-son)
- IV. Son’s Wife
- V. Daughter
- VI. Daughter’s Husband
- VII. Brother (includes the step-brother)
- VIII. Sister (includes the step-sister)

Members may note that based on the criteria mentioned in the SEBI (Listing Obligation and Disclosure Requirement), Regulations 2015, the above mentioned proposed transactions may exceed the threshold limit of Rupees 1000 Crores or 10% of Annual Consolidated Turnover on the basis of their last Audited Financial Statements, whichever is lower, wherein, they would be deemed to be “Material Related Party Transactions” and hence will require approval of the Shareholders by means of Special Resolution.

In reference to all above proposed Transactions, the Members may further note that this approval is in general terms of compliance of Regulation 23(4) of SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015.

The Audit Committee has approved the above proposed Related Party Transactions and has noted that these transactions are in the ordinary course of Business and are at arm’s length basis. The list of related party transactions undertaken by the Company in the previous financial year form a part of the Annual Report for the reference of the members.

Hence, the proposed transactions to be entered are placed before the Shareholders for their approval.

Except Mr. Ashokkumar B Chhajer, Mr. Parth Chhajer and their relatives, none of the other Directors, Key Managerial Personnel and their relatives are, in any way, concerned or interested in this Resolution.

The Board of Director recommends the resolution for approval of members as Ordinary Resolution

This information forms a part of the Notice and Explanatory Statement for the 41st Annual General Meeting:

The Board of Directors meets at regular intervals to discuss the business and compliance matters of the Company. The details of the Meetings of the Board of Directors and the Committees of the Board of Directors and their respective constitution along with the attendance of the Directors for the meetings are stated in the Corporate Governance Report attached which forms a part of this Board's Report.

The Board has constituted the following Mandatory and Non-mandatory Committees of the Board of Directors:

Mandatory Committees	Non-Mandatory Committee
Audit Committee	Executive Committee
Nomination & Remuneration Committee	Disinvestment Committee
Stakeholders' Relationship Committee	Fund Raising Committee
Corporate Social Responsibility Committee	Insider Trading Compliance Committee
	Risk Management Committee

The Company Secretary of the Company is the Secretary to each of these Committees.

During the year under review, all the recommendations made by the Audit Committee were approved by the Board of Directors.

Separate Meeting of Independent Directors is conducted during every year, in terms of the requirements of Schedule IV to the Companies Act, 2013 and Regulation 25 (3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Further, the Board of Directors have adopted various policies on the functioning and running of the Board of Directors as mandated by the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and which are also available on the website of the Company at www.asl.net.in.

VIGIL MECHANISM

The Company has a robust vigil mechanism through its Whistle Blower Policy approved and adopted by Board of Directors of the Company in compliance with the provisions of Section 177 (10) of the Act and Regulation 22 of the Listing Regulations.

The Policy also provides protection to the directors, employees and business associates who report unethical practices and irregularities. Any incidents that are reported are investigated and suitable action is taken in line with the Whistle Blower Policy. The Whistle Blower Policy of the Company can be accessed at website of the Company at www.asl.net.in.

NOMINATION AND REMUNERATION POLICY

The salient features of the Nomination and Remuneration Policy of the Company are set out in the Corporate Governance Report which forms part of this Annual Report. The said Policy of the Company, inter alia, provides that the Nomination and Remuneration Committee shall formulate the criteria for appointment & re-appointment of Directors on the Board of the Company and persons holding Senior Management positions in the Company, including their remuneration, evaluation and other matters as provided under Section 178 of the Act and Listing Regulations. The copy of the Policy can be found under the Investors section on <http://www.asl.net.in>.

RELATED PARTY TRANSACTIONS

All contracts/arrangements/transactions entered into by the Company during the year under review with Related Parties were in ordinary course of business and on arm's length basis in terms of provisions of the Act. The Company's Policy on dealing with and Materiality of Related Party Transactions is available on the website of the Company at www.asl.net.in

All transactions with related parties were reviewed and approved by the Audit Committee and are in accordance with the Policy on dealing with and materiality of Related Party Transactions and the Related Party Framework, formulated and adopted by the Company. During the year under review, the Related Policy Framework was suitably amended to give effect to the changes in the relevant provisions of law.

There are no materially significant related party transactions that may have potential conflict with interest of the Company at large. The details of the related party transactions as per Indian Accounting Standards (IND AS) - 24 are set out in Notes to the Standalone Financial Statements of the Company. The company also obtains suitable approval of the members for the materially significant related party transactions, in line with Regulation 24 of the Listing Regulations.

The approval of the materially significant related party transactions for Financial Year 2023-24 is sought at the forthcoming Annual General Meeting of the Company. The same is recommended by the Audit Committee and the Board of Directors.

The Company in terms of Regulation 23 of the Listing Regulations submits along with the publication of its quarterly and annual standalone and consolidated financial results disclosures of related party transactions on a consolidated basis, in the format specified in the relevant accounting standards to the stock exchanges.

The said disclosures can be accessed on the website of the Company at www.asl.net.in. Form AOC - 2 pursuant to Section 134 (3) (h) of the Act read with Rule 8(2) of the Companies (Accounts) Rules, 2014 is set out in the Annexure – II to this report.

REMUNERATION OF DIRECTORS, KEY MANAGERIAL PERSONNEL, SENIOR MANAGEMENT AND EMPLOYEES

The remuneration paid to the Directors and Key Managerial Personnel is in accordance with the Nomination and Remuneration Policy formulated in accordance with Section 178 of the Act and

Regulation 19 of the Listing Regulations and within the Statutory limits under the Companies Act, 2013.

The information required under Section 197 of the Act read with Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 in respect of Directors/ employees of the Company is set out in Annexure – III to this Report. Details of employee remuneration as required under Section 197(12) of the Companies Act and Rule 5(1) of the Remuneration Rules form part of this Annual report. As per the second proviso to Section 136(1) of the Companies Act, the Directors' Report and Financial Statements are being sent to the Members of the Company excluding the statement of particulars of employees under Rule 5(2) and (3) of the Remuneration Rules. If any Member is interested in obtaining a copy thereof, the Member may write to the Company Secretary, whereupon a copy would be sent to such Member.

PERFORMANCE EVALUATION

The Nomination and Remuneration Policy of the Company empowers the Nomination and Remuneration Committee to formulate a process for effective evaluation of the performance of Individual Directors, Committees of the Board and the Board as a whole.

The Board formally assesses its own performance based on parameters which, inter alia, include performance of the Board on deciding long term strategy, rating the composition and mix of Board members, discharging of governance and fiduciary duties, handling critical and dissenting suggestions, etc.

The parameters for the performance evaluation of the Directors include contribution made at the Board meeting, attendance, instances of sharing best and next practices, domain knowledge, vision, strategy, engagement with senior management, etc.

The Chairperson(s) of the respective Committees based on feedback received from the Committee members on the outcome of performance evaluation exercise of the Committee, shares a report to the Board.

The Independent Directors at their separate meeting review the performance of: non-independent directors and the Board as a whole, Chairperson of the Company after taking into account the views of Executive Director and non-executive directors, the quality, quantity and timeliness of flow of information between the Company management and the Board that is necessary for the Board to effectively and reasonably perform their duties.

Based on the outcome of the performance evaluation exercise, areas have been identified for the Board to engage itself with and the same would be acted upon. The details of the evaluation process are set out in the Corporate Governance Report which forms a part of this Annual Report.

FAMILIARIZATION PROGRAMME FOR INDEPENDENT DIRECTORS

All new independent directors inducted into the Board are familiarized with the operations and functioning of the Company. Presentations are also made at the Board and committee meetings which facilitate them to clearly understand the business of the

Company and the environment in which the Company operates. Operational updates are provided for them to have a good understanding of Company's operations, businesses and the industry as a whole. They are periodically updated on material changes in regulatory framework and its impact on the Company. The Company's Policy of conducting familiarisation program has been disclosed at the website of the Company under the Corporate Governance section on www.asl.net.in.

CORPORATE SOCIAL RESPONSIBILITY (CSR)

The Company has constituted the Corporate Social Responsibility (CSR) Committee of the Board in accordance with the provisions of Section 135 of the Companies Act, 2013, read with the Companies (Corporate Social Responsibilities) Rules, 2014, as amended. During the year, the said policy has been reviewed by the Board of Directors of the Company.

The CSR policy of the company is displayed on the website of the company on www.asl.net.in. The company is committed to undertaking its CSR responsibility and initiatives in letter and spirit and will undertake to spend towards effective causes in line with the CSR policy of the company.

The Company's CSR Policy statement and annual report on the CSR activities undertaken during the financial year ended 31st March 2024, in accordance with Section 135 of the Act and Companies (Corporate Social Responsibility Policy) Rules, 2014 (including any statutory modification(s) or re-enactment(s) thereof for the time being in force) is set out in **Annexure – IV** to this report.

ANNUAL RETURN

Pursuant to Section 92(3) read with Section 134(3)(a) of Companies Act, 2013, the Annual return as on March 31, 2024 is available on the website of the company on www.asl.net.in

AUDITORS AND AUDITORS' REPORT

Statutory Auditors and their Report

The company has appointed M/s Ummed Jain & Co., Chartered Accountants (Firm Regn No 119250W) as the Statutory Auditors at the 40th Annual General Meeting of the Company held on 23rd September, 2023 for the term of 5 years till the conclusion of the AGM to be held in 2028. The details of the remuneration paid to the Statutory Auditors in Financial Year 2023-24 are provided in the Financial Statements.

The comments and disclaimers mentioned in the statutory auditors' report being self-explanatory, do not require any reply from the Board of Directors of the Company.

Secretarial Auditors and their Report

The Company has appointed M/s D A Kamat & Co, Company Secretaries as the Secretarial Auditors of the Company for FY 2023-24 under the provisions of Section 204 of the Companies Act, 2013. The Secretarial Auditors Report for Financial Year 2023-24 is attached as **Annexure – V** to this Report.

The observations made by the Secretarial Auditors of the Company and management reply thereto is mentioned hereunder:

Sr. No.	Observations	Management Reply
1.	Transfer of Equity Shares to IEPF for Financial Year 2011-12 onwards: The company has, till the date of this Report, not transferred the outstanding equity shares on which dividend was declared for the FY 2011-12, 2012-13, 2013-14 onwards and remained outstanding for a period of over 7 years and were due for transfer in FY 2018-19 to FY 2022-23.	The delay in transferring equity shares and related dividends to the Investor Education and Protection Fund (IEPF) has been due to administrative challenges with the Bank. We acknowledge this oversight and are actively taking steps to resolve these issues and ensure compliance as soon as possible. We are working closely with our banking partners to facilitate the necessary transfers promptly
2.	Certain e-Forms filed with the Registrar of Companies are filed after the due date, with additional fees. Further eform for Appointment of KMP are pending as on the date.	We recognize the delays in the filing of e-Forms and the associated additional fees. To address this issue, the Company has implemented a new system for monitoring and ensuring timely filing of all required forms in the current financial year. We are also prioritizing the completion of the pending e-form for the Appointment of Key Managerial Personnel (KMP) and expect to resolve this promptly.
3.	The Company is maintaining a functional website. However, the website of the Company is not updated.	We are aware that the Company's website has not been updated recently. The process of updating the website is underway, and we are working to ensure that all relevant information is current and accessible to stakeholders. We aim to complete these updates as soon as possible.

Sr. No.	Observations	Management Reply
4.	CS Darshani Lakhani has resigned w.e.f. 7 th August, 2023 and Ms. Tasneem Marfatia was appointed as CS w.e.f. 24 th February, 2024 i.e. beyond the prescribed time limit under regulation 6(1A) of SEBI (LODR) Regulation, 2015.	The Company faced challenges in identifying a suitable successor for the position of Company Secretary and Compliance Officer in a timely manner. We were diligent in our search to ensure we appointed a qualified individual.
5.	The Company has not Renewed/maintained the Structural Digital Database which has to be maintained as per Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015.	We acknowledge the lapse in maintaining the Structural Digital Database as per the SEBI regulations. The Company is in the process of renewing and updating the digital database to ensure compliance with the relevant regulations. We are prioritizing this task and expect to be fully compliant shortly

Cost Auditors

The Company is not required to appoint any Cost Auditors or maintain cost records for the Company during the year under review.

Internal Auditors

Annexure-I

Remuneration of Directors, Key Managerial Personnel, Senior Management and Employees

Statement of disclosure of remuneration

[Pursuant to Section 197 of the Companies Act, 2013 ("the Act") and Rule 5(1) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

- A. The ratio of the remuneration of each Director to the median remuneration of the employees of the Company and the percentage increase in remuneration of each Director, Chief Executive Officer, Chief Financial Officer and Company Secretary in the FY 2023-24:

Name	Date of Appointment	Designation	Ratio of remuneration to Median Remuneration	% Increase in the remuneration
Mr. Ashokkumar B Chhajer	01/04/2011	Managing Director	10.50	19.69
*Mr. Raj Narain Bhardwaj	12/08/2017	Independent Director	1.21	-
Mr. Nimesh Shah Shashikant	13/04/2010	Whole - time Director	7.07	12.82
Mr. Parth Ashok Chhajer	23/07/2022	Whole - time Director	4.62	9.52
*Mr. Pramod Vyankatesh Deshpande	10/08/2023	Independent Director	0.58	-
*Ms. Namrata Ashit Thakker	01/09/2023	Woman Independent Director	0.36	-
*Dr. Vijay Satbir Singh	15/05/2024	Additional Independent Director	-	-
Ms. Tasneem Marfatia	24/02/2024	Company Secretary	0.25	-
Mr. Dhiraj Jopat	22/05/2023	Chief Financial Officer	3.59	-

Notes:

*Remuneration of Independent Directors only consists of sitting fees paid for attendance of Board Meetings and Committee Meetings of the Board.

The increase in remuneration of employees other than the Key Managerial Personnel is considerably in line with the increase in remuneration of Key Managerial Personnel.

- A) Break-up of median remuneration for employees is given below:

The median remuneration of employees for FY 2023-24 is Rs.8,30,000/-

- B) Number of permanent employees on rolls of the Company as on 31st March, 2024: 121
- C) The average percentile increase already made in the salaries of employees other than the managerial personnel in the last financial year 2023-24 was 35 % and its comparison with the average percentile increase in the managerial remuneration was 20%. The percentile increase is in line with the industry standards. The remuneration of the Managing Director and Whole-time Director and Executive Director is decided based on the individual performance as well as performance of the Company, inflation, prevailing industry trends and benchmarks. The remuneration of Non-Executive Directors consists of commission and sitting fees. While deciding the remuneration, various factors such as Director's participation in Board and Committee Meetings during the year, other responsibilities undertaken, such as Membership or Chairmanship of Committees, time spent in carrying out other duties, role and functions as envisaged in Schedule IV of the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and such other factors as the Nomination and Remuneration Committee may deem fit etc. were taken into consideration

D) Affirmation that the remuneration is as per the Nomination and Remuneration Policy of the Company:

It is affirmed that the remuneration paid to the Directors, Key Managerial Personnel and Senior Management is as per the Nomination and Remuneration Policy of the Company.

E) The statement containing names of top ten employees in terms of remuneration drawn and the particulars of employees as required under Section 197(12) of the Act read with Rule 5 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, is available for the review of the members at the Registered office of the Company. Further, the report and the accounts are being sent to the members excluding the aforesaid annexure. In terms of Section 136 of the Act, the said annexure is available on the website of the Company at www.asl.net.in.

FORM NO MR-3 Secretarial Audit Report

FOR THE FINANCIAL YEAR APRIL 1, 2023 to MARCH 31, 2024

[Pursuant to Section 204(1) of the Companies Act 2013 and rule No.9 of Companies
(Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
Arihant Superstructures Limited
Arihant Aura" 25th Floor, B-Wing, Plot No. 13/1,
TTC Industrial Area, Thane Belapur Road,
Turbhe, Navi Mumbai, Thane – 400705.

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Arihant Superstructures Limited (CIN: L51900MH1983PLC029643)** (hereinafter called the "Company"). Secretarial audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, We hereby report that in our opinion, the company has, during the audit period covering the Financial Year ended on 31st March, 2024, complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by the Company. Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

- I. We have examined the books, papers, minute books, forms and returns filed, reports issued by various fellow professionals and other applicable records and registers and maintained by the Company for the Financial Year from April 1, 2023 to March 31, 2024 according to the provisions of:
 1. The Companies Act, 2013 ("the Act") and the rules made there under
 2. The Securities Contracts (Regulation) Act, 1956 ("SCRA") and the rules made there under
 3. The Depositories Act, 1996 and the Regulations and Bye-laws Framed there under
 4. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to extent of

Foreign Direct Investment, Overseas Direct Investment and External Commercial borrowings

5. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ("SEBI Act")
 - (a) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018- Not applicable to the company for the period of review
 - (b) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999- Not applicable to the company for the period of review
 - (c) Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011
 - (d) The Securities and Exchange Board (Listing Obligation and Disclosure Requirements) Regulations, 2015.
 - (e) The Securities Contracts (Regulation) Act, 1956 and the rules made there under
 - (f) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015
 - (g) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with the client
 - (h) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 – Not applicable to the company for the period of review
 - (i) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 – Not applicable to the company for the period of review

(j) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018 – Not applicable to the company for the period of review

6. Specific Laws as mentioned hereunder:

(a) Real Estate (Regulation and Development) Act, 2016 and MAHARERA Rules and Rajasthan RERA Rules (as applicable to its projects)

(b) Building and other construction workers Act, 1996 and Building And Other Construction Workers Welfare Cess Act, 1996

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above to the extent stated in this Report.

II. We have examined the applicable provisions of Secretarial Standards I and II as issued by the Institute of Companies Secretaries of India and notified by the Ministry of Corporate Affairs and applicable with effect from July 1, 2015.

III. We report that during the audit period, the Company has complied with the provisions of the Act, rules, regulations, guidelines, standards, etc. mentioned above, except for following:

(a) Transfer of Equity Shares to IEPF for Financial Year 2011-12 onwards: The company has, till the date of this Report, not transferred the outstanding equity shares on which dividend was declared for the FY 2011-12, 2012-13, 2013-14 onwards and remained outstanding for a period of over 7 years and were due for transfer in FY 2018-19 to FY 2022-23.

(b) Certain e-Forms filed with the Registrar of Companies are filed after the due date, with additional fees. Further eform for Appointment of KMP are pending as on the date.

(c) The Company is maintaining a functional website. However, the website of the Company is not updated.

(d) CS Darshani Lakhani has resigned w.e.f. 7th August, 2023 and Ms. Tasneem Marfatia was appointed as CS w.e.f. 24th February, 2024 i.e. beyond the prescribed time limit under regulation 6(1A) of SEBI (LODR) Regulation, 2015.

(e) The Company has not Renewed/maintained the Structural Digital Database which has to be maintained as per Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015.

IV. We further report that during the year under report, the Company has undertaken following events / action having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc. referred to above:

1. During the year under review, Mr. Virendra Mital has completed his second tenure as an Independent Director of the Company w.e.f. 22nd May, 2023.

2. During the year under review, Mr. Dhiraj Jopat was appointed as Chief Financial Officer of the Company w.e.f. 22nd May, 2023.

3. Mrs. Chandra Iyengar (DIN: 02821294), an Independent Director of the Company, had resigned from the Company w.e.f. 29th July, 2023.

4. During the year under review, the Company had declared a Final Dividend of Rs. 0.50 per Equity Share for the Financial Year ended 31st March, 2023 in its Annual General Meeting held on 23rd September, 2023. The Promoters and Promoter Group of the Company have waived off their rights to dividend entitlement vide their letters dated 22nd May, 2023 and the same were intimated to the Stock Exchanges.

5. The Company in its AGM dated 23rd September, 2023 had approved the Raising of Funds of Rs. 500 cr on the same terms and conditions as mentioned in the previous AGM dated 20th September, 2022 through the issuance of Securities.

6. Mr. Ashokkumar B Chhajer (DIN: 01965094) was re-appointed as the Chairman and Managing Director of the Company w.e.f. 15th January, 2024 in the 40th Annual General Meeting of the Company held on 23rd September 2023.

7. During the year under review, the Company had issued 20,90,000 Share Warrants to Non-Promoters on a Preferential basis in the Board Meeting held on 7th November, 2023, and Shareholders have also approved the same in its Extra Ordinary General Meeting (EGM) held on 5th December, 2023. The necessary Stock-Exchange approvals for the same have been received.

8. During the year under review, the Company has acquired 100% shares of Dwellcons Private Limited from the promoters/promoter group, and it continues to remain a wholly owned subsidiary of the Company as at 31st March 2024.

9. In the Board Meeting held on 12th February, 2024, the Company has approved the Fund raising of Rs. 70 Crores through the issuance of NCDs to ICICI Ventures Fund Company Limited.

We further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the Year under review were carried out in Compliance with the provisions of the Act.

Adequate notice is given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance (except meetings convened at a shorter notice) and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. As per the minutes of the meetings, duly recorded and signed by the Chairman, the decisions of the Board and its committees were unanimous.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure Compliance with applicable Laws, Rules, Regulations and Guidelines.

Conservation of Energy, Technology Absorption and Foreign Exchange Report

As on the Financial Year ended on 31st March, 2024

[Pursuant to Section 134(3)(m) of the Companies Act, 2013 and Rule 8(3) of the Companies (Accounts) Rules, 2014]

(A) CONSERVATION OF ENERGY:

I. **Measures adopted for conservation of conventional energy:** Arihant Superstructures Ltd (ASL or the Company) is proactive in taking measures to achieve energy conservation. The following best practices are in place to achieve this objective.

- a) Use of occupancy sensors in common areas
- b) Use of CFLs, metal handle and LED light fixtures.
- c) Use of best quality wires, cables, switches and low self-power loss MPCBs and RCCBs.
- d) Use of standard specifications like colour codes, independent neutral and earthing for each circuit to curb leakage.
- e) Use of high efficiency transformers (BEE rated) , DG sets and other equipment.
- f) Integration of auto correction power factor capacitors and harmonic filters in HT/LT feeder pillars.
- g) Use of energy efficient lifts with group control in residential projects.
- h) Use of high energy efficient air conditioning screw chillers & compressors with VFD's for commercial building projects.
- i) Use of low water flow CP fixtures for common areas of buildings.
- j) Use of busduct system for high rise tower, thus achieving saving in power due to low loss factor and better insulation properties and thus increasing the safety of building and occupants by considerably reducing chances of fire.

II. **Measures adopted for utilizing renewable sources of energy:**

Use of solar hot water system consisting of Flat plate solar panels & insulated water storage tanks & insulated separate piping for all flats in all our projects thereby reducing almost 20% demand of conventional energy.

III. **Water Preservation:**

- (a) Rainwater harvesting & Sewage treatment plants are used for preserving water usage at construction sites.
- (b) Few environment friendly measures adopted for construction phase of all projects viz use of aerated auto cleaved blocks, energy efficient materials etc.

(B) TECHNOLOGY ABSORPTION:

The efforts made towards technology absorption:

- I. High speed elevators with Destination dispatch system: As one accesses the elevators through the lobby, he or she passes through security, which can be cleared by an identification card, which includes the information for one's desired floor. All passengers need to do is walk to the designated elevator and wait for its arrival.
- II. The benefits derived: Elevators with DOAS technology not only helps improve traffic flow and reduce power consumption, it also enhances building security.
- III. Fire Escape Chute: An escape chute is a special kind of emergency exit, used for safe and faster evacuation of residents where in lieu of conventional fire escape stairways. The chute is a fabric tube installed near a special exit on an upper floor or roof of a building, or a tall structure.
- IV. Electrical Bus Duct System: Busbars have lower resistance than cables. Hence the loss of energy due to transmission and distribution is lower in Busbars. Busbars also have a limited growth of reactive power to operate compared to cable systems. Busbars help in easy, Efficient and safe distribution of line with the junction boxes in places where they are required.
- V. Single Stack Plumbing System: We have used single stack in drainage system it will save 2 no. of pipe in every shaft one is waste line other one is air vent pipe, and there is not required of any extra velocity breaker in the line it has high strength and the pipe are unbreakable.
- VI. In case of imported technology (imported during the last three Years reckoned from the beginning of the Financial Year:

No Technology was imported during the year under review.

(c) Foreign Exchange inflow and outgo during the Financial Year 2023-24:

Foreign Exchange outgo during the Financial Year 2023-24: Rs. 113928/-

Foreign Exchange inflow during the Financial Year 2023-24: Nil

Corporate Governance Report

1. Company's Philosophy on Corporate Governance:

The Company believes that sound Corporate Governance is a key element for enhancing and retaining the trust of Investors and various other Stakeholders. As a responsible corporate citizen your Company has evolved best practices which are structured to institutionalize policies and procedures that enhance the efficacy of the Board and inculcate a culture of Accountability, transparency and Integrity across the Arihant Group as a whole. The Company has always adopted a robust governance framework which played a critical role in ensuring that we remain true to our culture and values. The highest standard of corporate governance is the base of our continued success in both the business and stakeholder relationships. It reflects in our business functions and in the manner with which we support the journey of our stakeholders.

The Company not only adheres to the prescribed Corporate Governance practices as per the Listing Regulations but is also committed to sound Corporate Governance principle and practices. This report is prepared in accordance with the provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations,

2015 ("Listing Regulations") and the report contains the details of Corporate Governance systems and processes at Arihant Superstructures Limited.

2. Board of Directors: Composition:

The Board as on 31st March, 2024 comprised of Six Directors out of which Three Directors are Non-Executive Independent Directors (including One Woman Independent Director), one Chairman cum Managing Director and Two Whole-time Executive Directors. The Managing Director and Whole-time Executive Directors are responsible for the day-to-day Management of the Company subject to the supervision, direction and control of the Board of Directors. The Chairman of the Company is an Executive Director. The composition and size of the Board is reviewed periodically to ensure an optimum combination of Directors with complementary skillsets and varied perspectives for constructive debates facilitating more effective decision making. The Company understands that sound succession planning for the members of the Board and Senior Management is essential for sustained growth of the Company.

The Non-Executive Directors are eminent and experienced persons in their respective fields of industry, Banking and Finance.

6.	Mr. Namrata Ashit Thakker	-	-

Based on intimations/disclosures received from the Directors periodically, none of the Directors of the Company hold memberships/Chairmanships more than the prescribed limits.

3. Board Procedures and Related Disclosures:

The Board of Directors have the ultimate responsibility of ensuring effective management, long term business strategy, general affairs, performance and monitoring the effectiveness of the Company's corporate governance practices. The Chairman cum Managing Director reports to the Board and is in charge of the management of the affairs of the Company, executing business strategy in consultation with the Board and achieving annual long term business targets. The CMD acts as a link between the Board and the management.

The Board of Directors meet at least once in each Quarter to, inter alia, review Annual operating and Capital expenditure plans and budgets, Financial Statements of business segments, Compliance report(s) of all laws applicable to the Company, major legal issues, Minutes of the Board Meetings of Subsidiary Companies, Significant transactions and arrangements entered into by the unlisted Subsidiary Companies, presentations on Risk Management, transactions involving sale of Material nature of investments, Subsidiaries and Assets, details of joint ventures or collaborations, short-term borrowings, any other proposal from the Management regarding Mergers, Acquisitions and Restructuring of investments, etc.

The Board has complete access to all Company-related information. The Company Secretary is responsible for collation, review and distribution of all papers submitted to the Board and Committees thereof for consideration. The Chairman of the Board and the Company Secretary in consensus determine the Agenda for every meeting along with explanatory notes. The Agenda for the meetings is circulated well in advance to the Directors to ensure that sufficient time is provided to Directors to prepare for the meeting.

The Senior Management of the Company make timely disclosures to the Board of Directors relating to all Material, Financial and Commercial transactions, where they have personal interest in any transaction or matter that may have a potential conflict with the interest of the Company.

The calendar of Meetings of the Board of Directors is decided in advance in consultation with the Board Members and the schedule for Meetings of the Board of Directors is published in the Annual Report.

All material information is circulated to the Directors before the meeting, including minimum information required to be made available to the Board as prescribed under Part A of Schedule II of the Listing Regulations.

The management makes concerted efforts to continuously upgrade the information available to the Board for decision making and the Board members are updated on all key developments relating to the Company. With the unanimous consent of the Board, all information which is in the nature of Unpublished Price Sensitive Information (UPSI), is circulated to the Board and its Committees at a shorter notice before the commencement of the respective meetings.

The Company Secretary attends all the meetings of the Board and its Committees and is, inter alia, responsible for recording the minutes of such meetings. The draft minutes of the Board and its Committees are sent to the members for their comments in accordance with the Secretarial Standards. Thereafter, the minutes are entered in the minutes book within 30 (thirty) days of conclusion of the meetings, subsequent to incorporation of the comments, if any, received from the Directors. The Company adheres to the provisions of the Companies Act, 2013 read with the Rules issued thereunder, Secretarial Standards and Listing Regulations with respect to convening and holding the meetings of the Board of Directors, its Committees and the General Meetings of the shareholders of the Company.

The meetings of the Board of Directors are generally held in registered office of the Company and the company also provides video conferencing facility for Board members to attend the meetings as per their convenience. The maximum interval between any 2 (two) consecutive Board Meetings was well within the maximum allowed gap of 120 (one hundred and twenty) days. The necessary quorum was present for all the meetings.

6 (Six) Board Meetings were held during the Financial Year 2023-24. The dates on which the said Meetings were held, and the attendance of Directors is as follows:

Date of Board Meeting	Number of Directors attended
22 nd May, 2023	4
11 th August, 2023	4
7 th November, 2023	6
12 th February, 2024	6
24 th February, 2024	6
23 rd March, 2024	6

The necessary quorum was present for all the Meetings.

During the Financial Year 2023-24, information as mentioned in Schedule II Part A of the SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015, has been placed before the Board for its consideration.

The Company through periodical presentation to Board of Directors and various Committees of Directors provides an opportunity to Independent Directors to facilitate their active participation and familiarize themselves with the Company's business. The details of the familiarization programmes are also available on the website of the Company at www.asl.net.in.

The Company has an informal plan for orderly succession for appointment of the Board of Directors, Key Managerial Personnels and Senior Managements. All appointments to the Board of Directors and Senior Management areas per the Nomination and Remuneration Policy approved by the Board of Directors as available on the website of the Company at www.asl.net.in.

The Company has in place a system of preparation of the Legal Compliance Report on quarterly basis of all applicable

laws to the Company, and also a system to ratify any instance of Non-Compliance. The Board also reviews the Compliance Report periodically.

Name	Category of Director	Number of Equity Shares
Mr.Ashokkumar B Chhajjer	Non-Independent, Executive	1,23,88,237
Mr.Parth Chhajjer	Non-Independent, Executive	60,85,341

There are no other inter-se relationships between the Directors of the Company.

Independent Directors – Terms of appointment, declarations, meeting and attendance:

Independent Directors meet at least once in a year to deal with matters listed out in Regulation 25 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Schedule IV to the Companies Act, 2013 which inter-alia includes, review the performance of Non-Independent Directors, Chairman and the Board as a whole and to assess the quality, quantity and timeliness of flow of information between the Management and the Board that is necessary to perform the duties by the Board of Directors.

The Independent Directors have provided their declaration of Independence as per Section 149 (7) of Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The Independent Directors have also confirmed that they have registered themselves for including their name in the databank of persons offering to become Independent Directors. The Board of Directors, based on the declaration(s) received from the Independent Directors, have verified the veracity of such disclosures and confirm that the Independent Directors fulfill the conditions of independence specified in the Listing Regulations and the Companies Act, 2013 and are independent of the management of the Company.

During the Financial Year 2023-24, 1 (One) Meeting of Independent Directors was held on 12th February, 2024 without the presence of any Non-Independent Directors.

The terms and conditions of appointment of Independent Directors are also available on Company's website: www.asl.net.in.

Attendance Record of Meeting of Independent Directors

Name of Director	Number of Meeting held	Eligible to attend	Number of meeting attended

Mr. Nimesh Shah	Yes	Yes	Yes
Mr. Pramod Vyankatesh Deshpande	Yes	Yes	Yes
Mr. R N Bhardwaj	Yes	Yes	Yes
Mr. Parth Chhajer	Yes	Yes	Yes
Ms. Namrata Ashit Thakker	Yes	Yes	Yes

Board Evaluation:

The Companies Act, 2013 read with the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 provides that the Board needs to undertake a formal Annual Evaluation of its own performance and that of its Committees and individual Directors. The Schedule IV of the Companies Act, 2013 read with the Rules issued there understates that the performance evaluation of Independent Directors shall be done by the entire Board of Directors, excluding the Director being evaluated.

Keeping in line with the SEBI Guidance Note issued in this respect and the acceptable parameters, the assessment sheets were finalized to evaluate the performance of the Board, Committees of the Board and individual performance of each Director including the Chairman.

The evaluation process was facilitated by the Chairman of the Nomination and Remuneration Committee. These assessment sheets for evaluation of performance of the Directors were prepared based on various aspects which, amongst other parameters, included the level of participation of the Directors, understanding of the roles and responsibilities of Directors, etc. The parameters for performance evaluation of Board includes composition of the Board, process of appointment to the Board of Directors, understanding the different roles and responsibilities of the Board, timeliness for circulating

the board papers, content and the quality of information provided to the Board, attention to the Company's long term strategic issues, evaluating Strategic Risks, overseeing and guiding major plans of action, Acquisitions, Disinvestment, etc.

Some of the performance indicators for the Committees include understanding of the terms of reference, effectiveness of the discussions at the Committee Meetings, information provided to the Committee to discharge its duties and performance of the Committee vis-à-vis its responsibilities.

The Nomination and Remuneration Committee evaluates the performance of the Managing Director and Whole-time Executive Director against their performance criteria set for the same. The performance of the Independent Directors was also evaluated taking into account the time devoted and attention given to professional obligations for independent decision making and acting in the best interest of the Company, strategic guidance to the Company and help determine important policies, external expertise provided and independent judgment that contributes objectively in the Board's deliberation, particularly on issues of strategy, performance and conflict management.

The outcome of the evaluation exercise was discussed and deliberated at the respective Meetings of the Board of Directors and Committees of the Board.

4. Director's Remuneration:

Details of Remuneration for the Financial Year ended 31st March, 2024 are as follows: Remuneration paid to Non-Independent, Executive Directors:

Name of Director	Salary and Allowance (Amount in Rupees)

c) Extra Ordinary General Meeting:

During the Financial year, An Extra Ordinary General Meeting was held on 05th December, 2023.

Postal Ballot:

No Resolutions passed through Postal Ballot during the Financial Year 2023-24.

8. Disclosures:

a) Related Party Transaction:

None of the transactions with any of the Related Parties were in conflict with the interest of the Company. Details of transactions with Related Parties are disclosed in notes to the Accounts in this Annual Report. All Related Party transactions are negotiated at Arms' Length Basis and are only intended to further the interest of the Company. The Company has a Related Party Transaction Policy to determine the basis and means of entering into Related Party Transactions (in ordinary course of business or otherwise). The Audit Committee approves all the Related Party Transactions undertaken by the Company. Any recurring and routine Related Party Transactions are granted Omnibus Approval for every Financial Year, by the Audit Committee. However, all transactions covered under Omnibus Approval are also placed and approved subsequently by the Audit Committee. Any Material Related Party Transactions, i.e. Related Party Transactions entered individually or taken together with previous transactions during a financial year, exceeding Rupees 1000 Crore or 10% of the Consolidated Annual Turnover of the Company, whichever is lower, are undertaken only pursuant to the approval of the Shareholders in a General Meeting/through Postal Ballot. The details of all related party transactions, including material transactions are stated in Audited Financial Statements and in Form AOC-2 which forms part of the Annual Report. The Related Party Transaction Policy is available on www.asl.net.in for the members.

b) Compliances:

The Company has complied with all the mandatory requirements specified in SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015. The Company has also complied with mandatory and Non-Mandatory applicable rules and regulations prescribed by Stock Exchanges, SEBI or any other Statutory Authority relating to the Capital Markets. All returns/reports were filed with Stock Exchanges/other Authorities. The Company further strives and has obtained unmodified Audit opinion on Financial Statement for the Financial Year 2023-24. Further the Internal Auditor has access and report to Audit Committee.

c) Reconciliation of Share Capital Audit:

Practicing Company Secretaries carry out a Share Capital Audit to reconcile the total admitted Equity Share Capital with the National Securities Depository Limited ("NSDL") and the Central Depository Services (India) Limited ("CDSL") and the total issued and listed Equity Share Capital. The Audit report confirms that the total issued/paid-up capital is in agreement with the total number of Shares in Physical form and the total number of Dematerialized Shares held with NSDL and CDSL.

d) Code of Conduct:

The Members of the Board, Key Managerial Personnel and Senior Management have affirmed the Compliance with Code applicable to them during the Financial Year 2023 - 24. The Annual Report of the Company contains a Certificate by the Managing Director in terms of SEBI (Listing Obligation and Disclosure Requirements), Regulations 2015 on the compliance declarations received from Independent Directors, Non-executive Directors, Key Managerial Personnel and Senior Management.

All Directors and the designated Employees have confirmed compliance with the Code.

e) Code of Conduct for Prevention of Insider Trading & Code of Corporate Disclosure Practices

In accordance with the SEBI (Prohibition of Insider Trading) Regulations, 2015, the Board of Directors of the Company have the Code of Practices and Procedures for fair disclosures of Unpublished Price Sensitive Information. The Code of Practices and Procedures for fair disclosures of Unpublished Price Sensitive Information is available on www.asl.net.in for the members.

9. Vigil Mechanism and Whistle Blower Policy:

The Company has put in place a Whistle Blower Policy to provide an open and transparent working environment and to promote responsible and secure Whistle Blowing System for Directors and Employees of the Company to raise concern. The Policy broadly cover instances of unethical behavior, actual or suspected fraud or violation of the Company's code of conduct, alteration of documents, fraudulent financial reporting, misappropriation/misuse of Company's assets, manipulation of Company's data, pilferage of proprietary information, abuse of authority, etc. The Policy provides adequate safeguard against victimization of Director(s)/ Employee(s) who raise the concern and have access to the Chairman of Audit Committee who is entrusted to oversee the Whistle Blower Mechanism. The Policy is available on the website of the Company at www.asl.net.in. Further, no Personnel have been denied access to the Audit Committee during the Financial Year under review.

10. CEO and CFO Certification

As required under Regulation 17 of the Listing Regulations, the CEO/CFO certificate for the financial year 2023-24 signed by Mr. Ashokkumar B Chhajer, Managing Director was placed before the Board of Directors of the Company at their meeting held on 15th May, 2024 and is annexed to this Report as Annexure 'B'.

11. Subsidiaries Companies:

The Subsidiaries of the Company are as follows:

- a) Arihant Abode Limited.
- b) Arihant Vatika Realty Private Limited.
- c) Arihant Gruhnirman Private Limited.
- d) Arihant Aashiyana Private Limited.
- e) Dwellcons Private Limited.

The Audit Committee reviews the Consolidated Financial Statements of the Company, Financial Statements of the unlisted Subsidiary Companies and the investments made by its unlisted Subsidiary Companies. The Minutes of the Board Meetings along with a report on significant developments and transactions of the unlisted Subsidiary Companies are periodically placed before the Board of Directors of the Company. The Management of the unlisted subsidiary periodically brings to the notice of the Board of Directors of the Company, a statement of all significant transactions and arrangements entered into by unlisted subsidiary, if any.

The Company has appointed an Independent Director on each of its subsidiary companies.

The Company does not have any Material Listed Subsidiary Companies. However, Arihant Abode Limited and Arihant Vatika Realty Private Limited are Material unlisted subsidiaries in Financial Year 2023-24. Accordingly, pursuant to SEBI Circular dated 8th February 2019 read with Regulation 24A of SEBI (LODR) Regulations 2015, the Secretarial Audit of M/s Arihant Abode Limited and M/s Arihant Vatika Realty Private Limited has been undertaken for FY 2023-24 and the same is disclosed on the website of the Company.

The Company has a policy for determining 'Material Subsidiaries' which is disclosed on its website www.asl.net.in.

12. Certificate on Disqualification of Directors:

The Company has obtained a Certificate from a company secretary in practice that none of the directors on the board of the company have been debarred or disqualified from being appointed or continuing as directors of companies by the Board/Ministry of Corporate Affairs or any such statutory authority. The same is attached as Annexure "C" to this Report.

13. Secretarial Compliance Report:

SEBI vide its Circular No. CIR/CFD/CMD1/27/2019 dated 8th February, 2019 read with section 204 of the Companies Act, 2013 and Regulation 24(A) of the Listing Regulations, directed listed entities to conduct Annual Secretarial compliance audit from a Practicing Company Secretary of all applicable SEBI Regulations and circulars/guidelines issued thereunder. The said Secretarial Compliance report as per regulation 24(A) of the Listing Regulations is required to be submitted to Stock Exchanges within 60 days of the end of the financial year. The Company has obtained the said Annual Secretarial Compliance along with Secretarial Audit Report in form MR-3 from Practicing Company Secretary and is available on the website of the Company.

14. Fees paid to Statutory Auditors

The Shares of the Company are in compulsory Dematerialized segment and are available for trading in depository system of both National Securities Depository Limited and Central Depository Services (India) Limited. As on 31st March, 2024 is 4,11,33,837 Equity Shares (constituting 99.94%) were in Dematerialized form.

l) Outstanding Global Depository Receipts or American Depository Receipts or warrants or any convertible instruments, conversion date and likely impact on equity:

During the year under review, the Company had no outstanding Global Depository Receipts or American Depository Receipts or Warrants or any Convertible Instruments.

m) Commodity price risk or foreign exchange risk and hedging activities:

The Company does not have any exposure to commodity price risks. However, the foreign exchange exposure and the interest rate risk have not been hedged by any derivative instrument or otherwise.

n) Plant locations:

The Company does not have any manufacturing or processing plants. The Registered Office of the Company is situated at Arihant Aura, 25th Floor, B-Wing, Plot No. 13/1, TTC Industrial Area, Thane Belapur Road, Turbhe, Navi Mumbai, Thane MH 400705.

o) Transfer of unclaimed / unpaid amounts to the Investor Education and Protection Fund (IEPF):

Pursuant to Sections 123, 124 and 125 of the Companies Act, 2013 and other applicable provisions, if any, of the Act, all unclaimed/unpaid Dividend, Application money, Debenture interest and interest on Deposits as well as the principal amount of Debentures and Deposits, as applicable, remaining unclaimed/unpaid for a period of Seven Years from the date they became due for payment, in relation to the Company, Arihant Superstructures Ltd. have been transferred to the IEPF established by the Central Government. No claim shall lie against the IEPF or the Company for the amounts so transferred prior to March 31, 2024 nor shall any payment be made in respect of such claims. Members who have not yet encashed their Dividend Warrant (s) pertaining to the Final Dividend for the Financial Year 2011-12 on wards are requested to make their claims without any delay to Company's Registrars and Transfer Agent. Pursuant to the provisions of IEPF Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ("IEPF Rules"), the Company has uploaded the details of unpaid and unclaimed amounts lying with the Company on the website of the Company at www.asl.net.in.

The Company is under process to transfer an Amount of 1492.20 for the Financial Year 2010-11, being unclaimed/unpaid Dividend as on 12th August, 2019 to IEPF under Section 124(5) and Section 125(1) of Companies Act, 2013.

The following table gives information relating to outstanding Dividend accounts and the dates by which they can be claimed by the Shareholders:

Financial Year	Date of declaration of Dividend	Last Date for claiming unpaid/unclaimed
2014-15	September 25, 2015	September 24, 2022
2015-16	September 20, 2016	September 19, 2023
2016-17	September 30, 2017	September 29, 2024
2017-18	September 28, 2018	September 27, 2025
2018-19	September 26, 2019	September 25, 2026
2021-22	September 20, 2022	September 19, 2029
2022-23	September 23, 2023	September 22, 2030

Further, pursuant to the provisions of Section 124 of the Companies Act, 2013 read with the IEPF Rules, all Shares on which the Dividend has not been paid or claimed for Seven Consecutive Years or more shall be transferred to IEPF Authority as notified by the Ministry of Corporate Affairs, in due course. In accordance with the IEPF Rules, after dispatching notices and publishing Newspaper Advertisement in this regard the Company has transferred 250 Equity Shares pertaining to Financial Year 2008-09 to the IEPF Authority. The Shareholders whose Dividend/Shares is/are will be transferred to the IEPF Authority can claim the same from the IEPF Authority by following the procedure as detailed on the website of the IEPF Authority <http://iepf.gov.in/IEPFA/refund.html>.

The complete details of the shares due for transfer to IEPF along with the manner to encash dividend and claim the shares are available on the website of the company at www.asl.net.in/investors. The Company has also appointed Mr. Ashokkumar B Chhajjer, Managing Director as the Nodal Officer under the IEPF Rules for the company.

p) Address for Investor Correspondence:

For Transfer/Dematerialization of Shares, payment of Dividend on Shares and any other queries relating to the Shares, the Investors may contact the Registrar and Transfer Agents on:

Independent Auditor's Report

To the Members of
Arihant Superstructures Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Arihant Superstructures Limited ("the Company"), which comprise the Balance sheet as at 31 March, 2024, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015 as amended and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March, 2024, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs), as specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Financial Statements' section of

our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements for the financial year ended 31 March, 2024. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matter described below to be the key audit matter to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the standalone financial statements section of our report, including in relation to this matter. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone financial statements. The results of our audit procedures, including the procedures performed to address the matter below, provide the basis for our audit opinion on the accompanying standalone financial statements.

Key Audit Matter	How the matter was addressed in our audit
<p>Inventory Valuation</p> <p>The Company's inventory comprises of ongoing and completed real estate projects, unlaunched projects, and development rights.</p> <p>The inventories are carried at a lower of cost and net realizable value ('NRV'). The determination of the NRV involves estimates based on prevailing market conditions, current price and expected date of commencement and completion of the project, the estimated future selling price, the cost to complete projects and selling costs.</p> <p>Considering the significance of the amount of carrying value of inventories in the financial statements and the involvement of significant estimation and judgment in such assessment of NRV, the same has been considered a key audit matter.</p>	<p>Our audit procedure/testing includes among others</p> <ul style="list-style-type: none"> - We read and evaluate the accounting policies and disclosures made in the financial statements with respect to inventories. - Evaluating the management's valuation methodology and assessing the key estimates, data input and assumption adopted in the valuation which includes comparing expected future average selling price with available market data such as the recently transacted price for similar properties located in the nearby vicinity of each property development projects and sales budget plan maintained by the company. - Verifying the NRV assessment and comparing the estimated construction costs to complete each development with the company's updated budgets. - We have tested the NRV of the inventories to carry value in the books on a sample basis.

Key Audit Matter	How the matter was addressed in our audit
<p>Assessing the recoverability of carrying value of Investments and loans and advances made by the Company in subsidiaries</p> <p>As at March 31, 2024, the carrying values of the Company's investment in subsidiaries and other entities amounted to Rs. 9.07 Lakhs. Further, the Company has granted loans and advances to its subsidiaries amounting to Rs. 3018.78 Lakhs. Management reviews on a periodical basis whether there are any indicators of impairment of such investments and loans and advances.</p> <p>For cases where impairment indicators exist, management estimates the recoverable amounts of the investments, as being higher than fair value fewer costs of disposal, and value in use. Significant judgments are required to determine the key assumptions used in the determination of fair value in use.</p> <p>As the impairment assessment involves significant assumptions and judgment, we regard this as a key audit matter.</p>	<p>Our procedures in assessing the impairment of the investment included, among others, the following:</p> <ul style="list-style-type: none"> - We read and evaluate the accounting policies with respect to investments. - We examined the management assessment in determining whether any impairment indicators exist. - We examined the management assessment in determining whether any impairment indicators exist. - We compared the recoverable amount of the investment to the carrying value in books. - We assessed the financial condition of entities to whom loans and advances were granted by obtaining the most recent audited financial statements of such entities. - We performed inquiries with management on the project status and future business plan of entities to whom loans and advances were granted to evaluate their recover ability. - We assessed the disclosures made in the standalone financial statements regarding such investments and loans and advances

Other Information

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs (financial position), profit (financial performance including Other Comprehensive Income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in

accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Company's Management and Board of Directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence

the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements for the financial year ended March 31, 2024 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2020 issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act 2013, we give in the 'Annexure A', a statement on the matters specified in paragraphs 3 and 4 of the said order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations, which to the best of our knowledge and belief, were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - (e) On the basis of the written representations received from the directors as on March 31, 2024, taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2024, from being appointed as a director in terms of Section 164 (2) of the Act;
 - (f) With respect to the adequacy of the internal financial controls with reference to these standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" to this report;
 - (g) In our opinion, the managerial remuneration for the year ended March 31, 2024 has been paid/provided by the Company to its directors in accordance with the

provisions of Section 197 read with Schedule V to the Act;

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. The company has, to the extent ascertainable, disclosed the impact of pending litigations on its financial position in its standalone financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there can be any material foreseeable losses.
 - iii. The company is required to transfer Rs. 0.01 lakhs to the Investor Education and Protection Fund.
 - iv. (i) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person/entity, including foreign entities ('Intermediaries'), with the understanding, whether recorded in writing or otherwise, that the Intermediary has, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (ii) The Management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person/entity, including foreign entities, with the understanding, whether recorded in writing or otherwise, as on the date of this audit report, that the company has directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- (iii) Based on our audit procedures which we have considered reasonable and appropriate in the circumstances and according to the information and explanations provided to us by the Management in this regard, nothing has come to the notice that has caused us to believe that the representations made by the Management under sub-clause (i) and (ii) contain any material misstatement.
 - v. (i) The final dividend proposed in the previous year, declared and paid by the Company during the year is in accordance with section 123 of the Act, as applicable.
 - (ii) The Board of Directors of the Company have proposed a dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with section 123 of the Act, as applicable.
 - vi. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with. Since proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 01, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirement for record retention is not applicable for the financial year ended March 31, 2024.

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory requirements' section of our Independent Auditors' Report to the members of ARIHANT SUPERSTRUCTURES LIMITED on the standalone financial statements for the year ended 31st March, 2024)

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment, and Investment properties.
The Company has maintained proper records showing full particulars of intangible assets.
- (b) The Property, Plant & Equipment of the company have been physically verified by the management during the year and no material discrepancies have been identified on such verification. In our opinion the frequency of verification is reasonable.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable property (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) as disclosed in the financial statements are held in the name of the Company.
- (d) The Company has not revalued any of its Properties, Plant, and Equipment (including right-of-use assets) or intangible assets or both during the year. Accordingly, the requirement under paragraph 3(i)(d) of the Order are not applicable to the Company.
- (e) According to the information and explanations given to us, no proceeding has been initiated or pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988 and rules made thereunder. Accordingly, the provisions stated in clause 3(i) (e) of the Order are not applicable to the Company.
- (ii) (a) The company inventory includes construction work in progress accordingly the requirement under paragraph 3(ii)(a) of the Order is not applicable for construction work in progress. The Inventory comprising of finished goods has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable. The procedure of physical verification of inventories followed by the management is adequate in relation to the size of the company and the nature of its business. No discrepancies were noticed on verification between the physical stocks and the book records.
- (b) The Company has not been sanctioned working capital limits in excess of Rs. 5 crores in aggregate from Banks/ financial institutions on the basis of security of current assets. Accordingly, the requirement under paragraph 3(ii)(b) of the Order is not applicable to the company.
- (iii) According to the information and explanation given to us, the Company has provided loans or advances in the nature of loans or given guarantee, or provided security to any other entity.

- A. The details of such loans or advances and guarantees or security to subsidiaries, Joint Ventures, and Associates in accordance with provisions of the Companies Act, 2013 are as follow:

Particulars	Guarantees: (Rs. In Lakhs)	Security (Rs. In Lakhs)	Loans (Rs. In Lakhs)	Advances (Rs. In Lakhs)
Aggregate amount granted/provided during the year				
Subsidiaries	NIL	NIL	1280.00	NIL
Joint Ventures	NIL	NIL	NIL	NIL
Associates	NIL	NIL	NIL	NIL
Balance Outstanding as at balance sheet date in respect of above cases				
Subsidiaries	NIL	NIL	3018.78	NIL
Joint Ventures	NIL	NIL	NIL	NIL
Associates	NIL	NIL	NIL	NIL

- B. The details of such loans or advances and guarantees or security to parties other than subsidiaries, joint ventures and associates are as follows:

Particulars	Guarantees: (Rs. In Lakhs)	Security (Rs. In Lakhs)	Loans (Rs. In Lakhs)	Advances (Rs. In Lakhs)
Aggregate amount granted/provided during the year				
Others	NIL	NIL	NIL	NIL
Balance Outstanding as at balance sheet date in respect of above cases				
Others	NIL	NIL	NIL	NIL

- (b) According to the information and explanations given to us and based on the audit procedures performed by us, we are of the opinion that the terms and conditions in relation to investments made, guarantee provided, and security given are not prejudicial to the interest of the Company.
- (c) In case of the loans or advances in the nature of the loan, the schedule of repayment of principal and payment of interest have been stipulated and the borrowers have been regular in the payment of the principal and interest.
- (d) There are no amounts overdue for more than ninety days as of the balance sheet date other than those already provided for in respect of the loan granted to Company/ Firm/ LLP/ Other Parties.
- (e) According to the information explanation provided to us, the loan or advance in the nature of the loan granted has not fallen due during the year. Hence, the requirements under clause 3(iii)(e) of the Order are not applicable to the Company.
- (f) According to the information and explanation given to us and on the basis of our examination of the records of the Company, in our opinion the Company has not granted any loans and/or advances in the nature of loans which are either repayable on demand or without specifying any terms or period of repayment except for the following loans or advances in the nature of loans to its Promoters and related parties as defined in clause (76) of section 2 of the Companies Act, 2013 ("the Act"):

Particulars	Related Parties (Rs In Lakhs)	Total Unsecured Loan (Rs. In Lakhs)
Aggregate of loans/ advances of loan	3018.78	3018.78

- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act, in respect of loans, investments, guarantees and security made. Further, as the Company is engaged in the business of providing infrastructural facilities, the provisions of section 186 [except for sub-section (1)] are not applicable to it.
- (v) In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and the rules framed thereunder.
- (vi) We have broadly reviewed the books of accounts maintained by the Company pursuant to the rules prescribed by the Central Government for the maintenance of cost records under Section 148(1) of the Act and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the records.
- (vii) (a) According to the information and explanations given to us and the records of the Company examined by

us, in our opinion, the Company is generally regular in depositing undisputed statutory dues in respect of Goods and Services Tax, provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and any other material statutory dues though there has been a slight delay in few cases, with the appropriate authorities.

According to the information and explanations are given to us, no undisputed amounts payable in respect of Goods and Services Tax, provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and any other material statutory dues were in arrears as at March 31, 2024, for a period of more than six months from the date they became payable.

- (b) According to the information and explanations given to us and the records of the Company examined by us, there is no disputed due payable in respect of statutory dues referred to in sub-clause (a) above as at March 31, 2024.
- (viii) According to the information and explanations given to us, no unrecorded transactions in books of accounts, have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.
- (ix) (a) In our opinion and according to the information and explanations given to us, the Company has not defaulted in repayment of loans or borrowings or in payment of interest thereon to any lender.
- (b) According to the information and explanations given to us and on the basis of our audit procedures, we report that the Company has not been declared a wilful defaulter by any bank or financial institution or government or any government authority.
- (c) In our opinion and according to the information explanation provided to us, money raised by way of term loans during the year have been applied for the purpose for which they were raised.
- (d) According to the information and explanations given to us, the procedures performed by us, and on an overall examination of the standalone financial statements of the Company, we report that no funds raised on a short-term basis have been used for long-term purposes by the Company.
- (e) According to the information explanation given to us and on an overall examination of the standalone financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- (f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures, or associate companies.

- (x) (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- (b) The Company has complied with provisions of Section 42 of Companies Act, 2013 in respect of private placement of Non-Convertible Debentures during the year. According to the information and explanations given by the management, we report that the amounts raised, have been used for the purposes for which the funds were raised.
- (xi) (a) According to the information and explanations given to us, no fraud by the Company or on the Company has been noticed or reported during the course of our audit. Hence clause (xi)(a) of the order is not applicable.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) According to the information and explanations given to us, no whistle-blower complaints were received by the company during the year.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, the provision stated in clause 3(xii) of the order are not applicable.
- (xiii) In our opinion and according to the information and explanations given to us and based on our examination of the records of the company, the transactions with related parties are in compliance with Sections 177 and 188 of the Companies Act, 2013, where applicable, and the details of the related party transactions have been disclosed in the standalone financial statements as required by the applicable Indian Accounting Standards
- (xiv) (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered the internal audit reports of the Company issued till date for the period under audit.
- (xv) According to the information and explanations given to us, in our opinion during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence, provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(a) of the Order is not applicable.
- (b) The Company has not conducted any Non-Banking Financial or Housing Finance activities. Accordingly, clause 3(xvi)(b) of the Order is not applicable.
- (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable.
- (d) According to the information and explanations provided to us during the course of the audit, the Group does not have any CIC. Accordingly, the requirements of clause 3(xvi)(d) are not applicable.
- (xvii) The Company has not incurred cash losses in current and in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year. Accordingly, clause 3(xviii) of the Order is not applicable.
- (xix) According to information and explanation given to us and on the basis of the financial ratios, aging and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of the balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) In our opinion and according to the information and explanations given to us, there is no unspent amount under sub-section (5) of Section 135 of the Companies Act, 2013 pursuant to any project. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable.

ANNEXURE B TO INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory requirements' section of our Independent Auditors' Report to the members of ARIHANT SUPERSTRUCTURES LIMITED on the standalone financial statements for the year ended 31st March, 2024)

Report on the Internal Financial Controls under Cause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls over financial reporting of Arihant Superstructures Limited ("the Company") as of March 31, 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on

the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1 General information

Arihant Superstructures Limited ("the Company") having CIN L51900MH1983PLC029643 is a Public Limited Company domiciled and incorporated in India and its shares are publically traded on National Stock Exchange ("NSE") and the Bombay Stock Exchange ("BSE"), India. The Company's Registered Office is located at Arihant Aura, B-Wing, 25th Floor, Plot no. 13/1, TTC Industrial Area, Thane Belapur Road, Turbhe, Navi Mumbai, Maharashtra - 400705. The operation of the Company spanned in all aspect of Real Estate Development, from the identification and Acquisition of Land, planning, execution, construction and marketing of projects. The Company has its presence in the States of Rajasthan and Maharashtra.

2 Summary of Significant Accounting Policies

2.1 Basis of preparation of Financial Statements

The Financial Statements have been prepared on accrual basis in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and the provisions of the Companies Act, 2013.

The Financial Statements have been prepared on accrual and going concern basis under historical cost convention except for certain financial assets and liabilities which have been measured at fair value (refer accounting policy regarding financial instruments). If no such transactions can be identified, an appropriate valuation model is used. Impairment losses of continuing operations, including impairment on inventories, are recognized.

The Financial Statements are presented in Indian Rupees ("Rs" or "₹") and all amounts are rounded to the nearest lakhs, except as stated otherwise.

The standalone Financial Statements of the Company for the year ended March 31, 2024 were approved by the Board of Directors and authorized for issue on May 15, 2024.

2.2 Use of Estimates and Judgments

The preparation of the Financial Statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions effect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the Financial Statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period and actual results may differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the Financial Statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the Financial Statements. The basis of the description is as under:

1) Evaluation of satisfaction of performance obligation at a point in time for the purpose of revenue recognition:

Determination of revenue under the satisfaction of performance obligation at a point in time method necessarily involves making estimates, some of which are of a technical nature, concerning, where relevant, the timing of satisfaction of performance obligation, costs to completion, the expected revenues from the project or activity and the foreseeable losses to completion. The Company recognizes revenue when the company satisfies its performance obligation

2) Evaluation of percentage of completion for the purpose of revenue recognition:

Determination of revenue under the percentage of completion method necessarily involves making estimates, some of which are of a technical nature, concerning, where relevant, the percentage of completion, cost of completion, the expected revenue from the project or activity and the foreseeable losses to completion. Estimates of project income, as well as project costs, are reviewed periodically. The effect of changes, if any, to estimates is recognized in the standalone Financial Statements for the period in which such changes are determined.

3) Useful life and residual value of Property, Plant and Equipment and Intangible Assets:

Useful lives of Property, Plant and Equipment and Intangible Assets are based on the life prescribed in Schedule II of the Companies Act, 2013 or based on internal technical evaluation. Assumptions are also made when the company assesses, whether an asset may be capitalized and which components of the cost of the asset may be capitalized.

4) Recognition of Deferred Tax Asset:

The extent of which deferred tax asset can be recognized is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilized.

Notes forming part of the Standalone Financial Statements as at 31 March, 2024

(All amounts in INR Lakhs except as stated otherwise)

5) Provisions and contingencies:

The recognition and measurement of other provisions are based on the assessment of the probability of an outflow of resources, and on past experience and circumstances known at the balance sheet date. The actual outflow of resources at a future date may therefore vary from the amount included in other provisions.

2.3 Current versus Non-Current classification

The Company presents Assets and Liabilities in the Balance Sheet based on Current/Non-Current classification. The normal operating cycle, in the context of the Company, is the time between the acquisition of Land for a real estate project and its realization in Cash and Cash Equivalents by way of sale of developed units.

An Asset is treated as Current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realized within twelve months after the reporting period, or
- Cash or Cash Equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other Assets are classified as Non-Current. A Liability is Current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as Non-Current.

Deferred Tax Assets and Liabilities are classified as Non-Current Assets and Liabilities.

2.4 Property, Plant and Equipment

i. Recognition and measurement

All property, plant and equipment except freehold land are stated at historical cost less accumulated depreciation. Building was recorded at fair value as deemed cost as at the date of transition to Ind AS. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Cost includes freight, duties, taxes, borrowing cost and incidental expenses related to the acquisition and installation of the asset.

Freehold Land is measured at fair value. Valuations are performed with sufficient frequency to ensure that the carrying value of revalued asset does not defer materially from its fair value. Revaluation surplus is recorded in Other Comprehensive Income and credited to the Revaluation reserve in Other Equity.

ii. Subsequent costs

Subsequent expenditure is capitalized only when it is probable that the future economic benefits of the expenditure will flow to the Company. All other repairs and maintenance are charged to the Standalone Ind AS Statement of Profit and Loss during the reporting period in which they are incurred.

iii. Derecognition

The carrying amount of an item of Property, Plant and Equipment is derecognized on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from the derecognition of an item of Property, Plant and Equipment is measured as the difference between the net disposal proceeds and the carrying amount of the item and is recognized in the Standalone Statement of Profit and Loss when the item is derecognized.

iv. Capital work in progress

Cost of assets not ready for intended use, as on the Balance Sheet date, is shown as capital work in progress.

v. Depreciation

Depreciation is calculated on a written down value basis over the estimated useful lives of the assets as specified in Schedule II of Companies Act, 2013 except for site/sales offices, sample flats and aluminium formwork wherein the estimated useful lives is determined by the management. Management believes that such estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

Notes forming part of the Standalone Financial Statements as at 31 March, 2024

(All amounts in INR Lakhs except as stated otherwise)

Class of Property, Plant and Equipment	Useful life (in years)
Buildings	30
Rented Premises	Lease Period
Plant and Machinery	5-10
Furniture & Fixtures	8-10
Vehicles	5-10
Electricals Installations	10
Equipments and facilities	5-8
Computer Hardware	3

Depreciation on addition to property plant and equipment is provided on pro-rata basis from the date of acquisition.

Depreciation on assets sold during the year is charged to the Standalone Statement of Profit and Loss up to the month preceding the month of sale.

Depreciation methods, useful lives and residual values are reviewed periodically at each financial year end and adjusted prospectively, as appropriate.

2.5 Intangible Assets

Intangible Assets acquired separately are measured on initial recognition at cost. Following initial recognition, Intangible Assets are carried at cost less any accumulated amortization and impairment loss. Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

On transition to Ind AS, the Company has elected to continue with the carrying value of all its Intangible Assets recognized as at 1st April, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of Intangible Assets.

The useful lives of Intangible Assets are assessed as either finite or indefinite.

Intangible Assets with finite lives are amortized on a Straight-Line Method over the useful economic life and assessed for impairment whenever there is an indication that the Intangible Asset may be impaired. The amortization period and the amortization method for an Intangible Asset are reviewed at least at the end of each reporting period and adjusted, if appropriate. The useful economic lives estimated for various classes of Intangible Assets are as follows:

Class of Intangible Assets	Useful life (in years)
Goodwill	5
Trademark and Logo	10
Software	3

Intangible Assets with indefinite useful lives are not amortized, but are tested for impairment annually.

2.6 Investment Properties

Investment properties are measured initially at cost, including transaction costs and borrowing costs, wherever applicable. Subsequent to initial recognition. Subsequent expenditure is capitalized to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred.

On transition to Ind AS, the Company has elected to continue with the carrying value of all its Investment Properties recognized as at 1st April, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the Investment Properties.

Investment Properties are derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of Investment Properties are included in Profit and Loss in the period of de-recognition.

2.7 Finance Costs

Borrowing costs that are directly attributable to real estate project development activities are inventoried / capitalized as part of project cost.

Borrowing costs are inventoried / capitalized as part of project cost when the activities that are necessary to prepare the inventory/ asset for its intended use or sale are in progress. Borrowing costs are suspended from inventorization / capitalization

Notes forming part of the Standalone Financial Statements as at 31 March, 2024

(All amounts in INR Lakhs except as stated otherwise)

when development work on the project is interrupted for extended periods and there is no imminent certainty of recommencement of work.

All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds.

2.8 Leases

The Company evaluates each contract or arrangement, whether it qualifies as lease as defined under Ind AS 116.

Company as a Lessee

The Company assesses, whether the contract is, or contains, a lease at the inception of the contract or upon the modification of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

The Company at the commencement of the lease contract recognizes a Right-of-Use (RoU) asset at cost and corresponding lease liability, except for leases with a term of twelve months or less (short-term leases) and leases for which the underlying asset is of low value (low-value leases). For these short-term and low-value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

The cost of the right-of-use assets comprises the amount of the initial measurement of the lease liability, adjusted for any lease payments made at or prior to the commencement date of the lease, any initial direct costs incurred by the Company, any lease incentives received and expected costs for obligations to dismantle and remove right-of-use assets when they are no longer used.

Subsequently, the right-of-use assets is measured at cost less any accumulated depreciation and accumulated impairment losses, if any. The right-of-use assets are depreciated on a straight-line basis from the commencement date of the lease over the shorter of the end of the lease term or useful life of the right-of-use asset.

Right-of-use assets are assessed for impairment whenever there is an indication that the balance sheet carrying amount may not be recoverable using cash flow projections for the useful life.

For lease liabilities at commencement date, the Company measures the lease liability at the present value of the future lease payments as from the commencement date of the lease to end of the lease term. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, the Company's incremental borrowing rate for the asset subject to the lease in the respective markets.

Subsequently, the Company measures the lease liability by adjusting carrying amount to reflect interest on the lease liability and lease payments made.

The Company remeasures the lease liability (and makes a corresponding adjustment to the related right-of-use asset) whenever there is a change to the lease terms or expected payments under the lease, or a modification that is not accounted for as a separate lease.

The portion of the lease payments attributable to the repayment of lease liabilities is recognized in cash flows used in financing activities. Also, the portion attributable to the payment of interest is included in cash flows from financing activities. Further, Short-term lease payments, payments for leases for which the underlying asset is of low-value and variable lease payments not included in the measurement of the lease liability is also included in cash flows from operating activities.

Company as a Lessor

In arrangements where the Company is the lessor, it determines at lease inception whether the lease is a finance lease or an operating lease. Leases that transfer substantially all of the risk and rewards incidental to ownership of the underlying asset to the counterparty (the lessee) are accounted for as finance leases. Leases that do not transfer substantially all of the risks and rewards of ownership are accounted for as operating leases. Lease payments received under operating leases are recognized as income in the statement of profit and loss on a straight-line basis over the lease term or another systematic basis. The Company applies another systematic basis if that basis is more representative of the pattern in which benefit from the use of the underlying asset is diminished.

2.9 Non-Current Assets held for Sale

Non-Current Assets are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use and a sale is considered highly probable. They are measured at the lower of their carrying amount and fair value less costs to sell.

Non-current Assets classified as held for sale and their related Liabilities are presented separately in the Balance Sheet. Non-current Assets are not depreciated or amortized while they are classified as Held for Sale.

Notes forming part of the Standalone Financial Statements as at 31 March, 2024

(All amounts in INR Lakhs except as stated otherwise)

2.10 Dividends Declared

Provision is made for the amount of any Dividend declared, being appropriately authorized and no longer at the discretion of the Company, on or before the end of the reporting period but not distributed at the end of the reporting period.

2.11 Inventories

Construction Materials and Consumables

Construction Materials and Consumables are valued at lower of cost and net realizable value.

Land/Development Rights

Land/Development Rights are valued at lower of cost and net realizable value.

Construction work in Progress

Completed units and project development forming part of Work in Progress are valued at lower of cost and net realizable value. Cost includes direct materials, labour, project specific direct indirect expenses.

Finished Goods

Finished goods of completed projects and Stock in trade of units is valued at lower of cost or net realizable value.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

Cash and Cash Equivalents

Cash and Cash Equivalent in the Balance Sheet comprise Cash at Banks and on in Hand and Short-Term Deposits maturing within twelve months from the date of Balance Sheet.

2.12 Impairment of Non-Financial Assets

The carrying amounts of Assets are reviewed at each reporting date if there is any indication of impairment based on internal / external factors. An impairment loss is recognized wherever the carrying amount of an Asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's fair value less cost of disposals and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. Fair value is the price that would be received to sell an Asset or paid to transfer a Liability in orderly transaction between market participants at the measurement date. After impairment, depreciation is provided on the revised carrying amount of the Asset over its remaining useful life.

The Group bases its impairment calculation on detailed budgets and forecast calculations, which are prepared separately for the Company Cash Generating Unit's (CGU) to which the individual Assets are allocated. These budgets and forecast calculations generally cover a period of five years. For longer periods, a long-term growth rate is calculated and applied to project future cash flows after the fifth year.

Impairment losses are recognized in the Statement of Profit and Loss in expense categories.

An assessment is made at each reporting date as to whether there is any indication that previously recognized impairment losses may no longer exist or may have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. A previously recognized impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognized. The reversal is limited so that the carrying amount of the Asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the Asset in prior years.

2.13 Provisions, Contingent Liabilities and Contingent Assets

A Provision is recognized when the Company has present determined obligations as a result of past events an outflow of resources embodying economic benefits will be required to settle the obligations. Provisions are recognized at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date.

If the effect of the time value of money is material, provisions are discounted using a current pre tax rate that reflects, where appropriate, the risks specific to the liability. Where discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

A Contingent Liability is not recognized but disclosed in the Notes to the accounts, unless the probability of an outflow of resources is remote. A Contingent Asset is generally neither recognized nor disclosed.

Notes forming part of the Standalone Financial Statements as at 31 March, 2024

(All amounts in INR Lakhs except as stated otherwise)

2.14 Financial Instruments

A. Financial Instruments - Initial recognition and measurement

Financial Assets and Financial Liabilities are recognized in the Company's Statement of Financial position when the Company becomes a party to the contractual provisions of the instrument. The Company determines the classification of its Financial Assets and Liabilities at initial recognition. All Financial Assets are recognized initially at fair value plus, in the case of Financial Assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

B.1. Financial Assets—Subsequent measurement

The Subsequent measurement of Financial Assets depends on their classification which is as follows:

a. Financial Assets at fair value through Profit or Loss

Financial Assets at fair value through Profit and Loss include Financial Assets Held for Sale in the near term and those designated upon initial recognition at fair value through profit or loss.

b. Financial Assets measured at amortized cost

Loans and Receivables are non-derivative Financial Assets with fixed or determinable payments that are not quoted in an active market. Trade Receivables do not carry any interest and are stated at their nominal value as reduced by appropriate allowance for estimated irrecoverable amounts based on the ageing of the receivables balance and historical experience. Additionally, a large number of minor Receivables are grouped into homogenous groups and assessed for impairment collectively. Individual Trade Receivables are written off when management deems them not to be collectible.

c. Financial Assets at fair value through OCI

All Equity Investments, except Investments in Subsidiaries, Joint Ventures and Associates, falling within the scope of Ind AS 109, are measured at fair value through Other Comprehensive Income (OCI). The Company makes an irrevocable election on an instrument by instrument basis to present in Other Comprehensive Income subsequent changes in the fair value. The classification is made on initial recognition and is irrevocable.

If the Company decides to designate an Equity Instrument at fair value through OCI, then all fair value changes on the instrument, excluding Dividends, are recognized in the OCI.

B.2. Financial Assets—Derecognition

The Company derecognizes a financial asset when the contractual rights to the cash flows from the Assets expire or it transfers the financial asset and substantially all the risks and rewards of ownership of the asset.

Upon derecognition of Equity Instruments designated at fair value through OCI, the associated fair value changes of that equity instrument is transferred from OCI to Retained Earnings.

C. Investment in Subsidiaries, Joint Ventures and Associates

Investments made by the Company in Subsidiaries, Joint Ventures and Associates are measured at cost in the Standalone Financial Statements of the Company.

D.1. Financial liabilities—Subsequent measurement

The Subsequent measurement of financial liabilities depends on their classification which is as follows:

a. Financial Liabilities at fair value through Profit or Loss

Financial Liabilities at fair value through Profit or Loss include Financial Liabilities Held for Trading, if any.

b. Financial Liabilities measured at amortized cost

Interest bearing loans and borrowings including debentures issued by the Company are subsequently measured at amortized cost using the Effective Interest Rate method (EIR). Amortized cost is calculated by taking into account any discount or premium on acquisition and fee or costs that are integral part of the EIR. The EIR amortized is included in finance costs in the Statement of Profit and Loss

D.2. Financial Liabilities —Derecognition

A Financial Liability is derecognized when the obligation under the liability is discharged or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing

Notes forming part of the Standalone Financial Statements as at 31 March, 2024

(All amounts in INR Lakhs except as stated otherwise)

liability are substantially modified, such an exchange or modification is treated as derecognition of the original liability and the recognition of new liability. The difference in the respective carrying amount is recognized in the Standalone Statement of Profit and Loss.

E. Offsetting Financial Instruments

Financial Assets and Financial Liabilities are offset and the net amount reported in the Statement of Financial Position, if and only if, there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, or to realize the Assets and settle the Liabilities simultaneously.

F. Fair value measurement

The Company measures certain financial instruments at fair value at each reporting date. Fair value is the price that would be received to sell an Asset or paid to transfer a Liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the Assets or Liability or
- In the absence of a principal market, in the most advantageous market for the Asset or Liability. The principal or the most advantageous market must be accessible to the Company.

The Company uses valuation technique that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

Level 1 - Quoted (unadjusted) market prices in active market for identical Assets or Liabilities.

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 - Valuation technique for which the lowest level input that is significant to the fair value measurement is unobservable.

2.15 Selling Costs

Selling expenses related to specific projects/units are being charged to Statement of Profit and Loss in the year in which the revenue thereof is accounted.

2.16 Revenue Recognition

Revenue from contracts with customer is recognized, when control of the goods or services are transferred to the customer, at an amount that reflects the consideration to which the Group is expected to be entitled in exchange for those goods or services. The Group assesses its revenue arrangements against specific criteria in order to determine if it is acting as principal or agent. The Group concluded that it is acting as a principal in all of its revenue arrangements. The specific recognition criteria described below must also be met before revenue is recognized.

The specific recognition criteria for the various types of the Company's activities are described below:

i. Revenue from Real Estate Projects

The Group recognizes revenue, on execution of agreement or letter of allotment and when control of the goods or services are transferred to the customer, at an amount that reflects the consideration (i.e. the transaction price) to which the Group is expected to be entitled in exchange for those goods or services excluding any amount received on behalf of third party (such as indirect taxes). An asset created by the Group's performance does not have an alternate use and as per the terms of the contract, the Group has an enforceable right to payment for performance completed till date. Hence the Group transfers control of a good or service over time and, therefore, satisfies a performance obligation and recognizes revenue over time. The Group recognizes revenue at the transaction price which is determined on the basis of agreement or letter of allotment entered into with the customer. The Group recognizes revenue for performance obligation satisfied over time only if it can reasonably measure its progress towards complete satisfaction of the performance obligation. The Group would not be able to reasonably measure its progress towards complete satisfaction of a performance obligation if it lacks reliable information that would be required to apply an appropriate method of measuring progress. In those circumstances, the Group recognizes revenue only to the extent of cost incurred until it can reasonably measure outcome of the performance obligation.

The Group uses cost based input method for measuring progress for performance obligation satisfied over time. Under this method, the Group recognizes revenue in proportion to the actual project cost incurred (excluding land and finance cost) as against the total estimated project cost (excluding land and finance cost).

Notes forming part of the Standalone Financial Statements as at 31 March, 2024

(All amounts in INR Lakhs except as stated otherwise)

The management reviews and revises its measure of progress periodically and are considered as change in estimates and accordingly, the effect of such changes in estimates is recognized prospectively in the period in which such changes are determined.

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Group performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognized for the earned consideration that is conditional.

A contract liability is the obligation to transfer goods or services to a customer for which the Group has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Group transfers goods or services to the customer, a contract liability is recognized when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognized as revenue when the Group performs under the contract

ii. Interest income

Interest income from Debt Instruments (including Fixed Deposits) is recognized using the Effective Interest Rate method. The Effective Interest Rate is that rate that exactly discounts estimated future cash receipts through the expected life of the Financial Asset to the gross carrying amount of a Financial Asset. While calculating the Effective Interest Rate, the Company estimates the expected cash flows by considering all the contractual terms of the Financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

iii. Dividends

Revenue is recognized when the Company's right to receive the payment is established.

iv. Delayed Payment Charges

Delayed Payment Charges claimed to expedite recoveries are accounted for on realization.

v. Other Income

Other Income is accounted for on accrual basis except, where the receipt of income is uncertain.

vi. Rental Income

Rental income arising from operating leases is accounted over the lease terms.

2.17 Foreign Currency Transactions

Foreign Currency Transactions are translated into Indian rupee using the exchange rates prevailing on the date of the transaction. Foreign exchange gains and losses resulting from the settlement of these transactions and from the translation of monetary Assets and Liabilities denominated in foreign currencies at year end exchange rates are recognized in the Statement of Profit or Loss.

2.18 Income Taxes

Current tax

The Current Tax expense for the period is determined as the amount of tax payable in respect of taxable income for the period, based on the applicable income tax rates.

Current Tax relating to items recognized in Other Comprehensive Income or Equity is recognized in Other Comprehensive Income or Equity, respectively.

Deferred Tax

Deferred Tax is provided using the liability method on temporary differences between the tax bases of Assets and Liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred Tax liabilities are recognized for all taxable temporary differences. Deferred tax Assets are recognized for all deductible temporary differences and, the carry forward of unused tax credits and any unused tax losses. Deferred Tax Assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, the carry forward of unused tax credits and unused tax losses can be utilized.

Deferred Tax Assets and Liabilities are measured at the tax rates that are expected to apply in the year when the Asset is realized or the Liability is settled, based on tax rates (and tax laws) that have been enacted at the Reporting date.

Deferred tax relating to items recognized in Other Comprehensive Income or Equity is recognized in Other Comprehensive Income or Equity, respectively.

Deferred Tax Assets and Deferred Tax Liabilities are offset if a legally enforceable right exists to set off current tax Assets against Current Tax Liabilities.

Notes forming part of the Standalone Financial Statements as at 31 March, 2024

(All amounts in INR Lakhs except as stated otherwise)

2.19 Earnings Per Share

The basic Earnings Per Share (EPS) is calculated by dividing the net profit or loss for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating Diluted Earnings per Share, the net profit or loss for the year attributable to the Equity Shareholders and the weighted average number of Equity Shares outstanding during the year is adjusted for the effects of all dilutive potential Equity Shares.

2.20 Exceptional Items

Exceptional items refer to items of income or expense within Statement of Profit and Loss from ordinary activities which are non-recurring and are of such size, nature or incidence that their separate disclosure is considered necessary to explain the performance of the Company.

2.21 Retirement and Other Employee Benefits

Retirement and other Employee benefits are accounted in accordance with Ind AS 19 – Employee Benefits.

Defined Contribution Plan

The Company contributes to a recognized provident fund for all its employees. Contributions are recognized as an expense when employees have rendered services entitling them to such benefits.

Gratuity (Defined Benefit Scheme)

The Company provides for its gratuity liability based on actuarial valuation as at the balance sheet date which is carried out by an independent actuary using the Projected Unit Credit Method. Actuarial gains and losses are recognized in full in the Other Comprehensive Income for the period in which they occur.

Note 29: Financial Instruments : Accounting classifications and fair value measurements

(i) Accounting classifications

The fair values of the financial assets and liabilities are determined at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

The carrying amounts of trade receivables, cash and cash equivalents, bank balances, short term deposits, trade payables, payables for acquisition of property, plant and equipment, short term loans from banks, financial institutions and other current financial assets and liabilities are considered to be the same as their fair values, due to their short-term nature.

(ii) Fair value measurements

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

The following table presents carrying value and fair value of financial instruments by categories and also fair value hierarchy of assets and liabilities measured at fair value :

As at March 31, 2024

Note 30: Financial Risk Management

The Company is exposed to financial risks arising from its operations and the use of financial instruments. The Company has identified financial risks and categorised them in three parts viz.

- (i) Credit Risk,
- (ii) Liquidity Risk and
- (iii) Market Risk.

Risk management framework

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The board of directors are responsible for developing and monitoring the Company's risk management.

The Company's risk management framework, are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

(i) Credit Risk

Credit risk refers to the possibility of a customer and other counterparties not meeting their obligations and terms and conditions which would result into financial losses. Such risk arises mainly from trade receivables, other receivables, loans and investments.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis through each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of default occurring on asset as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

- i) Actual or expected significant adverse changes in business,
- ii) Actual or expected significant changes in the operating results of the counterparty,
- iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligations,
- iv) Significant increase in credit risk on other financial instruments of the same counterparty,
- v) Significant changes in the value of the collateral supporting the obligation or in the quality of the third-party guarantees or credit enhancements

Financial assets are written off when there is no reasonable expectation of recovery, such as a debtor failing to engage in a repayment plan with the Company. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognized as income in the statement of profit and loss. The Company establishes an allowance for doubtful debts and impairment that represents its estimate of incurred losses in respect of trade and other receivables, loans and advances. The maximum exposure to credit risk in case of all the financial instruments covered below is restricted to their respective carrying amount.

Cash and cash equivalents

Credit risk from cash and bank balances is managed by the Company's treasury department in accordance with the Company's policy

Notes forming part of the Standalone Financial Statement as at March 31, 2024

(All amounts in INR Lakhs except as stated otherwise)

(ii) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the Company operates.

a) Financing arrangements

The Company has access to funds from debt markets through loan from banks. The Company invests its surplus funds in bank fixed deposits.

b) Maturities of financial liabilities

The amounts disclosed in the table are the contractual undiscounted cash flows.

As at March 31, 2024

Particulars	Less than 1 year	1 - 5 years	More than 5 year	Gross carrying amount (INR)
Long term borrowings	-	-	-	-
Short term borrowings	-	-	-	-
Trade and other payables	2,471.89	-	-	2,471.89
Other financial liabilities	578.44	-	-	578.44
Total	3,050.33	-	-	3,050.33

As at March 31, 2023

Particulars	Less than 1 year	1 - 5 years	More than 5 year	Gross carrying amount (INR)
Long term borrowings	-	9,283.17	-	9,283.17
Short term borrowings	493.75	-	-	493.75
Trade and other payables	2,840.27	-	-	2,840.27
Other financial liabilities	411.09	-	-	411.09
Total	3,745.12	9,283.17	-	13,028.28

(iii) Market Risk

The risk that the fair value or future cash flows of financial instruments will fluctuate because of changes in market price. Market risk further comprises of

- (a) Currency risk;
(b) Interest rate risk; and

a) Currency risk

The Company is not exposed to any currency risk as the Company does not have any import payables, short term payables, short term borrowings and export receivables in foreign currency.

b) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates.

The Management is responsible for the monitoring of the Company's interest rate position. Various variables are considered by the Management in structuring the Company's borrowings to achieve a reasonable, competitive, cost of funding.

Notes forming part of the Standalone Financial Statement as at March 31, 2024

(All amounts in INR Lakhs except as stated otherwise)

- Exposure to interest rate risk

The Company's interest rate risk arises from borrowings. The interest rate profile of the Company's interest bearing financial instruments as reported to the Management of the Company is as follows:

Particulars	For the year ended March 31, 2024	For the year ended March 31, 2023
Fixed rate borrowings	15,744.69	9,341.21
Variable rate borrowing	5,487.23	435.71
Total	21,231.92	9,776.92

- Fair value sensitivity analysis for fixed-rate instruments

The Company does not account for any fixed-rate financial assets or financial liabilities at fair value through profit or loss. Therefore, a change in interest rates at the reporting date would not affect profit or loss.

Particulars	For the year ended March 31, 2024	For the year ended March 31, 2023
Interest sensitivity		
Interest rate increase by 50 basis points	440.08	437.89
Interest rate decrease by 50 basis points	431.36	433.53

- Capital Management

The Company's capital management objectives are:

- to ensure the Company's ability to continue as a going concern
- to provide an adequate return to shareholders

The Company monitors capital on the basis of the carrying amount of equity less cash and cash equivalents as presented on the face of balance sheet.

The Management assesses the Company's capital requirements in order to maintain an efficient overall financing structure while avoiding excessive leverage. This takes into account the subordination levels of the Company's various classes of debt. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares, or sell assets to reduce debt.

a) Debt Equity Ratio

The Company monitors capital using debt equity ratio. The Company's debt to equity ratios are as follows:

Particulars	For the year ended March 31, 2024	For the year ended March 31, 2023
Long term borrowings	15,744.69	9,283.17
Short term borrowings	5,487.23	493.75
Total Borrowing	21,231.92	9,776.92
Less: Cash and cash equivalents	303.47	303.47
Net Debt	20,928.45	-303.47
Total Equity	20,818.33	17,629.99
Debt to Equity Ratio	1.01	-0.02

b) Dividends

Dividends paid during the year

Particulars	For the year ended March 31, 2024	For the year ended March 31, 2023
- Interim Dividend		
Rate per Share	NIL	NIL
Amount in INR	NIL	NIL
- Final Dividend		
Rate per Share	0.5	NIL
Amount in INR	52.05	NIL

Notes forming part of the Standalone Financial Statement as at March 31, 2024

(All amounts in INR Lakhs except as stated otherwise)

Independent Auditor's Report

To The Members of
 Arihant Superstructures Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Arihant Superstructures Limited ("the Company") and its subsidiaries (the Company and its subsidiaries together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at March 31, 2024, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of their consolidated state of affairs of the Group as at March 31, 2024, of consolidated profit, consolidated total comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statement in accordance with the Standards on Auditing (SAs) specified under

Section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in terms of the Code of Ethics issued by the Institute of Chartered Accountants of India and the relevant provisions of the Act, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Key Audit Matter

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matter.

We have determined the matter described below to be the key audit matter to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the consolidated financial statements section of our report, including in relation to this matter. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the consolidated financial statements. The results of our audit procedures, including the procedures performed to address the matter below, provide the basis for our audit opinion on the accompanying consolidated financial statements.

Key Audit Matter	How the matter was addressed in our audit
<p>Revenue recognition</p> <p>The Group's most significant revenue streams involve sale of residential and commercial units representing 99.75% of the total revenue from operations of the Group</p> <p>Revenue is recognised post transfer of control of residential and commercial units to customers for the amount / consideration which the Group expects to receive in exchange for those units.</p> <p>The trigger for revenue recognition is normally percentage of completion of the project. The Group records revenue, over time till the actual possession to the customers, or on actual possession to the customers, as determined by the terms of contract with customers.</p> <p>The risk for revenue being recognized in an incorrect period presents a key audit matter due to the financial significance and geographical spread of the Group's projects across different regions in India.</p>	<p>Our audit procedures on Revenue recognition included the following:</p> <ul style="list-style-type: none"> Evaluating that the Company's revenue recognition accounting policies are in line with the applicable accounting standards and their application to the key customer contracts including consistent application; Scrutinising all the revenue journal entries raised throughout the reporting period and comparing details of a sample of these journals, which met certain risk-based criteria, with relevant underlying documentation' Conducting site visits during the year for selected projects to understand the scope and nature of the projects and to assess the progress of the projects; and Testing sample sales of units for projects with the underlying contracts, completion status and proceeds received from customers;

Key Audit Matter	How the matter was addressed in our audit
<p>Measurement of revenue recorded over time which is dependent on the estimates of the costs to complete</p>	<p>Measurement of revenue recorded over time which is dependent on the estimates of the costs to complete</p>
<p>Revenue recognition prior to receipt of Occupancy Certificate/ similar approval and intimation to the customer Revenue recognition involves significant estimates related to measurement of costs to complete for the projects. Revenue from projects is recorded based on the Group's assessment of the work completed, costs incurred and accrued and the estimate of the balance costs to complete.</p> <p>Considering the significant estimate involved in measurement of revenue, we have considered measurement of revenue as a key audit matter.</p>	<p>Our procedures in assessing the impairment of the investment included, among others, the following:</p> <ul style="list-style-type: none"> • Compared, on a sample basis, revenue transactions recorded during the year with the underlying contracts, progress reports, invoices raised on customers and collections in bank accounts and whether the related revenue had been recognised in accordance with the Company's revenue recognition policies; • Identification and testing operating effectiveness of key controls over recording of actual costs incurred for the projects; • Read, analysed and identified the distinct performance obligations in these contracts. • Performed analytical procedures for reasonableness of revenues disclosed by the company. • Verification of construction cost and land cost directly attributable to the project.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexes to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements and our auditor's report thereon

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to preparation of these consolidated financial statements

that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group are responsible for maintenance of the adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the Consolidated

Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the Consolidated Financial Statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements for the financial year ended March 31, 2024 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication

Other Matter

The standalone financial statements of the company for the year ended March 31, 2023, were audited by another auditor who expressed an unmodified opinion on those statements on March 31, 2023.

Our opinion on the standalone financial statements and our report on Other Legal and Regulatory requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the report of the other auditors and financial statements certified by the management.

Report on Other Legal and Regulatory Requirements

- 1) As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.

- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors of the Company as on March 31, 2024 taken on record by the Board of Directors of the Company and its subsidiaries incorporated in India and the reports of the statutory auditors of its subsidiary companies incorporated in India, none of the directors of the Group companies incorporated in India is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate Report in "Annexure A" which is based on the auditor's reports of the Company and its subsidiary companies incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial control over financial reporting of those companies, for reasons stated therein.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended: In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements disclose impact of pending litigations on the consolidated financial position of the Group.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. The company is required to transfer Rs.0.01 Lakh to the Investor Education and Protection Fund.
- iv. a) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person / entity, including foreign entities ('Intermediaries'), with the understanding, whether recorded in writing or otherwise, that the Intermediary has, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b) The Management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person / entity, including foreign entities, with the understanding, whether recorded in writing or otherwise, as on the date of this audit report, that the company has directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - c) Based on our audit procedures which we have considered reasonable and appropriate in the circumstances and according to the information and explanations provided to us by the Management in this regard, nothing has come to our notice that has caused us to believe that the representations made by the Management under sub-clause (1) and (2) contain any material misstatement.
- v. a) The final dividend proposed in the previous year, declared and paid by the Company during the year is in accordance with section 123 of the Act, as applicable.
 - b) The Board of Directors of the Company have proposed a dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with section 123 of the Act, as applicable.
- vi. Based on our examination, which included test checks, the Company and its subsidiaries incorporated in India, have used accounting software for maintaining their respective books of account for the financial year ended March 31, 2024 which has a feature of recording audit

trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with.

Since proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 01, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirement for record retention is not applicable for the financial year ended March 31, 2024.

- 2) In our opinion, according to information, explanations given to us, the remuneration paid by the Group, and its jointly controlled entities to its directors is within the limits prescribed under Section 197 of the Act and the rules thereunder.
- 3) With respect to matters specified in paragraph 3 (xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order" / "CARO") issued by the Central Government

in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO reports issued by us, for the Company and its subsidiaries included in the consolidated financial statements of the Company, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO reports.

Annexure A to Independent Auditors' Report

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory requirements' section of our Independent Auditors' Report to the members of ARIHANT SUPERSTRUCTURES LIMITED on the consolidated financial statements for the year ended 31st March, 2024)

Report on the Internal Financial Control over Financial Reporting under Cause (i) of Sub-section 3 of Section 143 of the Act

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2024, we have audited the internal financial controls over financial reporting of Arihant Superstructures Limited (hereinafter referred to as "Company") and its subsidiary companies, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("the ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over consolidated financial reporting of the Company and its subsidiary companies, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over consolidated financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over consolidated financial reporting and their operating effectiveness.

Our audit of internal financial controls over consolidated financial reporting included obtaining an understanding of internal financial controls over consolidated financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over consolidated financial reporting of the Company and its subsidiary companies, which are companies incorporated in India.

Meaning of Internal Financial Controls over Consolidated Financial Reporting

A company's internal financial control over consolidated financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over consolidated financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls over Consolidated Financial Reporting

Because of the inherent limitations of internal financial controls over consolidated financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over consolidated financial reporting to future periods are subject to the risk that the internal financial control over consolidated financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over consolidated financial reporting and such internal financial controls over consolidated financial reporting were operating effectively as at March 31, 2024, based on the internal control over consolidated financial reporting criteria established by the respective companies considering the essential components of

internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Consolidated Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes forming part of the Consolidated Financial Statements as at 31 March, 2024

(All amounts in INR Lakhs except as stated otherwise)

1 Corporate information

Arihant Superstructures Limited ("the Company") having CIN L51900MH1983PLC029643 is a Public Limited Company domiciled and incorporated in India and its shares are publically traded on National Stock Exchange ("NSE") and the Bombay Stock Exchange ("BSE"), India. The Company's Registered Office is located at Arihant Aura, B-Wing, 25th Floor, Plot no. 13/1, TTC Industrial Area, Thane Belapur Road, Turbhe, Navi Mumbai, Maharashtra - 400705. The operation of the Company spanned in all aspect of Real Estate Development, from the identification and Acquisition of Land, planning, execution, construction and marketing of projects. The Company has its presence in the States of Rajasthan and Maharashtra.

2 Summary of Significant Accounting Policies

2.1 Basis of preparation of Financial Statements

The Financial Statements of the subsidiaries used for the purpose of consolidation are drawn upto the same reporting date as that of the Company, i.e. March 31, 2024.

The consolidated Financial Statements of the Group have been prepared in accordance with the Indian Accounting Standards (Ind AS) to comply with the Section 133 of the Companies Act, 2013 ("the 2013 Act") and the relevant provisions and amendments, as applicable. The Consolidated Financial Statements have been prepared on accrual basis under the historical cost convention except certain financial instruments, defined benefit plans and share based payments measured at fair value.

The consolidated Financial Statements of the Group for the year ended March 31, 2024 were approved by the Board of Directors and authorised for issue on May 15, 2024.

2.2 Basis of Consolidation

- i) Arihant Superstructures Limited Consolidates entities which it owns or controls. The Consolidated Financial Statements comprises the Financial Statements of the Company, its Subsidiaries as disclosed in Note 38. Control exists when the parent has power over the entity, is exposed, or has rights, to variable returns from its involvement with the entity and has the ability to affect those returns by using its power over the entity. Power is demonstrated through existing rights that give the ability to direct relevant activities, those which significantly affect the entity's returns. Subsidiaries are consolidated from the date control commences until the date control ceases.
- ii) The Consolidated Financial Statements are presented, to the extent possible, in the same format as that adopted by the Parent for Standalone Financial Statements.
- iii) The Financial Statements of the Group are consolidated on a line-by-line basis and Intra Group balances and transactions, including unrealized gain/ (loss) from such transactions, are eliminated upon consolidation.
- iv) These Consolidated Financial Statements are prepared by applying uniform Accounting Policies in use at the group. Non-Controlling Interest which represent part of the net Profit or Loss and Net Assets of subsidiaries that are not, directly or indirectly, owned or controlled by the Company, are excluded.
- v) The amount shown in respect of Reserve comprises the amount of the relevant Reserves as per the Balance Sheet of the Parent Company and its share in the post-acquisition increase in the relevant Reserve of the entity to be consolidated.
- vi) Notes to the Consolidated Financial Statements represents notes involving items which are considered material & are accordingly duly disclosed. Materiality for the purpose is assessed in relation to the information contained in the Consolidated Financial Statements. Further, additional statutory information disclosed in separate Financial Statements of the subsidiary and / or Parent having no bearing on the true & fair view of the Consolidated Financial Statements have not been disclosed in the Consolidated Financial Statements.

2.3 Use of Estimates and Judgements

The preparation of the Financial Statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions effect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the Financial Statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period and actual results may differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the Financial Statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the Financial Statements. The basis of the description is as under:

Notes forming part of the Consolidated Financial Statements as at 31 March, 2024

(All amounts in INR Lakhs except as stated otherwise)

- 1) Evaluation of satisfaction of performance obligation at a point in time for the purpose of revenue recognition:**
Determination of revenue under the satisfaction of performance obligation at a point in time method necessarily involves making estimates, some of which are of a technical nature, concerning, where relevant, the timing of satisfaction of performance obligation, costs to completion, the expected revenues from the project or activity and the foreseeable losses to completion. The Company recognises revenue when the company satisfies its performance obligations.
- 2) Evaluation of percentage of completion for the purpose of revenue recognition:**
Determination of revenue under the percentage of completion method necessarily involves making estimates, some of which are of a technical nature, concerning, where relevant, the percentage of completion, cost of completion, the expected revenue from the project or activity and the foreseeable losses to completion. Estimates of project income, as well as project costs, are reviewed periodically. The effect of changes, if any, to estimates is recognised in the Standalone Financial Statements for the period in which such changes are determined.
- 3) Useful life and residual value of Property, Plant and Equipment and Intangible Assets:**
Useful lives of Property, Plant and Equipment and Intangible Assets are based on the life prescribed in Schedule II of the Companies Act, 2013 or based on internal technical evaluation. Assumptions are also made when the company assesses, whether an asset may be capitalised and which components of the cost of the asset may be capitalised.
- 4) Recognition of Deferred Tax Asset:**
The extent of which Deferred Tax Asset can be recognised is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilised.
- 5) Provisions and contingencies:**
The recognition and measurement of other provisions are based on the assessment of the probability of an outflow of resources, and on past experience and circumstances known at the balance sheet date. The actual outflow of resources at a future date may therefore vary from the amount included in other provisions.

2.4 Current versus Non-Current classification

The Company presents Assets and Liabilities in the Balance Sheet based on Current/Non-Current classification. The normal operating cycle, in the context of the Company, is the time between the acquisition of Land for a real estate project and its realisation in Cash and Cash Equivalents by way of sale of developed units.

An Asset is treated as Current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or Cash Equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other Assets are classified as Non-Current.

A Liability is Current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as Non-Current.

Deferred Tax Assets and Liabilities are classified as Non-Current Assets and Liabilities.

Notes forming part of the Consolidated Financial Statements as at 31 March, 2024

(All amounts in INR Lakhs except as stated otherwise)

2.5 Property, Plant and Equipment

Freehold/Leasehold Land and Capital Work-in-progress is carried at cost. All other items of Property, Plant and Equipment are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

The cost of an item of Property, Plant and Equipment comprises of its purchase price, any costs directly attributable to its acquisition and an initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located, the obligation for which the Company incurs when the item is acquired. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to Profit or Loss Statement during the reporting period in which they are incurred.

Depreciation on Property, Plant and Equipment is calculated using the Straight-Line Method to allocate their cost, net of their residual values, over their estimated useful lives. The useful lives estimated for the major classes of Property, Plant and Equipment are as follows:

Class of Property, Plant and Equipment	Useful life (in years)
Buildings	30
Rented Premises	Lease Period
Plant & Machinery	5-15
Furniture & fixtures	8-10
Vehicles	5-10
Electrical Installations	10
Equipments and facilities	5-8
Computer Hardware	3

The useful lives have been determined based on technical evaluation done by the management's experts, which in few cases are different than the lives as specified by Schedule II to the Companies Act, 2013. The residual values are not more than 5% of the original cost of the Asset. The asset's residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An item of Property, Plant and Equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the Asset is included in the Statement of Profit and Loss when the Asset is derecognised.

Assets under construction include the cost of Property, Plant and Equipment that are not ready to use at the Balance Sheet date. Advances paid to acquire Property, Plant and Equipment before the Balance Sheet date are disclosed under other Non-Current Assets. Asset under construction are not depreciated as these Assets are not yet available for use.

Capital Work in progress is stated at cost less impairment losses, if any. Cost comprises of expenditure incurred in respect of capital projects under development and includes any attributable/allocable cost and incidental expenses. Revenues earned, if any, from such capital projects before capitalisation are adjusted against the Capital Work in progress.

2.6 Dividends Declared

Provision is made for the amount of any Dividend declared, being appropriately authorised and no longer at the discretion of the Company, on or before the end of the reporting period but not distributed at the end of the reporting period.

2.7 Investment Properties

Investment properties are measured initially at cost, including transaction costs and borrowing costs, wherever applicable. Subsequent to initial recognition, Investment Properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred.

Investment Properties are derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of Investment Properties are included in Profit and Loss in the period of de-recognition.

Notes forming part of the Consolidated Financial Statements as at 31 March, 2024

(All amounts in INR Lakhs except as stated otherwise)

2.8 Intangible Assets

Intangible Assets acquired separately are measured on initial recognition at cost. Following initial recognition, Intangible Assets are carried at cost less any accumulated amortisation and impairment loss. Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

The useful lives of Intangible Assets are assessed as either finite or indefinite.

Intangible Assets with finite lives are amortised on a Straight-Line Method over the useful economic life and assessed for impairment whenever there is an indication that the Intangible Asset may be impaired. The amortisation period and the amortisation method for an Intangible Asset are reviewed at least at the end of each reporting period and adjusted, if appropriate. The useful economic lives estimated for various classes of Intangible Assets are as follows:

Class of Intangible Assets	Useful life (in years)
Goodwill	5
Trademark and Logo	10
Software	3

Intangible Assets with indefinite useful lives are not amortised, but are tested for impairment annually.

2.9 Finance Costs

Borrowing costs that are directly attributable to the acquisition/construction of qualifying Assets or for long term project development are capitalised as part of their cost of such land till the revenue is recognised for the project.

Other borrowing costs are recognised in the Statement of Profit and Loss in the period in which they are incurred.

2.10 Non-Current Assets held for Sale

Non-Current Assets are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use and a sale is considered highly probable. They are measured at the lower of their carrying amount and fair value less costs to sell.

Non-current Assets classified as held for sale and their related Liabilities are presented separately in the Balance Sheet. Non-current Assets are not depreciated or amortised while they are classified as Held for Sale.

2.11 Inventories

Construction Materials and Consumables

Construction material and Consumables are valued at lower of cost and net realisable value.

Land/Development Rights

Land/Development Rights are valued at lower of cost and net realisable value.

Construction work in Progress

Completed units and project development forming part of Work in Progress are valued at lower of cost and net realizable value. Cost includes direct materials, labour, project specific direct indirect expenses.

Finished Goods

Finished goods of completed projects and Stock in trade of units is valued at lower of cost or net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

Cash and Cash Equivalents

Cash and Cash Equivalent in the Balance Sheet comprise Cash at Banks and on in Hand and Short-Term Deposits maturing within twelve months from the date of Balance Sheet.

2.12 Cash and Cash Equivalent

Cash and Cash Equivalent in the Balance Sheet comprise Cash at Banks and on Hand and Short-Term Deposits maturing within twelve months from the date of Balance Sheet, which are subject to an insignificant risk of changes in value.

Notes forming part of the Consolidated Financial Statements as at 31 March, 2024

(All amounts in INR Lakhs except as stated otherwise)

2.13 Financial Instruments

A. Financial Instruments - Initial recognition and measurement

Financial Assets and Financial Liabilities are recognised in the Company's Statement of Financial position when the Company becomes a party to the contractual provisions of the instrument. The Company determines the classification of its Financial Assets and Liabilities at initial recognition. All Financial Assets are recognised initially at fair value plus, in the case of Financial Assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

B.1. Financial Assets-Subsequent measurement

The Subsequent measurement of Financial Assets depends on their classification which is as follows:

a. Financial Assets at fair value through Profit or Loss

Financial Assets at fair value through Profit and Loss include Financial Assets Held for Sale in the near term and those designated upon initial recognition at fair value through profit or loss.

b. Financial Assets measured at amortised cost

Loans and Receivables are non-derivative Financial Assets with fixed or determinable payments that are not quoted in an active market. Trade Receivables do not carry any interest and are stated at their nominal value as reduced by appropriate allowance for estimated irrecoverable amounts based on the ageing of the receivables balance and historical experience. Additionally, a large number of minor Receivables are grouped into homogenous groups and assessed for impairment collectively. Individual Trade Receivables are written off when management deems them not to be collectible.

c. Financial Assets at fair value through OCI

All Equity Investments, except Investments in Subsidiaries, Joint Ventures and Associates, falling within the scope of Ind AS 109, are measured at fair value through Other Comprehensive Income (OCI). The Company makes an irrevocable election on an instrument by instrument basis to present in Other Comprehensive Income subsequent changes in the fair value. The classification is made on initial recognition and is irrevocable.

If the Company decides to designate an Equity Instrument at fair value through OCI, then all fair value changes on the instrument, excluding Dividends, are recognized in the OCI.

B.2. Financial Assets-Derecognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the Assets expire or it transfers the Financial asset and substantially all the risks and rewards of ownership of the asset.

Upon derecognition of Equity Instruments designated at fair value through OCI, the associated fair value changes of that equity instrument is transferred from OCI to Retained Earnings.

C. Investment in Subsidiaries, Joint Ventures and Associates

Investments made by the Company in Subsidiaries, Joint Ventures and Associates are measured at cost in the Standalone Financial Statements of the Company.

D.1. Financial liabilities-Subsequent measurement

The Subsequent measurement of financial liabilities depends on their classification which is as follows:

a. Financial Liabilities at fair value through Profit or Loss

Financial Liabilities at fair value through Profit or Loss include Financial Liabilities Held for Trading, if any.

b. Financial Liabilities measured at amortised cost

Interest bearing loans and borrowings including debentures issued by the Company are subsequently measured at amortised cost using the Effective Interest Rate method (EIR). Amortised cost is calculated by taking into account any discount or premium on acquisition and fee or costs that are integral part of the EIR. The EIR amortised is included in finance costs in the Statement of Profit and Loss

Notes forming part of the Consolidated Financial Statements as at 31 March, 2024

(All amounts in INR Lakhs except as stated otherwise)

D.2. Financial Liabilities –Derecognition

A Financial Liability is derecognised when the obligation under the liability is discharged or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as derecognition of the original liability and the recognition of new liability. The difference in the respective carrying amount is recognised in the Standalone Statement of Profit and Loss.

E. Offsetting Financial Instruments

Financial Assets and Financial Liabilities are offset and the net amount reported in the Statement of Financial Position, if and only if, there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the Assets and settle the Liabilities simultaneously.

F. Fair value measurement

The Company measures certain financial instruments at fair value at each reporting date. Fair value is the price that would be received to sell an Asset or paid to transfer a Liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the Assets or Liability or
- In the absence of a principal market, in the most advantageous market for the Asset or Liability.

The principal or the most advantageous market must be accessible to the Company.

The Company uses valuation technique that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

Level 1 - Quoted (unadjusted) market prices in active market for identical Assets or Liabilities.

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 - Valuation technique for which the lowest level input that is significant to the fair value measurement is unobservable.

2.14 Selling Costs

Selling expenses related to specific projects/units are being charged to Statement of Profit and Loss in the year in which the revenue thereof is accounted.

2.15 Revenue Recognition

Revenue from contracts with customer is recognized, when control of the goods or services are transferred to the customer, at an amount that reflects the consideration to which the Group is expected to be entitled in exchange for those goods or services. The Group assesses its revenue arrangements against specific criteria in order to determine if it is acting as principal or agent. The Group concluded that it is acting as a principal in all of its revenue arrangements. The specific recognition criteria described below must also be met before revenue is recognized.

The specific recognition criteria for the various types of the Company's activities are described below:

i. Revenue from Real Estate Projects

The Group recognizes revenue, on execution of agreement or letter of allotment and when control of the goods or services are transferred to the customer, at an amount that reflects the consideration (i.e. the transaction price) to which the Group is expected to be entitled in exchange for those goods or services excluding any amount received on behalf of third party (such as indirect taxes). An asset created by the Group's performance does not have an alternate use and as per the terms of the contract, the Group has an enforceable right to payment for performance completed till date. Hence the Group transfers control of a good or service over time and, therefore, satisfies a performance obligation and recognizes revenue over time. The Group recognizes revenue at the transaction price which is determined on the basis of agreement or letter of allotment entered into with the customer. The Group recognizes revenue for performance obligation satisfied over time only if it can reasonably measure its progress towards complete satisfaction of the performance obligation. The Group would not be able to reasonably measure its progress towards complete satisfaction of a performance obligation if it lacks reliable information that would be required to apply an appropriate method of measuring progress. In those circumstances, the

Notes forming part of the Consolidated Financial Statements as at 31 March, 2024

(All amounts in INR Lakhs except as stated otherwise)

Group recognizes revenue only to the extent of cost incurred until it can reasonably measure outcome of the performance obligation.

The Group uses cost based input method for measuring progress for performance obligation satisfied over time. Under this method, the Group recognizes revenue in proportion to the actual project cost incurred (excluding land and finance cost) as against the total estimated project cost (excluding land and finance cost).

The management reviews and revises its measure of progress periodically and are considered as change in estimates and accordingly, the effect of such changes in estimates is recognized prospectively in the period in which such changes are determined.

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Group performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognized for the earned consideration that is conditional.

A contract liability is the obligation to transfer goods or services to a customer for which the Group has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Group transfers goods or services to the customer, a contract liability is recognized when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognized as revenue when the Group performs under the contract

ii. Interest income

Interest income from Debt Instruments (including Fixed Deposits) is recognized using the Effective Interest Rate method. The Effective Interest Rate is that rate that exactly discounts estimated future cash receipts through the expected life of the Financial Asset to the gross carrying amount of a Financial Asset. While calculating the Effective Interest Rate, the Company estimates the expected cash flows by considering all the contractual terms of the Financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

iii. Dividends

Revenue is recognized when the Company's right to receive the payment is established.

iv. Delayed Payment Charges

Delayed Payment Charges claimed to expedite recoveries are accounted for on realization.

v. Other Income

Other Income is accounted for on accrual basis except, where the receipt of income is uncertain.

vi. Rental Income

Rental income arising from operating leases is accounted over the lease terms.

2.16 Foreign Currency Transactions

Foreign Currency Transactions are translated into Indian rupee using the exchange rates prevailing on the date of the transaction. Foreign exchange gains and losses resulting from the settlement of these transactions and from the translation of monetary Assets and Liabilities denominated in foreign currencies at year end exchange rates are recognised in the Statement of Profit or Loss.

2.17 Income Taxes Current Tax

The Current Tax expense for the period is determined as the amount of tax payable in respect of taxable income for the period, based on the applicable income tax rates.

Current Tax relating to items recognised in Other Comprehensive Income or Equity is recognised in Other Comprehensive Income or Equity, respectively.

Deferred Tax

Deferred Tax is provided using the liability method on temporary differences between the tax bases of Assets and Liabilities and their carrying amounts for Financial reporting purposes at the reporting date.

Deferred Tax liabilities are recognised for all taxable temporary differences. Deferred tax Assets are recognised for all deductible temporary differences and, the carry forward of unused tax credits and any unused tax losses. Deferred Tax Assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, the carry forward of unused tax credits and unused tax losses can be utilised.

Notes forming part of the Consolidated Financial Statements as at 31 March, 2024

(All amounts in INR Lakhs except as stated otherwise)

Deferred Tax Assets and Liabilities are measured at the tax rates that are expected to apply in the year when the Asset is realised or the Liability is settled, based on tax rates (and tax laws) that have been enacted at the Reporting date.

Deferred tax relating to items recognised in Other Comprehensive Income or Equity is recognised in Other Comprehensive Income or Equity, respectively.

Deferred Tax Assets and Deferred Tax Liabilities are offset if a legally enforceable right exists to set off current tax Assets against Current Tax Liabilities.

2.18 Provisions, Contingent Liabilities and Contingent Assets

A Provision is recognised when the Company has present determined obligations as a result of past events an outflow of resources embodying economic benefits will be required to settle the obligations. Provisions are recognised at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date.

If the effect of the time value of money is material, provisions are discounted using a current pre tax rate that reflects, where appropriate, the risks specific to the liability. Where discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

A Contingent Liability is not recognised but disclosed in the Notes to the accounts, unless the probability of an outflow of resources is remote.

A Contingent Asset is generally neither recognised nor disclosed.

2.19 Earnings Per Share

The basic Earnings Per Share (EPS) is calculated by dividing the net profit or loss for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating Diluted Earnings Per Share, the net profit or loss for the year attributable to the Equity Shareholders and the weighted average number of Equity Shares outstanding during the year are adjusted for the effects of all dilutive potential Equity Shares.

2.20 Exceptional Items

Exceptional items refer to items of income or expense within Statement of Profit and Loss from ordinary activities which are non-recurring and are of such size, nature or incidence that their separate disclosure is considered necessary to explain the performance of the Company.

2.21 Impairment of Non-Financial Assets

The carrying amounts of Assets are reviewed at each reporting date if there is any indication of impairment based on internal / external factors. An impairment loss is recognised wherever the carrying amount of an Asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's fair value less cost of disposals and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. Fair value is the price that would be received to sell an Asset or paid to transfer a Liability in orderly transaction between market participants at the measurement date. After impairment, depreciation is provided on the revised carrying amount of the Asset over its remaining useful life.

The Group bases its impairment calculation on detailed budgets and forecast calculations, which are prepared separately for the Company Cash Generating Unit's (CGU) to which the individual Assets are allocated. These budgets and forecast calculations generally cover a period of five years. For longer periods, a long-term growth rate is calculated and applied to project future cash flows after the fifth year.

Impairment losses are recognised in the Statement of Profit and Loss in expense categories.

An assessment is made at each reporting date as to whether there is any indication that previously recognised impairment losses may no longer exist or may have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the Asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the Asset in prior years.

Notes forming part of the Consolidated Financial Statements as at 31 March, 2024

(All amounts in INR Lakhs except as stated otherwise)

2.22 Significant Accounting Judgments and Assumption

Property, Plant and Equipment

Property, Plant and Equipment represent a proportion of the Asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an Asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of Company's Assets are determined by management at the time the Asset is acquired and reviewed periodically, including at each financial year end. The lives are based on historical experience with similar Assets as well as anticipation of future events, which may impact their life, such as changes in technology.

Intangible Assets

The Company tests whether Intangible Assets have suffered any impairment on an annual basis. The recoverable amount of a Cash Generating Unit is determined based on value in use calculations which require the use of assumptions.

Investment Property

The charge in respect of periodic depreciation on Investment Properties is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of Company's Investment Properties are determined by management at the time the asset is acquired and reviewed periodically, including at each Financial Year end. The lives are based on historical experience with similar Assets as well as anticipation of future events, which may impact their life, such as changes in technology.

Notes forming part of the Consolidated Financial Statements as at 31 March, 2024

Note 27: Financial Instruments : Accounting classifications and fair value measurements

(i) Accounting classifications

The fair values of the financial assets and liabilities are determined at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

The carrying amounts of trade receivables, cash and cash equivalents, bank balances, short term deposits, trade payables, payables for acquisition of property, plant and equipment, short term loans from banks, financial institutions and other current financial assets and liabilities are considered to be the same as their fair values, due to their short-term nature.

(ii) Fair value measurements

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

The following table presents carrying value and fair value of financial instruments by categories and also fair value hierarchy of assets and liabilities measured at fair value :

As at March 31, 2024

Note 28: Financial Risk Management

The Company is exposed to financial risks arising from its operations and the use of financial instruments. The Company has identified financial risks and categorised them in three parts viz.

- (i) Credit Risk,
- (ii) Liquidity Risk and
- (iii) Market Risk.

Risk management framework

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The board of directors are responsible for developing and monitoring the Company's risk management.

The Company's risk management framework, are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

(i) Credit Risk

Credit risk refers to the possibility of a customer and other counterparties not meeting their obligations and terms and conditions which would result into financial losses. Such risk arises mainly from trade receivables, other receivables, loans and investments. The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis through each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of default occurring on asset as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

- i) Actual or expected significant adverse changes in business,
- ii) Actual or expected significant changes in the operating results of the counterparty,
- iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligations,
- iv) Significant increase in credit risk on other financial instruments of the same counterparty,
- v) Significant changes in the value of the collateral supporting the obligation or in the quality of the third-party guarantees or credit enhancements

Financial assets are written off when there is no reasonable expectation of recovery, such as a debtor failing to engage in a repayment plan with the Company. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognized as income in the statement of profit and loss. The Company establishes an allowance for doubtful debts and impairment that represents its estimate of incurred losses in respect of trade and other receivables, loans and advances. The maximum exposure to credit risk in case of all the financial instruments covered below is restricted to their respective carrying amount.

Cash and cash equivalents

Credit risk from cash and bank balances is managed by the Company's treasury department in accordance with the Company's policy

Notes forming part of the Audited Consolidated Financial Statements as at March 31, 2024

(All amounts in INR Lakhs except as stated otherwise)

(ii) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the Company operates.

a) Financing arrangements

The Company has access to funds from debt markets through loan from banks. The Company invests its surplus funds in bank fixed deposits.

b) Maturities of financial liabilities

The amounts disclosed in the table are the contractual undiscounted cash flows.

As at March 31, 2024

Particulars	Less than 1 year	1 - 5 years	More than 5 year	Gross carrying amount (INR)
Long term borrowings		41,607.98	-	41,607.98
Short term borrowings	6,131.47		-	6,131.47
Trade and other payables	6,386.98		-	6,386.98
Other financial liabilities	869.66		-	869.66
Total	13,388.11	41,607.98	-	54,996.09

As at March 31, 2023

Particulars	Less than 1 year	1 - 5 years	More than 5 year	Gross carrying amount (INR)
Long term borrowings	-	31,755.70	-	31,755.70
Short term borrowings	1,430.48	-	-	1,430.48
Trade and other payables	7,458.72	-	-	7,458.72
Other financial liabilities	517.24	-	-	517.24
Total	9,406.45	31,755.70	-	41,162.14

(iii) Market Risk

The risk that the fair value or future cash flows of financial instruments will fluctuate because of changes in market price. Market risk further comprises of

- (a) Currency risk;
- (b) Interest rate risk; and

a) Currency risk

The Company is not exposed to any currency risk as the Company does not have any import payables, short term payables, short term borrowings and export receivables in foreign currency.

b) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates.

The Management is responsible for the monitoring of the Company's interest rate position. Various variables are considered by the Management in structuring the Company's borrowings to achieve a reasonable, competitive, cost of funding.

Notes forming part of the Audited Consolidated Financial Statements as at March 31, 2024

(All amounts in INR Lakhs except as stated otherwise)

- Exposure to interest rate risk

The Company's interest rate risk arises from borrowings. The interest rate profile of the Company's interest bearing financial instruments as reported to the Management of the Company is as follows:

Particulars	For the year ended March 31, 2024	For the year ended March 31, 2023
Fixed rate borrowings	35,161.77	24,442.78
Variable rate borrowing	12,577.68	8,743.40
Total	47,739.45	33,186.18

- Fair value sensitivity analysis for fixed-rate instruments

The Company does not account for any fixed-rate financial assets or financial liabilities at fair value through profit or loss. Therefore, a change in interest rates at the reporting date would not affect profit or loss.

- Fair value sensitivity analysis for variable-rate instruments

Particulars	For the year ended March 31, 2024	For the year ended March 31, 2023
Interest sensitivity		
Interest rate increase by 50 basis points	12,640.57	8,787.12
Interest rate decrease by 50 basis points	12,514.79	8,699.68

- Capital Management

The Company's capital management objectives are:

- to ensure the Company's ability to continue as a going concern
- to provide an adequate return to shareholders

The Company monitors capital on the basis of the carrying amount of equity less cash and cash equivalents as presented on the face of balance sheet.

The Management assesses the Company's capital requirements in order to maintain an efficient overall financing structure while avoiding excessive leverage. This takes into account the subordination levels of the Company's various classes of debt. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares, or sell assets to reduce debt.

a) Debt Equity Ratio

The Company monitors capital using debt equity ratio. The Company's debt to equity ratios are as follows:

Particulars	For the year ended March 31, 2024	For the year ended March 31, 2023
Long term borrowings	41,607.98	31,755.70
Short term borrowings	6,131.47	1,430.48
Total Borrowing	47,739.45	33,186.18
less: Cash and cash equivalents	1,504.69	796.11
Net Debt	46,234.76	32,390.07
Total Equity	27,029.96	20,977.07
Debt to Equity Ratio	1.71	1.54
